

BATHROOM CLEANER PRO

SYNTHETIC LOW ACID BATHROOM CLEANER

Bathroom Cleaner Pro is a non-fuming formula boasts a mild acidity for powerful yet gentle cleaning. Its thick consistency clings effortlessly to vertical surfaces, allowing for more time to mop or swab before rinsing away stubborn stains on toilets, urinals, shower stalls, and more. A concentrated formula ensures every drop goes a long way, providing exceptional effectiveness while offering a safer environment for your staff compared to regular low-acid bathroom cleaners. Trust **Bathroom Cleaner Pro** for economical, efficient, and hassle-free cleaning solutions tailored to your business needs.

Features & Benefits
