

Important Update

We're Now Using **Kido** for Your Child's Safety

Dear Parents,

- Our daycare is now using KIDO, a simple system that helps make sure every child arrives safely each morning.
- Each child has a KIDO tag on their briefcase. When the tag is scanned at drop-off, your child is automatically checked in.
- If a child isn't checked in within 30 minutes after playgroup starts, KIDO calls the parent — and if there's no answer, it automatically calls the father, Calls will come from 845.209.1388.
- **Please make sure your child's KIDO tag stays on their briefcase at all times.**

With KIDO, parents and teachers can relax knowing every child is safely where they should be.

Kido

Peace for parents, safety for daycares
