- Deadline for the expressions of interest: October 1, 2026, at 17:00

PARTNER INFORMATION

▪ **Description of the Legal Entity:**

- Higher Education ☐
- Research Institution ☐
- Public Administration ☐
- Industry / SME ☐
- NGO ☒
- Other: ☐

Please specify:

▪ **Description and expertise of the team:**

FemTech Portugal (<https://www.femtechportugal.com/>) is a non-profit foundation dedicated to advancing women's health innovation in Portugal, operating in close articulation with FemTech Spain across both Iberian ecosystems, and the rest of international femtech networks (<https://femtechacrossborders.com/>). Our network connects 200+ members across digital health and women's health startups, researchers, clinicians and investors.

The founding team brings 45+ combined years across health innovation, corporate multinationals (EY), accelerators (Unicorn Factory Lisboa), innovation agencies(Luxembourg) and venture capital. Core competencies: market intelligence on women's health (proprietary sector mapping, investment and trend data across Portugal and Europe); gender-responsive data quality (clinical dataset bias, representativeness in research, special- category data under GDPR, and AI Act implications for digital health developers); stakeholder recruitment and mobilization; early-stage founder support, acceleration and mentorship; and dissemination through trainings, webinars and founder programs.

▪ **Potential role in the project:**

- Technology provider ☐
- Data provider ☒
- Research ☐
- Training ☒
- Dissemination ☒
- Other: ☒

Please specify: Community engagement / stakeholder mobilization; gender-responsive data quality review, Investment strategy

Expertise / competence needed in case of searching for Project Partners: A coordinating entity with financial and administrative capacity (co-financing capability), plus technical/technology partners for platform and infrastructure delivery. Complementary expertise in EHDS technical implementation and health data interoperability.

▪ **Other areas of interest for collaboration:**

Women's health data representativeness; femtech ecosystem building; founder training and capacity building; cross-border Iberian and European women's health networks.

▪ **Already experience in EU funded projects as a:**

- Coordinator: ☐ YES ☒ NO
- Partner: ☒ YES ☐ NO

▪ **Project experience and track record:**
