

DEAD DROP

STRAIGHT BOURBON WHISKEY

47% ALC BY VOL

94 PROOF

NON-CHILL FILTERED

A complex blend of specially curated high-rye straight bourbon whiskies. We only select bourbons with a higher rye content for their unique complexity and subtle notes of fruit and baking spice. In order to ensure a consistent flavor and highlight each component in this meticulous blend, every barrel is hand selected and harvested by our Head Distiller and slowly proofed using the limestone-filtered water from our historic artesian well dating back to the 1830's.

TASTING NOTES

Vanilla, overripe nectarines, woody rye spice and tart cherries on the nose. Rich flavors of caramelized oak, delicate stone fruit, toasted vanilla and a touch of spearmint at the end. Decadent yet immensely drinkable with a silky mouthfeel and a long pleasant finish.
