DESTAINEX

Mild Solvent Pre-Spotter or Post-Spotter

Destainex is an extremely concentrated, safe, easy-to-use mild solvent product that can be used as a pre or post-spotter. Depend on by high school, college and professional sports teams.

- Safe and easy to use
- Extremely concentrated product, which makes it economical to use
- Recommended for athletic, hospitality, and shirt laundries
- Solvent combination enhances soil removal
- Good suds action in soft and hard water
- A booster for removal of fats and oils
- Special resistance to effects of high water hardness and high bicarb
