

Amplify Your Hearing While Protecting Your Vision

Welcome to Your Discount Hearing Plan

As an Avēsis vision member, you're invited to take advantage of a discount hearing plan.

Hearing loss affects about 48 million Americans, and it can have a negative impact on every part of our lives. So why do we wait seven years before talking to a professional about hearing loss?¹

Fortunately, you don't have to.

With Amplifon, you can save an average of 66% off retail², and Amplifon offers free financing to those that qualify.

Risk-free, 60-day trial – a 100 percent money-back guarantee if you are not completely satisfied with your hearing aid

Comprehensive service program – one year of unlimited follow-up care from a participating Amplifon provider, two years of free batteries, and a three-year warranty with protection from loss or damage

With thousands of high-quality, name-brand hearing aids available at Amplifon clinic locations, Avēsis members across the country obtain affordable and convenient hearing health care. From start to finish, highly individualized guidance helps ensure that each person's needs are met.
