

Invitation for Summer Participation in the United States of Kindness

Superintendent Letter

Subject: A Summer Invitation to Take the United States of Kindness Challenge

Dear Students and Families,

This summer, our district is inviting families to take part in the United States of Kindness challenge, a nationwide effort encouraging individuals to complete 250 Acts of Kindness in 2026 in honor of America's 250th anniversary.

Acts of kindness can happen anywhere. They may take place at home, in the neighborhood, or in everyday interactions with others. Small moments matter, and when they add up, they help strengthen our communities.

To help families participate, the United States of Kindness website includes ideas for acts of kindness, a challenge board, and a color-by-number tracker that students can use throughout the summer.

To get involved:

- Sign up to take the challenge: www.USofKindness.org/getinvolved
- Explore the resources here: www.usofkindness.org/resources
- Follow United States of Kindness on Facebook and Instagram @USofKindness for ideas and updates throughout the summer.

This fall, our district will be bringing the United States of Kindness into our schools with activities and resources designed to encourage positive culture, connection, and service. The summer challenge is a simple way for families to begin now.

We hope you will consider joining this effort and helping make kindness visible in our community.

Sincerely,

Invitation for Summer Participation in the United States of Kindness

Newsletter / Email to Families

This summer, our school is inviting students and families to take part in the **United States of Kindness challenge**.

In honor of America's 250th anniversary, people across the country are committing to complete **250 Acts of Kindness in 2026**. Acts can be big or small and can happen at home, in your neighborhood, or anywhere you see an opportunity to help someone else.

To make it easy to get started, sign up on the [United States of Kindness website](#) and check out [the resources like](#) ideas for acts of kindness, a challenge board, and a color-by-number tracker students and families can use over the summer.

Follow United States of Kindness on social media for ideas and updates: [Facebook](#) and [Instagram](#) @USofKindness

This fall, our district will be bringing the United States of Kindness to our schools with activities and resources for students. This summer challenge is a simple way to get started.

We look forward to sharing stories of kindness when school begins again.
