

SUPER-SOFT

HIGH-PERFORMANCE FABRIC SOFTENER

SUPER-SOFT is a highly concentrated liquid fabric softener designed for hospitality, healthcare, and commercial laundry operations where a higher level of softness and fabric quality is expected. Its high-performance formulation lubricates fibers to deliver exceptional softness and fluffiness while improving the overall feel and quality of laundered fabrics, making it especially well suited for towels, linens, and other guest-facing textiles.

FEATURES & BENEFITS

- Delivers exceptional softness, fluffiness, and fabric feel
- Designed to meet the softness requirements demanded by luxury hotels and resorts.
- Lubricates fibers and accelerates the ironing process
- Enhances the nap and overall quality of towels and linens
- Concentrated formulation provides economical cost-in-use
