About Us

VLB Janakiammal College of Arts & Science (VLBJCAS), established in 1992, is an inclusive and future-ready institution guided by the motto:

“Education is the finest gift we can offer to society.”

The college attained autonomous status in 2010 and is committed to nurturing learners from diverse backgrounds through quality education.

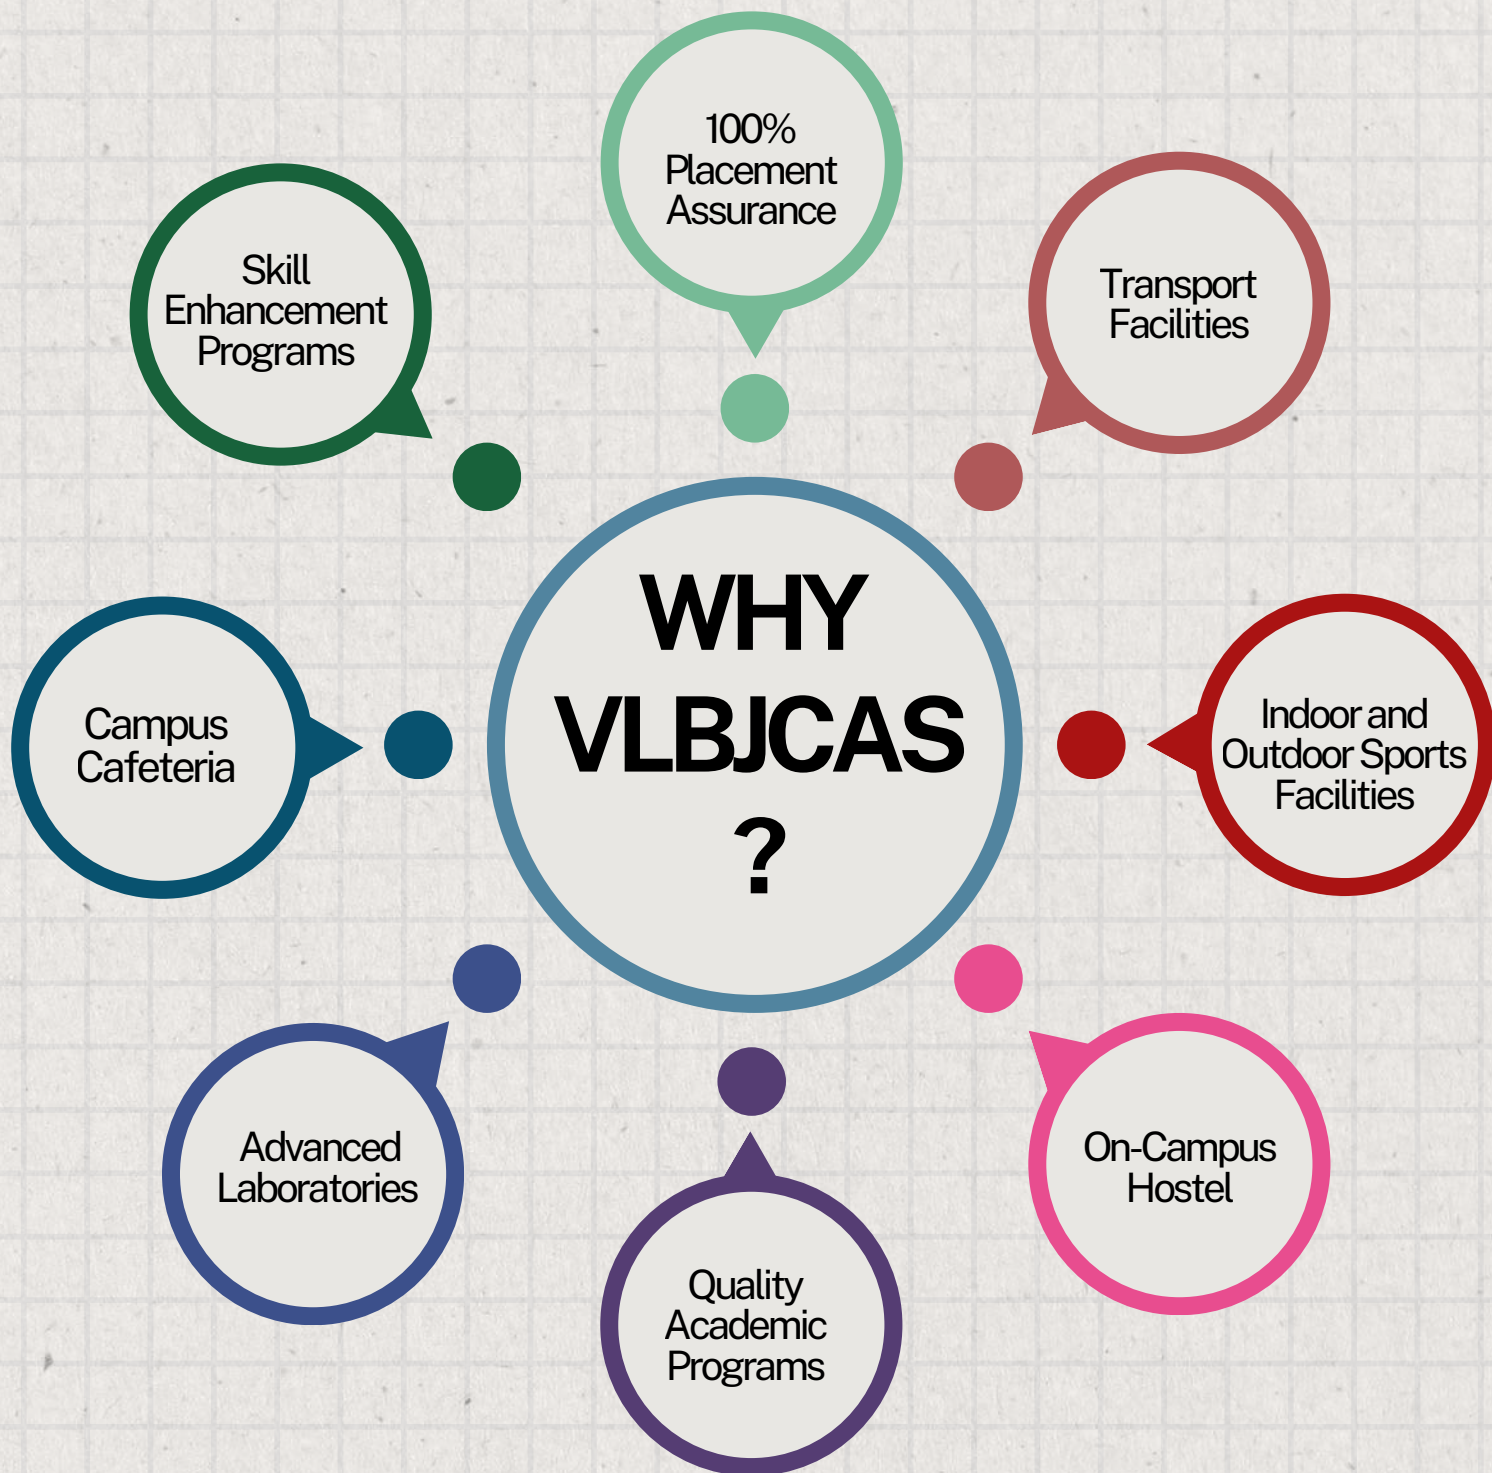

- VLBJCAS offers:
 - 24 Undergraduate programmes
 - 4 Postgraduate programmes
 - 5 Research programmes

The institution focuses on fostering intellectual, emotional, social and ethical development, while continuously enhancing academic quality and student engagement.

Our distinguished alumni excel globally as professionals, innovators and changemakers, carrying forward the college’s legacy of service and excellence.

With a strong alumni network of over 9,000 members worldwide, VLBJCAS remains dedicated in shaping responsible leaders of the future.

College Facilities

From precision pouring to professional dining etiquette, we provide the practical training needed to excel in the luxury hospitality sector.

Between these walls, the brightest minds begin to grow, Turning the seeds of today into the Fruits of tomorrow.

A bright fitness center with easy-to-use machines and workout areas that support your physical health and help you de-stress.

A disciplined training unit with professional drills and leadership programs that supports physical fitness, courage, and national service.

College Facilities

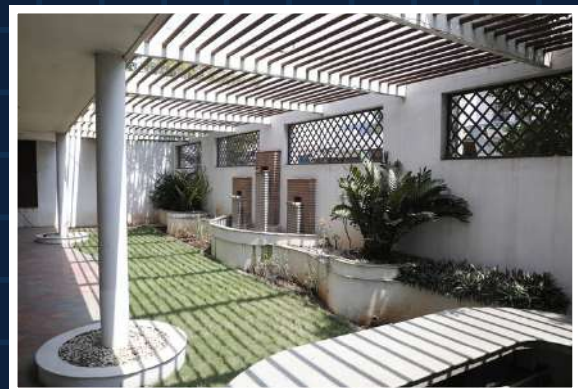

A peaceful garden with a beautiful Buddha statue and a quiet seating area that supports reflection, mindfulness, and mental well-being

Our high-tech boardrooms offer a professional setting for strategic collaboration and decisive action.

Bridging the gap: Our interactive sessions and conferences connect students with industry experts to gain real-world insights and a competitive edge.

