SOLV-ALL

Ultra-Concentrated Solvent Pre-Spotter or Post-Spotter

Solv-All is a highly concentrated solvent pre- and post-spotter which is specifically designed to help eliminate stains from heavy soiled linens. Ideal for athletic apparel, especially effective for stains found on football uniforms.

- Unique combination of three solvents & four surfactants which enhances stain removal
- Used as a pre- and post-treatment product
- Recommended for athletic, hospitality, and shirt laundries
- Extremely concentrated product; economical to use
- Used by high school, college and professional sports teams
