

# WHIRL

## VERSATILE RINSE AID

WHIRL is a high temperature rinse aid engineered to deliver consistent drying performance in commercial dishmachines operating with elevated water temperatures. Formulated for soft to moderately hard water conditions, it enhances final rinse efficiency while supporting clean, spot-free tableware in fast-paced kitchen environments.

### FEATURES & BENEFITS

- Optimized for high temperature commercial dishmachines
- Encourages fast drying to improve rack turnover
- Maintains performance in soft to moderately hard water
- Reliable liquid formulation for everyday high-temp operations

### PRODUCT INFORMATION

Product Line: **Warewash**  
 Category: **Rinse Aid**  
 Matter: **Liquid**  
 Color: **Blue**  
 Scent: **Solvent Odor**  
 pH: **4 - 6**
