Report Details

All fiat values and prices are in EUR unless otherwise stated. Where shown, market prices are determined using the average market value at the time of the acquisition/disposal unless the price is otherwise provided by the trading platform (or is manually overridden). All dates and times are in the "Europe/Berlin" timezone.

Where a market price and therefore a market value can not be retrieved for an asset, 'N/A'(Not available) will be displayed. For the purpose of calculating totals, 'N/A' will be considered 0.
