Panama Jack

Umbrellas

Since 1974, the Panama Jack® brand has been committed to bringing the feeling of fun, adventure, and the relaxed lifestyle of the tropics to people everywhere. Simple and classic, a timeless combination of old world style and new world charm comes to life in our Panama Jack® Outdoor collections.

The residential Panama Jack® umbrella collection is available in 5 fun colors: Red, Orange, Teal, Blue, and Grey. The umbrellas are constructed with tubular extruded aluminum and powder-coated frame and steel ribs for added strength. Made with an outdoor polyester fabric, and a convenient tilt mechanism to block the sun from any direction.

It is important to close umbrellas during heavy rain storms and high winds to prevent damage.

- Aluminum frame with steel ribs
- Easy assembly
- We recommend umbrella to be closed and stored when not in use
- Clean with mild soapy water and soft brush
