Welcome

We care about curating flower arrangements for you to say farewell and pay tribute to a loved one.

This brochure of our stock photos, helps you to see some of the designs we can produce for you from coffin sprays, wreaths, posies, crosses, letters, baskets and even individual stems ideal for the graveside. We also sell a comprehensive range of memorial items.

And our modern luxury artificial flower arrangements provides an everlasting memory, and to hire too.

We will ensure your flowers are good quality, freshly ordered and created by our talented florists. Talk to your funeral director for options what to do with the flowers after the funeral to get the most value from your investment.

You can place your order over the phone, by email, via our website contact form or instore. We accept cash, or card payments. Once ordered, we will ensure they are delivered to your funeral director or you can collect them from our beautiful store in Minehead.
