

Consultation feedback questionnaire

Tuesday 2 December 2025 — Tuesday 13 January 2026

A new sustainable aviation fuel facility for Teesside

Lighthouse Green Fuels is currently hosting a consultation on its proposals for a sustainable aviation fuel production facility in the industrial area of Seal Sands, Stockton-on-Tees.

To inform your responses to this questionnaire please review the information presented in our consultation brochure and our Preliminary Environmental Information Report (PEIR).

The deadline for responses is **11:59pm on Tuesday 13 January 2026**. We will review all the feedback forms we have received during the consultation period.

A summary of the responses you have given during consultation, with details of how your feedback has helped shape our proposals will be reported in a Consultation Report. This Consultation Report will form part of our Development Consent Order (DCO) application and will be available to the public after we submit the application which we expect to be in 2026. Your feedback may be published in anonymised form as part of our Consultation Report.

Please note that it is not our policy to provide individual responses to consultation feedback.

Please return paper copy questionnaires to one of the team members or drop it in the box provided at an in-person event or send it to our Freepost address: **Freepost LIGHTHOUSE GREEN FUELS** (no stamp needed).

Electronic copies can be returned via email to info@lgf.co.uk or you can complete the questionnaire via the website (www.lighthousegreenfuels.co.uk/consultation).

If you would like to receive this questionnaire in larger print or in another format, please contact us on **0800 157 7346** or via email at info@lgf.co.uk.
