# A NOTE FROM PASTOR MATT

**Dear SouthPoint Family and Friends,**

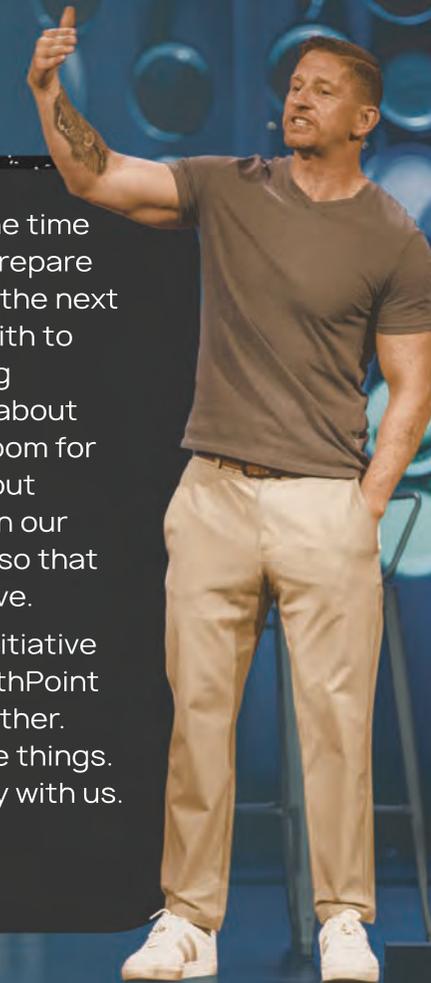

God has done it again! Every milestone we've reached together has been marked by His grace and our collective faith. From the beginning of "Launching a Legacy" to "Ignite Impact" to today, we've seen miracles unfold as more families than ever step into a life-changing relationship with Jesus.

Now, we are ready to take the next step in faith with "Dare to Dream." Just two years ago, we boldly envisioned a future where our church would flourish as a hub for life transformation. Yet, God's plans have exceeded our imaginations. Today, our growth presents a challenge we cannot ignore – our current spaces can no longer keep up with the number of families, kids, and students coming through our doors.

We refuse to turn anyone away. The time is now to dream boldly again and prepare for the generations to come. Over the next two years, we're stepping out in faith to meet our \$2 million goal for building expansion. This initiative isn't just about construction; it's about creating room for people to encounter Jesus. It's about responding to God's call to invest in our families and our community today so that future generations will know His love.

This is a spiritual and generosity initiative that invites every one of us at SouthPoint to pray, to give, and to dream together. We're trusting God to do incredible things. Thank you for going on this journey with us.

**Your friend and fan,  
Pastor Matt**

“Tell it to your children, and let your children tell it to their children, and their children to the next generation.”

JOEL 1:3

## OUR MISSION CONTINUES

Connecting the disconnected to Christ, Community, and a Cause.

Since 2005, SouthPoint Church has existed to connect people far from God to the love of Christ. From families encountering faith for the first time, to children thriving in their spiritual walk, we've always embraced those seeking hope and a new start.

God has called us to be a place where everyone can belong, grow, and make a difference. Now, we believe He's calling us to make more room—not just for seats but for life change.

# WHY DARE TO DREAM?

Our church family has grown in ways we couldn't have imagined just a few years ago. Since returning to in-person services in 2021, the growth of our kids and student ministries has outpaced our original vision. These challenges are signs of vibrant growth, but now we must respond with courage and action.

# THE NEXT GENERATION IS NOW

At SouthPoint, we believe in equipping the youngest members of our church to live out their faith boldly. Parents are often drawn to church as they seek to raise their children with a strong spiritual foundation. The growth of our Next Gen ministry confirms God's blessing over our church, but we must act now to ensure that no family is turned away.

## Our Current Challenges

### Next Gen Space is Maxed Out:

With 400 kids and middle schoolers attending weekly, we've outgrown our classrooms.

### Infrastructure is Limiting Growth:

Parking space, entrances, and infrastructure can no longer meet Sunday morning demands.

### Missed Opportunities to Build Community:

Limited space for adult ministries and events reduces our ability to connect with families.

## YOUR NEXT STEP

Our desire is for 100% of our church family to participate in this campaign, not in equal gifts but in equal sacrifice, in order to create more opportunities for the gospel to have lasting impact through our local church.

### GIVE HAPPILY.

Give knowing what doors God might open so that people can see and be changed by Jesus and find joy in the fact that God invites us to be a part of this. Be part of the story we celebrate when God accomplishes His purposes.

### GIVE GENEROUSLY.

While we're asking all to give sacrificially, we recognize that not all can give equally. Give according to how God has generously given to you.

### GIVE PRAYERFULLY.

Pray as to how you might give, and then continue to pray that God would work in you as you give and through your gift in the lives of those in our church and community.

# FREQUENTLY ASKED QUESTIONS

## Should I Redirect My Regular Giving?

Preferably not. "Dare to Dream" is above and beyond our regular giving, as those funds are vital for everyday ministry operations.

## What About the "Ignite Impact" Campaign?

"Ignite Impact" laid the foundation for what we're building today. Remaining contributions will naturally flow into "Dare to Dream" as this next phase of growth begins.

## What Will My Contribution Support?

Your investment will fund the expansion of our kids' ministry wing, infrastructure updates, renovated spaces, and overall improvements that allow SouthPoint Ministries to thrive.

## How Can I Help Now?

Consider participating in our "Kick Start Offering." Your gift will help cover up-front costs like architectural design, permitting, and construction prep.

## Heavenly Father,

Thank You for blessing SouthPoint with this bold vision. We trust in Your guidance as we dare to dream for the future. Inspire us to give generously and step forward in faith, creating space for generations to encounter Jesus and grow in Your love. May this dream become a reality, bringing hope and light to our community for years to come.

**Amen.**
