#### Scholarships

**Income based scholarships based on honor code**

\* **Tier 5** -- If you would like to contribute to CCR's "scholarship fund", simply add whatever additional amount you can with your payment and we'll allocate the extra funds toward a scholarship!

#### Leadership Pathways program

CCR has transitioned to a Leadership Based Organization delivering opportunities to our students in Middle to High School. These opportunities include community service opportunities as robotics team mentors, interns, and paid summer employment. We also offer opportunities to attend STEM events, field trips, seminars and more! For those in high school, we include impact volunteering positions, paid program management positions and summer employment; We also offer resume development, letters of recommendation, college prep, internship assistance, and scholarship opportunities!
