

Dr. T. Karuppusamy

Associate Professor, Department of Mathematics

Controller of Examinations (COE)

VLB Janakiammal College of Arts and Science, Coimbatore, Tamil Nadu

Dr. T. Karuppusamy is an accomplished academician, researcher, and academic administrator serving as an Associate Professor in the Department of Mathematics and Controller of Examinations (COE) at VLB Janakiammal College of Arts and Science, Coimbatore, Tamil Nadu. He completed his undergraduate studies at Sree Narayana Guru College, Coimbatore, and pursued his research degree at Government Arts College, Udumalpet.

He was awarded his Doctorate in Mathematics in 2023 and with 17 years of teaching experience in higher education, he has contributed significantly to academic excellence, student development, research advancement, and institutional quality enhancement. His areas of specialization include **Optimization Techniques, Algebra, Complex Analysis, and Mechanics**. He actively engages in research activities and has published research papers in reputed national and international journals and presented papers at various conferences. His research contributions demonstrate his dedication towards advancing mathematical knowledge and promoting research culture among students and scholars.

As the **Controller of Examinations**, Dr. Karuppusamy plays a vital role in ensuring the effective planning, coordination, and execution of the examination system of the institution. He oversees the smooth conduct of internal and external examinations, question paper preparation, evaluation processes, result processing, and timely publication of academic results while maintaining transparency, confidentiality, and adherence to university regulations. He is actively involved in implementing examination reforms, strengthening digital examination practices, and ensuring continuous improvement in assessment and evaluation mechanisms.

His administrative expertise includes examination planning, academic scheduling, coordination with various departments, maintenance of examination records, and ensuring compliance with statutory and regulatory requirements. His contribution towards establishing an efficient and student-friendly examination framework reflects his commitment to academic governance and institutional excellence.

Dr. Karuppusamy is committed to excellence in mathematics education, research, and academic administration. Through his teaching, research, and examination leadership, he continues to contribute towards quality enhancement, innovation, and the overall development of the institution.
