

# RINSE PLUS

## HARD WATER PERFORMANCE FOR HIGH TEMPERATURE SYSTEMS

RINSE PLUS is a high temperature rinse aid specifically formulated to perform in hard water environments. Designed to combat mineral-related spotting and film, it enhances drying efficiency and helps maintain the appearance of glassware, flatware, and dishware in challenging water conditions.

### FEATURES & BENEFITS

- Formulated for high temperature commercial dishmachines
- Designed to perform in hard water and other difficult water conditions
- Helps reduce mineral spotting and film buildup
- Promotes consistent drying and improved tableware appearance
- Effective against iron

### PRODUCT INFORMATION

Product Line: **Warewash**  
 Category: **Rinse Aid**  
 Matter: **Liquid**  
 Color: **Orange**  
 Scent: **Solvent Odor**  
 pH: **4 - 6**
