

HOT
BOX

Seriously good hybrid work bags.

We make flexible working easy.

All Hotbox products are designed to help people work their way, wherever they are.

Work your way anywhere.

No more desk mess.
Easy agile working.

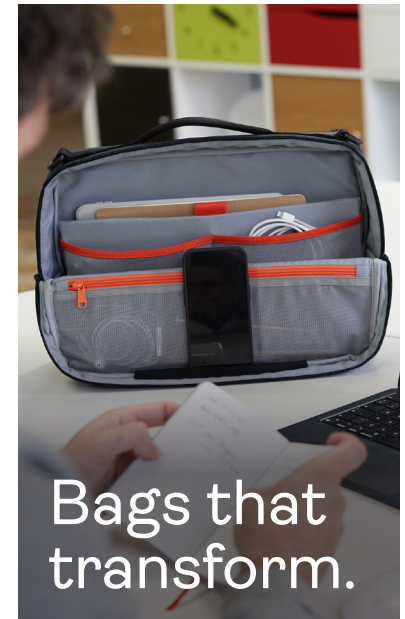

Trusted by some of the world's leading brands.

Fits your laptop.

From 11" to 17",
we've got your team covered.

Bags that
transform.

Branding customisation.

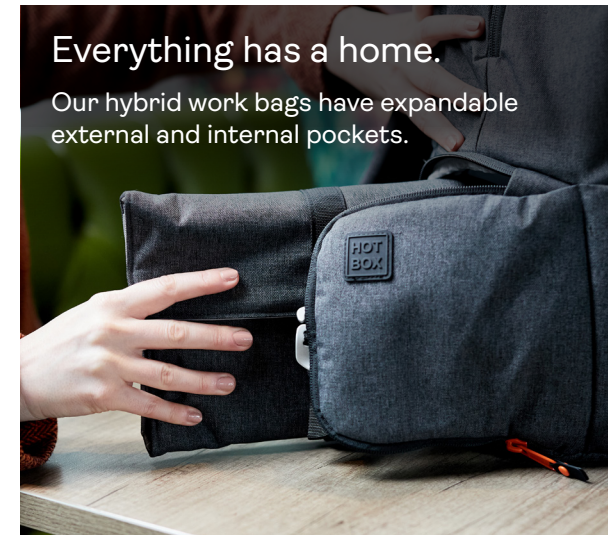

Elevate your company's
image and make a
lasting impression with
our bespoke corporate
branding, by adding your
logo to any of our work bags.

Organised.
Secure.
Productive.

Everything has a home.

Our hybrid work bags have expandable
external and internal pockets.

"I have never had such a well designed and thought
out bag. With day to day flexible working, moving
between locations and work settings, you can just
tell the thought that has gone into the design."

Contact the specials team at Lyreco for details on Hotbox's desk caddy range.

Hotbox 1

The perfect workspace companion for everyone who likes a tidy desk and workspace. Small enough to fit on desks and in lockers.

An easy to carry and simple to use caddy with multiple compartments so your team can store everything they need for the working day whether in the office or at home.

Hotbox 4

An innovative, flexible, desk caddy, designed with a handle that transforms into an ergonomic laptop riser.

Hotbox 4 is perfect for the hotdeskers out there. Doubling as a laptop riser, it enables ease of movement between office zones and allows people to create "their space" wherever they are. Fits up to 16" laptops.

Hotbox 4 Mini

Your desk's new best friend. Small enough to be convenient, big enough to be useful.

This clever compact caddy doubles as a device stand, making it perfect for hot desking and agile working. Move between meetings without lugging around bulky storage. The Mini keeps everything tidy while barely taking up any desk real estate. Ready to slip into lockers at the end of the day. Fits up to 14" laptops.
