

Payment Processing

Seamless Payments. Better Cash Flow. Happy Customers.

Collect more money, keep your cash flowing and provide a better customer experience processing payments with RealGreen. Grow your sales 55% faster with eight ways to pay. Increase your revenue potential by accepting credit card payments — proven to boost sales and retain customers.

Increase Sales

- ✓ 85% of homeowners prefer to pay with credit cards
- ✓ 12% revenue growth when adding card-on-file and autopay
- ✓ Frictionless payments translate to higher overall sales, less churn and fewer missed or late payments

Retain and Increase Customer Satisfaction

- ✓ RealGreen offers eight ways to pay, making it easy for customers to pay how they want when they want
- ✓ Most customers prefer to pay via credit card for convenience and security
- ✓ Happy customers spend more — plus it costs 5X more to gain a new customer than to retain an existing one

Integration and Reliability

- ✓ With RealGreen payment processing is seamlessly integrated with automated reconciliation, easier cash access, autopay, pre-pay and installment billing setup, helpful reporting tools and so much more: Avoid errors, save time and money
- ✓ One support center for all your needs
- ✓ Highest level of PCI compliance and payment data protection
