## GET FAST, FLEXIBLE FUNDING — WITH CAPITAL LENDING

### A Smarter Way to Access Capital for Your Business

**Why wait weeks for a bank loan when you can get prequalified funding in minutes?** Our lending solution offers a faster, more flexible way to access capital — no collateral, no complicated paperwork, and no restrictions on how you use your funds. **With a quick 5-minute application and cash available in as little as 24 hours**, you stay in control of your business growth. Plus, automatic payments tied to daily sales mean no fixed monthly bills, just a funding solution that works with your cash flow. **Whether you need \$1,000 or \$2 million, we make it easy to get the capital you need — without the bank headaches.**

FEATURE	WORKING CAPITAL	TRADITIONAL BANK LOAN
Qualification	Prequalified — no guesswork	Stringent requirements, including a strong credit score
Repayment Terms	Automatic repayment via a fixed percentage of daily sales	Fixed monthly payments, regardless of cash flow
Funding Amount	\$1,000 - \$2 million	Typically \$50,000 and up
Application Time	Five-minute online application	Lengthy process, requiring days or weeks
Funding Speed	Cash in as little as 24 hours	May take weeks to months
Collateral Requirement	No collateral required	Collateral often required
Flexibility of Use	Can be used for any purpose, not limited to business expenses	Typically restricted to specific business purposes
