I am writing (this letter) regarding these exceptional people who are immersed in the Navi Illustrated project, headed by Reb Shlomo Mermelstein. I do not doubt that these illustrations will assist those who want to study the Navi. This is the meaning of the Pasuk *וְהָיָה עֵינֶיךָ רֹאֶת אֶת מוֹרִיךְ* - “And your eyes shall see your teacher.” (Yeshayahu 30:20).

However, it is essential to exercise great care, and therefore the project should be placed under the rabbinical supervision of a respected and well-recognized authority, such as Rabbi Kraus Shlit”a—who can provide meticulous oversight and ensure everything proceeds with due diligence.

With this, I give my absolute Bracha, with a tremendous hope that there will be a drastic increase in those who will learn the holy Navi with outstanding strength and power through this project. Through this, we will fulfill our Tefillah of *וְהָאֵל עֵינֵינוּ בְּתוֹרַתְךָ* “and enlighten our eyes with your Torah” and see Yerushalayim in its glory.

With Appreciation and Hope,

Yitzchok Menachem
