Dr Allan Johnston to Sue Hooton and Owen Cotterell

WHAT IS SELF-HARM... AND WHY DO PEOPLE DO IT?

WHAT IS SELF-HARM...

Self-harm is when somebody intentionally damages or injures their body. It's usually a way of coping with, or expressing difficult feelings or overwhelming emotional distress. It is more common than people might think.

Although it is known that self-harm occurs more commonly in females, self-harm is experienced by both males and females. 10% of young people are reported to self-harm.

WHY DO PEOPLE SELF-HARM?

People have explained self-harm as a way to...

EXPRESS
SOMETHING THAT
IS HARD TO PUT
INTO WORDS

TURN
INVISIBLE
THOUGHTS OR
FEELINGS INTO
SOMETHING
VISIBLE

CHANGE
EMOTIONAL PAIN INTO
PHYSICAL PAIN

REDUCE
OVERWHELMING
EMOTIONAL
FEELINGS OR
THOUGHTS

HAVE A
SENSE OF
BEING IN
CONTROL

ESCAPE
TRAUMATIC
MEMORIES

HAVE
SOMETHING
IN LIFE TO
RELY ON AND
CONTROL

PUNISH
YOURSELF FOR YOUR
FEELINGS AND
EXPERIENCES

STOP
FEELING NUMB OR
DISCONNECTED

CREATE A
REASON TO
PHYSICALLY
CARE FOR
YOURSELF

EXPRESS
SUICIDAL FEELINGS
WITHOUT TAKING MY
OWN LIFE

SELF-HARMING CAN RESULT IN A SHORT-TERM SENSE OF RELEASE, BUT THE CAUSE OF DISTRESS IS UNLIKELY TO GO AWAY. SELF-HARM CAN ALSO BRING UP VERY DIFFICULT EMOTIONS AND HAS THE POTENTIAL TO MAKE YOU FEEL WORSE.

HOW CAN PEOPLE GET HELP FOR SELF-HARM?

SELF-HARM IS OFTEN AN INDICATION THAT A PERSON NEEDS HELP WHEN THEY DON'T KNOW WHERE ELSE TO TURN. IN SERIOUS AND UNTREATED CASES, SELF-HARM CAN ALSO INDICATE FEELINGS OF SUICIDE. THINGS THAT MIGHT HELP ARE:

GETTING HELP

<p>TALK</p> <p>Look out for someone you can trust and talk to them. Share how you're feeling and explore other sources of support with them.</p>	<p>IT'S OK TO ASK</p> <p>It's ok to seek help - self-harm is a lot more common than you might think and people are seeking help everyday.</p>	<p>ASK HEALTH WORKER</p> <p>Understand that health workers are available to help. They see people who self-harm regularly and can help you develop a plan to manage your selfharm.</p>	<p>YOUR GP</p> <p>Your GP is able to direct you to support close to home, if you feel able to speak to them.</p>
<p>HELPLINES</p> <p>Confidential helplines are available (see list at the end of this document). They can put you in touch with other people who have been in the same position.</p>	<p>WEB FORUMS</p> <p>There are well managed self-harm forums offering support on the internet. Only use trusted sites (see the list at the end of this document).</p>	<p>WEB AWARE</p> <p>Be aware that there is anonymous and often malicious content on the internet that plays on people's vulnerability and might actually encourage self-harm.</p>	<p>COPING</p> <p>There are many different coping strategies to help with self-harm, and people out there to help you find the right one for you.</p>

WHAT PROFESSIONAL HELP IS AVAILABLE IF I WANT IT?

REMEMBER.. YOU ARE NEVER ALONE
TALK TO A MATE - RING THE HELPLINE - CHECK OUT THESE LINKS

YOU MIGHT BE SCARED OF BEING SEEN AS DIFFERENT FROM OTHERS. STIGMA IS THE SINGLE BIGGEST BARRIER TO SEEKING PROFESSIONAL HELP. NOT FEELING A SENSE OF SAFETY AND TRUST WHEN YOU ARE ACCESSING SUPPORT.

There are many organisations and resources that can help you professionally. These include:
