Dear Parents,

As we begin this new year of Catholic education, our school is excited to help your family discover the treasures of the Catholic faith by sharing a very special gift: a subscription to the Formed digital library.

Formed.org is a subscription-based digital platform developed by the Augustine Institute, a Catholic apostolate dedicated to the New Evangelization. It offers access to a continually expanding library of more than 8,000 pieces of faith-focused content. Rooted in a commitment to the Great Commission—Christ's call to "go and make disciples of all nations"—the platform equips parishes, schools, individuals, and families to go out and share Christ's love with the world.

We will use video, audio, and eBook content from Formed.org throughout this school year.

We invite you to please create an account on Formed using the steps outlined here so your child—and entire family—can access these resources. This subscription is a gift from us to you. If you have any questions, please don't hesitate to reach out. God has a great plan for our community this year!

In Christ,
