# DATA DIALOGUE & AI NXT 2026

Data Infrastructure, Security, Governance & Management  
Empowered by Artificial Intelligence, Machine Learning & Blockchain

Data Dialogue & AI NXT 2026 is a premier global forum exploring the multifaceted world of data and AI, from infrastructure, security and governance to cutting-edge AI, machine learning, and blockchain innovations. This one-day summit, expo, and awards event - held on 6 February 2026 at Jio World Convention Centre, Mumbai - convenes industry pioneers to share insights and chart the course toward an intelligent, data-driven future.

## Key Themes and Value Propositions

At Data Dialogue & AI NXT 2026, five core pillars define the agenda, each offering unique value:

- **Data Infrastructure & Management:**  
The foundation of the digital economy, enabling secure, efficient data-driven innovation.
- **Artificial Intelligence & Machine Learning:**  
Turning data into predictive insights and intelligent automation, redefining how organizations innovate and make decisions.
- **Blockchain & Digital Trust:**  
Ensuring data security, integrity, and transparency across digital ecosystems.
- **Cybersecurity & Data Privacy:**  
Safeguarding critical assets and sensitive information in an AI-enabled world, mitigating threats and ensuring trust.
- **Data Governance & Compliance:**  
Driving ethical, responsible data use and AI practices while navigating global regulations and standards.
