**Panama Jack®**

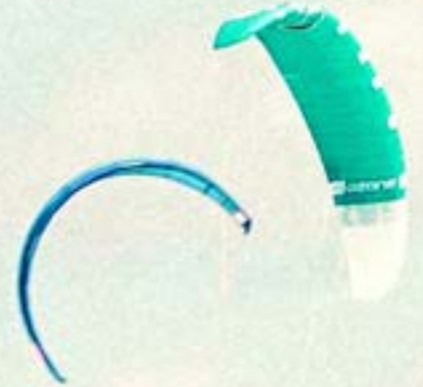

**Hey there, Sun Lover,**

**Can you believe it? We've been basking in the sun  
together for 50 years. That's 50 years of  
adventures, relaxation and an eternal summer  
mindset.**

**Every summer has a story, and ours began with  
our very first bottle of lotion on a Florida beach in  
1974. Fast forward through countless sunsets and  
here we are, still soaking up every golden ray  
together. While we can't help but reflect on the  
multitude of stories that have unfolded under the  
sun, we're not just reminiscing, we're gearing up  
for more. More adventures, more laughs, and yes,  
more of those unbeatable sun-kissed moments  
that make life truly spectacular.**

**Thank you for every moment, every memory, and  
every adventure you've shared with us. Let's keep  
this ride going, shall we? The sun's out and the  
world awaits. Here's to you, us, and to a future  
filled with sunshine.**

**Endless thanks, Panama Jack**
