Travel and venues:

There are regularly trains to Groningen train station from across the Netherlands. You can pay for your travel (bus and train) with a pre-purchased travel card or individual tickets. The travel card you need to purchase (it cost 7 euro's) and top up at vending machines to be able to ride (minimum 10 euro's needed for bus ride, and minimum 20 euro's for a train ticket). I recommend buying individual train and bus tickets, it is the cheaper option for short visits. You can pay by card, but for the bus I recommend keeping cash.

From Groningen Station to Hotel NH de Ville. You can take buses 1,3,5, and 10 from the train station to bus stop "Grote Markt" and from there it is about 5 minutes to walk to the hotel.

Venues in Groningen. See the list of addresses and a map below. On the map, Department of Sociology is highlighted with a red marker, the other venues are indicated with a star). Everything is within walking distance, but please let me know if you prefer to rent a bike, I can help you arrange that.

We meet in room B.128 (Department of Sociology) Thursday afternoon and Friday morning, and I will guide you to the rooms for the individual meetings.
