Rogers CityBeat 2026 Poll — Toronto — Bike lanes on major Toronto streets

Data collection by Sago
September 14–24, 2026 (Toronto)
Weighted results (percentages) with weighted counts; bases shown unweighted and weighted.

Table 1
In early September 2026, the Ontario government announced it would begin the process of “restoring motor vehicle lanes” by removing bike lanes on Bloor Street, Yonge Street, University Avenue, Queen’s Park, Queen’s Park Crescent and Avenue Road. Do you support or oppose the move to turn the bike lanes on these streets back into lanes for use by motor vehicles?

Proportions: Columns Tested (5% risk level) - B/C - D/E/F - G/H/I - J/K/L

	Total	Gender		Age			Education			Household income		
	Toronto	Men	Women	18 to 34	35 to 54	55 and over	High school or less	College or trades	University degree	Under \$50K	\$50K to \$99K	\$100K or more
	A	B	C	D	E	F	G	H	I	J	K	L

Letters indicate a proportion significantly higher than the lettered column at the 95 percent confidence level (two-tailed), tested on effective bases; columns with fewer than 30 effective cases are not tested.
Toronto respondents are weighted to 2021 Census age and gender.
