

FLO-NEW

NEUTRALIZING LAUNDRY SOUR

FLO-NEW is a non-phosphate liquid laundry sour designed for healthcare, hospitality, industrial and commercial linen operations. Formulated for reliable performance in demanding laundry environments, FLO-NEW provides rapid neutralization and is especially well suited for hard water conditions.

FEATURES & BENEFITS

- Provides rapid, effective neutralization of residual alkalinity
- Exhibits iron control properties to help prevent fabric staining
- Effective where soluble and insoluble iron is a concern
- Non-phosphate formula performs well in hard water
- Designed for liquid-feed systems using a separate fabric softener
