

Our drinks are built on three things —
Harmony, Place, and Spirit.

Harmony is where it begins.

The balance of flavour that moves beyond the glass —
into the kitchen, the plate, and the conversation at the table.

Every sip should feel in tune with the food,
the mood, and the people around it.

Place gives each drink its soul. From the vineyards where grapes are
grown, to the stills where spirits take shape — every ingredient tells a
story of origin and keeps us curious

And then there's **Spirit**. That's pure Tigerfish — a flash of heat, a hint of
mischief, and the spark that keeps the night going.

Together, these ideas shape everything we pour — drinks that are
vibrant, connected, and just the right amount of wild.

COCKTAILS

Inspired by the flavours of Southeast Asia and the rhythms of the coast, each cocktail finds harmony between sweet, sour, salty and spirit. They're made to dance with our food, fuel conversation, and remind you why you went out in the first place.

Tigerfish House Punch 22

Brandy, Peach, Oolong Tea, Honey, Lemon

Our riff on the 1848 Fish House classic from Philadelphia. Fruity and refreshing with a crisp tannic finish. Topped with our house-made peach tea honey liqueur and cranberry caviar — like sunshine in a tall glass.

Junmai Ginger Martini 21

Angelfish Gin, Junmai Ginjo Sake, Dolin Dry Vermouth, Pink Ginger Brine

A Tigerfish twist on the dirty martini — briny, bold, and a little cheeky. WA gin meets sake and pink ginger brine for a savoury, umami-driven finish. For lovers of picklebacks and perfectly dirty martinis.

Azul Spumoni 19

Blanco Tequila, Select Aperitivo Bitter, Pink Grapefruit Juice, Soda

An 80's Japanese classic built for sun and sea. Bitter, bright, and thirst-quenching. If you vibe on Negronis or Americanos, this is your daytime fling.

Cherry Possum 22

Angelfish Gin, Cherry Heering, Davidson Plum Tea, Lemon

Our local love letter to Japan's 1923 Cherry Blossom. WA gin, Davidson plum, and black cherries dusted in plum powder — a little nostalgic, a little naughty, and very Tigerfish.

Rum Shiso Smash 23

White rum, Shiso Syrup, Lime

Shiso, the Southeast Asian cousin of basil, brings sharp, mint-meets-bitter energy to this modern smash. Garnished with fresh shiso leaf and apple-lime caviar. Limited serves daily.

High Five Fizz 24

Pineapple rum, House-Made Yogurt Liqueur, Pineapple juice, yogurt and tonic foam

A playful nod to Tokyo's legendary Bar High Five. Ours brings WA white cane spirit, pineapple-lemongrass sherbet, and creamy house yogurt liqueur — like a tropical milk punch with a wink.

Toki Yuzu Ginger Highball 18

Toki Whiskey, Yuzu, House-Pickled Ginger, Soda

Our monthly highball series celebrates the art of the long drink. This round features Japanese whisky, yuzu, and pickled ginger — crisp, aromatic, and built for sunsets.

We love a challenge! Classic Cocktails on Request. If we have the ingredients, we'll make it.

SAKE LIST | CUP, FLASK & BOTTLE

Sake is the quiet achiever – nuanced, soulful, and endlessly expressive. Born from rice, water, and time, it reveals the artistry of restraint and precision. From bright and effervescent to deep and umami-rich, each pour tells its own story – a reflection of the land, the hands that shaped it, and the moment you raise your glass. At Tigerfish, we pour it with intention — to flow with our food, spark connection, and as a reminder that balance can be just as powerful as boldness.

Sparkling Sake スパークリング酒 *Sparkling sake is either bottle-fermented like Champagne or gently carbonated before bottling. It's lively, refreshing, and often lower in alcohol.*

Heiwa Shuzō 'KID' Sparkling Sake

7.5 / - / 70

A fine, mousse-like fizz with aromas of pear, melon, and rice pudding. The palate is clean and slightly creamy, with a gentle sweetness balanced by refreshing acidity.

Junmai 純米 *Junmai (meaning "pure rice") sake is made with only rice, water, yeast, and kōji — no added alcohol. It tends to show umami depth, savoury complexity, and texture. It's the bridge between rustic comfort and refined balance.*

Miwasakura Shuzō 'Omusubi'

12 / 27 / 96

Earthy and rounded with notes of steamed rice, chestnut, and dried mushroom. A gentle acidity carries a savoury, slightly smoky finish.

