

An aerial photograph of a modern residential development, Camelback Residences, set against a backdrop of rugged, arid hills. The buildings are multi-story, light-colored structures with flat roofs and large glass windows. Many units feature balconies with glass railings, some of which are furnished with outdoor seating. The development is interspersed with lush greenery, including palm trees and various shrubs. A winding road with a few cars is visible on the left side of the image. In the foreground, a well-maintained green lawn is visible. The overall scene is bathed in the warm, golden light of late afternoon or early morning, creating a serene and luxurious atmosphere.
