# Imagining your day

A warm welcome to Everards Farm. Tucked away in Somerset's gentle Mendip Hills, our private 18-acre sanctuary understands that the most meaningful celebrations happen when everything else simply falls away. Here, intimate gatherings and grand celebrations alike find their perfect rhythm.

This is that magical moment when you begin to weave together the many strands that make up your special day. We want to hear your vision, and together, we will explore what makes you uniquely you, and create an experience that feels just right.

However you imagine this iconic day, we're here to make sure that every little detail and every moment feels just as you'd hoped.

Welcome.

Your day, tailored your way. We're on hand with all the expertise, experience and warmth you need to make it unforgettable, and the flexibility to make it perfectly yours.

# The Barn

*150 person*

Where rustic warmth meets contemporary style. Our beautifully restored barn is the perfect backdrop to your day, whether it's a ceremony for 150 followed by a marquee reception or breakfast for 100 seated guests. Flexible interiors adapt to your vision, staged areas create natural focal points, and our mobile bar solution and lighting ensure every moment feels purposefully crafted. Our recently added Cruck Tent further opens up the space and allows for important additions such as a band and a dance floor.

# The Great Hall

60 person

Our oak-panelled Great Hall makes the perfect setting for the most meaningful moments. With a soaring vaulted ceiling and exceptional acoustics, this dramatic room is designed for intimate ceremonies that feel grand in scale. With space for 60 guests, you're immersed in centuries of character with perfectly positioned entrances on both sides that make for the most theatrical of arrivals.

# Private grounds

## *The Events Field*

*200 person maximum*

For those who love the great outdoors, our level, hard-grassed field is the perfect blank canvas. With single and three-phase power, water, and WiFi, there is more than enough space to bring your marquee wedding to reality without compromise. Whatever your idea and budget, we can help bring it all together beautifully.

## *The Reception Courtyard*

Nestled between The Great Hall and The Barn lies your own private suntrap (fingers crossed) - a courtyard where those first sips of champagne taste that little bit sweeter. Our integrated music system ensures conversations flow with ease while the external Corten log burner creates those warming gathering spots.

Hettie, our charming vintage Citroën HY champagne and prosecco van is on hand to bring a little unexpected delight to your reception.

## *Landscaped Grounds & Lake*

Our beautifully manicured grounds offer the kind of ceremony backdrop that makes those photographs pop - natural beauty with no filter. Woodland areas offer space for quiet contemplation and natural photography and our pygmy goat enclosure brings a moment of rural joy to the glam proceedings.

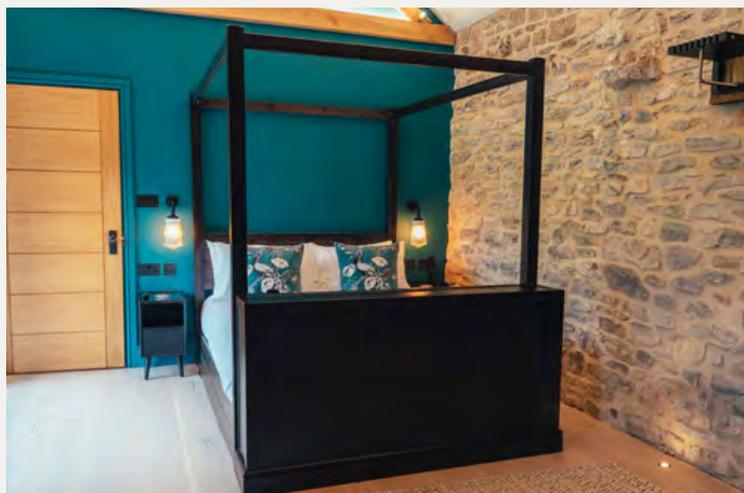

## *Finer Details*

Once you've booked to exclusively hire our 18-acre stunning estate, our Wedding Co-ordinator will be on hand to support you at every step of your wedding planning journey and when the big day arrives.