Miyako-Bijin Shuzō 'Brown Label'

92

Full-bodied with subtle nut and caramel tones, balanced by bright mineral freshness. A touch of spice and cocoa on the finish.

Junmai Ginjo 純米大吟醸 *Junmai Ginjo sake uses rice polished to at least 60%, producing aromatic, elegant styles with a lifted fruit profile. These sakes are known for balance, purity, and finesse.*

Kidoizumi Shuzō 'Shizenmai Hanafubuki'

96

Expressive and slightly wild — stone fruit, white flowers, and gentle lactic tang. A lively, natural fermentation gives texture and a savoury edge.

Fukuchiyo Shuzō 'Nabeshima YN'

128

Delicate yet vibrant, showing melon, green apple, and a soft, silken palate. The finish is clean and persistent with whispering minerality

SAKE (CONT)

Junmai Daiginjo 純米大吟醸酒 *The highest grade of sake, using rice polished to 50% or more. Junmai Daiginjo is graceful, perfumed, and precise — showcasing craftsmanship and purity.*

Ota Shuzō 'Dokan' Daiginjo

18 / 40 / 144

Elegant and floral, with hints of pear, jasmine, and white peach. Fine texture and lingering finish reminiscent of soft mineral water.

Miyoshino Jozo 'Hanatomoe Dai Dai'

110

Bright citrus and tropical fruit nose balanced by savoury depth. Slightly textural with a clean, lifted acidity

Nigori (Cloudy Sake) *Nigori ("cloudy") sake retains some of the rice solids after pressing, creating a creamy, textured mouthfeel. Usually slightly sweet with tropical or lactic flavours, it's playful, textural, and crowd-pleasing.*

Mukai Shuzō 'Kyo no Haru' Nigori

13 / 29 / 106

Milky, soft, and aromatic with notes of coconut, banana, and steamed rice. Creamy on the palate yet finishes refreshingly dry.

Aka (Red Rice Sake) *Brewed from ancient red rice varieties, Aka sake develops a natural rose tint and complex nutty, berry-like flavours. It's savoury, earthy, and slightly oxidative — a unique style bridging sake and light red wine.*

Mukai Shuzō 'Ine Mankai' Red Rice Sake

17 / 38 / 136

Vivid rose hue with aromas of wild strawberry, walnut, and soy. Rich, tangy, and slightly tart with long umami finish.

Koshu (Aged Sake) *Koshu means "aged." These sakes are matured — often for several years — to develop nutty, oxidative flavours. The result is amber-hued and complex, showing caramel, soy, and dried fruit notes. Similar to a sherry or Madeira in structure.*

Akishika Shuzō 'Kobo #7' (2016)

216

Amber gold in colour, with aromas of roasted nuts, toffee, and mushroom. Deeply savoury palate balanced by elegant acidity and length.
Serve room temperature in small wine glass

FEATURE PRODUCERS

(GLASS 100ML POUR)

The Legacy

J. J. Prüm

Joh. Jos. Prüm is one of the Mosel's most revered legacy producers, a benchmark estate whose name is synonymous with purity, precision, and timeless Riesling. For generations, the Prüm family has shaped the identity of Mosel wine, with vineyards in some of the region's most hallowed sites, including Wehlener Sonnenuhr and Graacher Himmelreich. Each vintage is a masterclass in restraint and refinement, expressing terroir through clarity rather than power.

Today, under Katharina Prüm, the estate continues its proud tradition while subtly evolving within the modern era. The wines remain ethereal, finely etched, and age-worthy—hallmarks of a producer whose influence spans decades. Prüm's unwavering commitment to craftsmanship, balance, and vineyard expression ensures its legacy as the defining voice of classic Mosel Riesling.

The Vanguard

Alexandra Künstler and Konstantin Weiser are the visionary duo behind **Weiser-Künstler**, a 4.8-hectare micro-estate in Traben-Trarbach that has become one of the Mosel's most distinctive voices. Since 2005, they've revived old, ungrafted vines on steep, terraced slopes in the Enkircher Ellergrub, farming organically and rebuilding the landscape by hand with deep respect for its history.

Their minimalist, hands-off winemaking and biodynamic principles have made them vanguards of authenticity in the Mosel. The resulting Rieslings are vivid, textural, and deeply expressive of place—tiny-production wines that stand apart for their honesty, purity, and soulful individuality.
