OBC CELL & SC/ST CELL

AWARENESS PROGRAM ON "HIGHER EDUCATION OPPORTUNITIES" REPORT

OBC Cell & SC/ST Cell of VLB Janakiammal College of Arts and Science has organized an awareness program on "Higher Education Opportunities" on 26.10.2022 at 2.00 p.m. in Conference Hall. Mrs.C.Veni, Assistant Professor of IT & CT, welcomed the gathering and Dr.K.Ramamurthy, Principal, in his presidential address mapped out the major problems encountered by marginalized communities. Mrs. Ambikha, Head of Operations, Stenden Global Academy, Coimbatore was the resource person. She stated that, on a daily basis, students from SC, ST, and OBC communities face discrimination in educational places on various levels. She spotlighted the major educational problems of marginalized communities such as lack of motivation, lack of guidance, lack of conducive atmosphere, financial problems and language difficulties which affect their motivational level and performance in education and ultimately their career of growth. She spotted how the caste and class hegemony in the educational, political, social, and economical spaces by the upper-caste is prominent across the country. She tinted on the awareness and effectiveness of Educational Schemes which were introduced by the Government of India with the aim of providing equal opportunity to empower them with free educational facilities for marginalized communities. The qualms were discussed and sorted out. The programme came to an end with the vote of thanks proposed by Dr. Baby Saranya, Assistant Professor of B.Com CS & IT.
