GREEN'R Easy All

Ready-to-use all purpose degreaser

- **ULTRA-DEGREASING**
- **FOOD CONTACT APPROVED**
- **GRAPEFRUIT FRAGRANCE**

GREEN'R offers an answer to the new, ecological hygiene standards with an extensive range of well-performing eco labelled products. The products are nontoxic and do not harm the environment. Even in lower doses and at lower temperatures they show impeccable results and maximum efficiency while saving on water, transportation costs and packaging.

PROPERTIES

GREEN'R Easy All is a very effective multi-purpose degreasing cleaner. Ready to use, in manual use, this food contact approved, ecological cleaner ensures an effective cleaning and degreasing of all washable surfaces (stainless steel, worktops, hoods, tables, walls, doors...) without leaving traces. It acts quickly and leaves a very pleasant sweet and fruity smell. It is ideal for cleaning kitchen surfaces. It is suitable for cleaning all washable surfaces (including food). GREEN'R Easy All has a very low impact on the environment but has a high performance.

INSTRUCTIONS FOR USE

GREEN'R Easy All is applied pure by direct pulverization (a light pressure is enough) on the surface. Rinsing with water is mandatory for surfaces likely to come into contact with foodstuffs.

CHARACTERISTICS

- Yellow perfumed liquid
- pH (20°C): 10.5 - 11.4
- Density (20°C): 1.017

ENVIRONMENT

It is important to respect the dosage and the lowest recommended temperature to minimize energy and water consumption and to reduce water pollution. 100% recyclable packaging. Dispose of the packaging through the waste collection system. For professional use only.

LEGISLATION

This product complies with:

Regulation (EC) No 1272/2008 on classification, labelling and packaging of substances and mixtures (CLP Regulation). The product is packaged and labelled according to the criteria laid down in this Regulation.

Regulation (EC) No. 648/2004 on detergents (Detergents Regulation). The surfactant(s) contained in this preparation complies(comply) with the biodegradability criteria as laid down in this Regulation.

Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH). All substances in this product are registered for their use under REACH. The product doesn't contain any candidate Substance of Very High Concern. A Safety Datasheet compliant with REACH is available to the user upon request.

STORAGE

Storage between 5 and 40°C

Shelf life: 36 months

PACKAGING

12x 750 mL spray bottle

2x 5L canister

*Please contact your Christeyns representative for available packaging types in your country.

NON WARRANTY

The suggestions and data in this bulletin are based on information we believe to be reliable. They are offered in good faith but without guarantee, as conditions and methods of use of our products are beyond our control. We recommend that the prospective user determines the suitability of our products on an experimental basis before adopting them in a real-life situation. Please contact our technical representatives for more information.
