

Stefanie Tremp

Product Designer with 8+ years of experience in digital product design and design systems. Proven track record of leading cross-platform projects and delivering intuitive, award-winning user experiences for international brands. Skilled in design strategy, art direction, high-fidelity prototyping, and AI-enabled tools to improve design workflows.

EXPERIENCE

11/2015 – PRESENT

Freelance Designer

User Interface Design, Art Direction

Collaborated with agencies and startups on UI/UX and product design projects, focusing on concept development, art direction, and interface design from early exploration to final delivery.

06/2018 – 11/2019

SinnerSchrader Swipe

Product Designer

Focused on scalable design systems and end-to-end product design, including concept development, prototyping, and visual design.

12/2019 – 11/2025

Accenture Song

Senior Product Designer

Led digital product design and design systems across finance, healthcare, hospitality, and public services. Defined design strategy and delivered high-fidelity prototypes for cross-platform products.

11/2013 – 04/2014

Viacom International Media Networks

Intern Interactive Design / Product Development

Contributed to design of responsive web and app interfaces for international entertainment brands including MTV, Nickelodeon, VIVA, and Comedy Central.

EDUCATION

2011 – 2015

Berliner Hochschule für Technik (BHT)

Bachelor Of Engineering (B.Eng.), Print And Media Technology

Focus on user-centered interfacedesign.
