HOW MUCH DO MEMBERSHIPS COST?

Membership costs range from \$500 to \$4,000 depending on the number of care hours you choose. Each plan provides significant value and flexibility to fit your needs.

Custom plans are available. Contact us to find the best option for you or your clients.

QUESTIONS?

Simply call our Customer Care Hotline and speak to one of our **Concierge Care Coordinators**.

 **727.823.2300**

 **www.ahcareservices.com**

Our plans are **guaranteed** to be approved as long as the two questions on the application are answered no.

What can a Member Plan do for me?

Our plans provide the coordination and payment for members to receive home health care in the comfort of their own home by a friend, loved one, or a licensed Home Health Care Professional. Our Elite plans offer a wide range of options to fit members' needs and lifestyle.

FLEXIBLE COVERAGE TO FIT YOUR NEEDS

Choose from 500 to 4,000 hours of home health care coverage.
Custom plans available.

AFFORDABILITY

Each Elite plan can be customized to fit our members' lifestyle and needs. Our members receive unmatched professional care by licensed home health care professionals for pennies on the dollar.

AROUND THE COUNTRY:

\$34.50

PER HOUR¹

THAT'S:

\$17,250

FOR 500 HOURS OF CARE

The average cost for home health care is \$34.50 an hour around the country. Our Elite members pay as little as \$1.00 an hour for the same coverage with the same agency!

SIMPLE TO USE

When care is needed, our members can simply call the customer care hotline 24 hours a day, 7 days a week, to access our Care Coordinator Concierge service. Our coordinators ease the stress and worries by taking the burden off our members' shoulders and making all of the arrangements for care in the comfort of the members' home with properly vetted licensed home healthcare professionals.

DOES MEDICARE PAY FOR HOME HEALTH CARE?

Unfortunately, Medicare provides a limited number of hours and days of home health care. To qualify, care must be prescribed through your primary doctor. Medicare provides skilled care ONLY and must be medically necessary! Skilled care does not provide what we need when it comes to daily living activities, such as meal preparation, grocery shopping, assistance with hygiene, dressing, grooming, 24-hour care, transferring from room to room, or travel to the doctor's office.

We say YES when others say NO!

- ✓ Wheelchairs, Walkers and Canes are okay, too!
- ✓ Pre-Existing Conditions are NO PROBLEM!

Life Choice™ Options

Life Choice allows the member to select either a traditional home healthcare agency, a family member, or a friend to provide care.

Either way, the membership will pay toward services such as dressing, bathing, toileting, cooking, cleaning, transferring, driving to and from doctors, laundry, medications, diet and food preparation, grooming, grocery shopping, hygiene, monitoring, and much more.

Simply call our Concierge Membership Coordinator with what type of service you prefer, and the coordinator will make all the necessary arrangements.

Health and Loyalty Cash Program

As a member, you are rewarded with cash back for staying healthy!

At the beginning of the sixth year renewal, AHCS will refund 50% of annual premium to each member who has been claim-free for the previous five years.
