(28) GL Grammar 11+: Non-Verbal Reasoning Paper

About this test

This is a practice paper designed to familiarise your child with the types of questions they will see in a (28) GL Grammar 11+: Non-Verbal Reasoning Paper exam.

What you'll need

- Printed practice paper and answer sheet
- Pencil
- Rubber
- Timer

Taking the test

Your child should mark their answers on the answer sheet, not in the question paper. This is good practice for the real exam which will have a separate answer sheet like this.

On the answer sheet, your child should record their answers by drawing a clear line through the answer box with a pencil. Mistakes should be rubbed out and not crossed out.

© Atom Learning

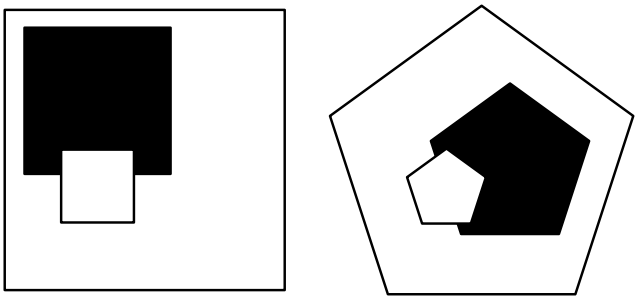

Read the following carefully:

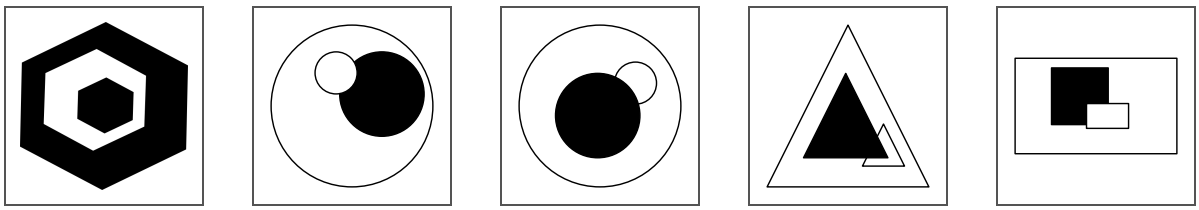

1. This test has been designed to help you practise the types of questions you will see in a (28) GL Grammar 11+: Non-Verbal Reasoning Paper exam.
2. You have **40 minutes** to complete this paper.
3. Read each question carefully before moving onto the next one.
4. Answers should be marked on the **answer sheets** provided. If you make a mistake, rub it out as completely as you can and mark your new answer.
5. You may find some of the questions difficult. If you cannot do a question, **do not waste time on it but go on to the next**. If you are not sure of an answer, choose the one you think is best.
6. Work as quickly and as carefully as you can.
