Technical drawing of a welded steel trapezoidal section. The drawing shows a cross-section of a steel beam with a trapezoidal web and a horizontal flange. The web is welded to the flange, as indicated by the label "WELDED". The flange is supported by two ATRIA TILE supports, which are labeled "ATRIA TILE". The dimensions are as follows:

- Overall height: 300 - 1100mm
- Web thickness: 30
- Flange thickness: 30
- Flange width: 100
- Flange width at the bottom: 11
