

CLING 8

Data Sheet

CLING 8

Elevate Your Ambiance

The CLING series is a versatile line of ceiling speakers designed for both commercial and household markets. The speaker features a striking bright blue paper cone and an Ultra-Narrow Frameless Magnetic Grilles that delivers a modern, stylish appearance while ensuring exceptional affordability.

Crystal Clear Sound, Always Heard

The speaker features high-quality 2-way coaxial drivers and precisely calibrated crossovers, providing clear, detailed sound with distinct treble and bass for outstanding audio performance.

Sleek Performance for Every Setting

Application: Ideal for boutique hotels, luxury homes, fine dining venues, luxury retail spaces, museums & galleries, and VIP lounges, the CLING series delivers the perfect balance of premium performance, refined style, and cost-effectiveness.
