Invoicing

International participants are invoiced as a group. The invoice is sent in the end of march.

Camp assignment

All participants that are 15 years and older will have a camp assignment during the camp. In the registration you can share your assignment preferences. More information about this will be shared later.

Questions in the registration form - General information

These questions are mandatory and shall be answered by all participants. In one of the questions, you have to enter your age group. Register to the same age group as the others in your scout group since this will affect the programme during the camp. If a group of scouts falls between two age categories, we recommend choosing the category they belong to this spring.

When you have registered you will get a registration confirmation. If you have not gotten an registration confirmation, contact glanta2026@scout.fi.
