

SOF the school
of future

a leadership and operator
school designed to prepare
young, ambitious learners
for the real world

for the next generation of
founders, operators, and
leaders from Bharat's tier 2
and tier 3 cities

the school of future

WHERE BHARAT'S NEXT
LEADERS ARE BUILT

ACCREDITATIONS

the world no longer rewards qualification, it rewards **execution**

the school of future is built to bridge the gap between
education and implementation through:

- HANDS-ON LEARNING
- IMMERSIVE,
REAL-WORLD EXPERIENCES
- A POWERFUL COMMUNITY OF
BUILDERS AND OPERATORS

we blend strong fundamentals with practical execution, global exposure,
and daily learning rituals to shape confident, capable leaders

18 months of immersive, hands-on learning

an intensive, full-time program that blends on-campus learning with real operating experience

FORMAT

- on-campus program combined with industry immersion

WHO IT'S FOR

- → open to learners from any degree, leadership potential and proof of work matter more than past scores.
- → ambitious learners with a builder's mindset, future founders, operators, and leaders

OUTCOMES

- graduate ready to:
 - lead teams
 - launch your own venture
 - take high-impact roles in growing and family-run businesses
 - qualify for ₹15 LPA+ roles by meeting SOF performance benchmarks

ACADEMIC PATHWAYS

- → SOF PGP certificate
- → MBA through Jain University (academic partnership)

PGP Bharat Building is designed to embed learning in doing.

four curriculum pillars guide the journey:

LEARN

- master core frameworks through live-projects, case studies and hands-on business activities

BUILD

- apply skills through live fast-paced challenges

SCALE

- think like a founder by solving real business and financial problems

LEAD

- turn learning into leadership in startups, companies, or ventures

learning is reinforced through: live projects, simulations and challenges
and industry immersions and global exposure
