BLOQ

Data Sheet

BLOQ 6WSS

Ultimate All-Weather Sound

The **BLOQ 6WSS** is a compact active all-weather wall-mounted slave speaker engineered for commercial applications. Built for robust performance in any environment, it features integrated WiFi and network connectivity for simplified installation and single-cable operation. Designed for modern multi-room audio systems, it delivers high-fidelity streaming and powerful low-frequency output, ensuring dependable performance in commercial settings.

Advanced Wireless & Audio Integration

The **BLOQ 6WSS** offers extensive connectivity, supporting Airplay, DLNA, QPlay, WiFi, Bluetooth 5.0, and Line-In. Equipped with a high-definition 24bit/48kHz digital amplifier with crossover, it ensures powerful bass and clear treble. With a rated output of 2 × 40W, it can form an 80W stereo system with another unit or connect to a sub-box for extended low-frequency performance.

Durable, Discreet, and Deployable

Engineered for durability, it features a high-strength ABS shell with IP55 dust and water protection, an ultra-narrow grille, adjustable mounting, and multi-room app control with automatic standby.

Technical Specifications

| General Specification	Surface Mount Speaker
Rated Power:	40W
Line Input:	DC24V-4A
Impedance:	8Ω
Speaker Unit:	6.5" Woofer + 1" Tweeter
Sensitivity (1w,1m):	90dB ± 3dB
Max Sensitivity:	112dB
Frequency Response (-10dB):	70Hz ~ 20kHz
Audio Input:	BT5.0, AUX IN
Network Connectivity:	WIFI 2.4G, LAN
Music Streaming Protocols:	Airplay, DLNA, QPlay, etc.
Audio Format Support:	MP3, AAC, FLAC, ALAC, WMA, APE, WAV, OGG, etc.
Music Source Services:	Tunein, iHeartRadio, TIDAL, Napster, Qobuz, etc
Operating Temperature / Humidity:	-25°C ~ +55°C <95%
Power Dissipation:	≤100W
Dimensions (DxWxH):	152x198x285mm
IP Rating:	IEC529 IP55 Compliant

Technical Specifications

General Specification	Surface Mount Speaker
Mounting Type:	Adjustable Angle Bracket (Horizontal/Vertical)
Material:	Box: High-strength ABS
Colour:	White, Black
Net Weight:	3.2kg

Dimensions

W: 198mm

H: 285mm

D: 152mm