Beyond academics: We provide sustainable and aesthetic learning environment that inspire students to connect with nature while pursuing excellence.

UNDER - GRADUATE COURSES

B.Com Bachelor of Commerce

ABOUT THE COURSE

The program is a 3-year journey that dives deep into accounting, finance and management. It's about more than just numbers — it's about building the expertise you need to lead in the global market.

»»» JOB ROLE

- Accountant
- Financial Analyst
- Business Analyst
- Auditor
- Banking Officer

»»» JOB SECTOR

- Banking & Financial Services
- Accounting & Auditing Firms
- Corporate & Multinational Companies
- Investment & Insurance Companies
- E-Commerce & Retail

ABOUT THE COURSE

Integrates core commerce principles with essential programming skills in Computer Application. The program prepares students to manage and analyze business operations using modern IT systems.

»»» JOB ROLE

- Business Analyst
- Software Application Executive
- Systems Analyst
- IT Support & Operations Executive
- Digital Banking & FinTech Executive

»»» JOB SECTOR

- IT & Software Services
- Banking & Financial Services
- Corporate & Multinational Companies
- E-Commerce & Digital Businesses
- FinTech & Financial Technology Firms

B.Com Computer Applications

B.Com **Supply Chain Management and AI** **(Block Chain Management)***

ABOUT THE COURSE

The combine core of commerce knowledge with smart logistics in Supply Chain Management and AI integrates the strong forecasting, automation and analytics.

JOB ROLE

- Supply Chain Analyst
- Logistics & Operations Manager
- Demand Forecasting & Planning Analyst
- Procurement & Sourcing Executive
- Warehouse Automation & Inventory Planner

JOB SECTOR

- Manufacturing & FMCG Companies
- Logistics & Transportation Services
- E-Commerce & Retail Enterprises
- AI & Technology-Driven Firms
- Global Trade Organizations
- Consulting & Operations Strategy Firms
