WORKFORCE **ACCOMMODATION**

YOUR WORKERS ARE OUR PRIORITY

www.trepang.com.au

OVERVIEW

ALL-IN-ONE ACCOMMODATION SOLUTIONS

Comfortable and convenient workforce accommodation is just the beginning. We tailor accommodation packages to meet your company's needs - solutions are available for short-and long-term stays for workforces of up to 1500 people.

Sit back, relax, and let us manage all coordination and administration for your workers, to ensure they enjoy a healthy, balanced lifestyle and 24-hour support. Dedicated frontline professionals are on hand to help wherever needed, and a formal feedback process is in place to handle all requests in a timely and professional manner.

Our extensive onsite office space is also available for your team. Flexible facilities available as a conference or training venue, for board meetings, video conferencing or as an alternative to onsite temporary offices.

THREE IMMACULATE ACCOMMODATION VILLAGES

Bladin Accommodation Village includes three beautifully landscaped accommodation villages spread across one site. These villages are strategically designed to allow flexibility to our clients with the opportunity for exclusive or combined use depending on the workforce volume.

Village A – 516 Rooms

Village B – 234 Rooms

Village C – 700 Rooms

Each village contains all the amenities required to operate independently of each other including reception, dining hall, commercial kitchen tavern, laundries, swimming pool and gym as well as various other activity and recreation rooms. Although they standalone they are inter-connected via walkways, bridge links and pedestrian crossings. There are also common use sporting fields and outdoor gyms available to all clients across the site.

OUR SERVICES

CATERING

With an emphasis on local produce and healthy eating, our menu caters to a broad range of tastes. The dining hall offers breakfast & dinner with a vast selection of fresh wholesome meals. A crib room is located adjacent to the dining hall for guests to travel through and collect their lunch on their way out to work.

TRANSPORT

Bladin Accommodation Village offers bespoke transport options to our guest between worksites, the airport as well as social buses to various drop off points in and around Darwin. Each Village has a dedicated transport area providing shade cover to protect our guests from the elements.

LAUNDRY

In addition to our free self-service laundromats we also offer a laundry service to busy guests that prefer the convenience of having their personal laundry done by our expert staff in our onsite commercial laundry.

HEALTH & FITNESS

We are committed to ensuring that residents have the facilities and support to lead a healthy lifestyle, balanced lifestyle. Each Village has its own dedicated gym & outdoor exercise areas for guests to enjoy.

PARK & RIDE OFFICE ACCOMMODATION & LAYDOWN AREAS

Extensive carparking is available for local hire workers or contractors to travel to the village, leave their vehicles and utilise the communal transport to site.

Fully furnished office space is available with all the IT infrastructure in place to plug and go. There are also several spaces across the property to conduct inductions and training, these areas can be particularly useful during inclement weather to improve productivity.

In addition to this we have a logistics hub that has a 60 bay bus carpark with crib room and toilet facilities as well as vast laydown areas available for machinery and supplies.

CONSCIOUS BUSINESS MANAGEMENT

Bladin Accommodation Village operates within the framework of our comprehensive Implementation & Operation Plan (IOP) and in accordance with all legislation including HSE & OH&S and Fair Work requirements. We embrace our corporate and social responsibilities in all interactions with local workers, guests and the community.

We have strong focus on ATSI training and employment initiatives and a commitment to the economic and social development of the region. Our focus is honed by the fact we are 100% Northern Territory owned and operated, our staff and their families are members of the Darwin community therefore this commitment manifests naturally as we are recipients of positive change.
