North Shore Lodge

Our lodge is at the center of Northern Ontario's fishing mecca on Eagle Lake. North Shore Lodge is located at the east end of the main basin of Eagle Lake and is the hub of Eagle's fantastic fishing. From your cabin door, you will be able to view some of the best fishing waters in creation.

No need to go far to catch fish! Since North Shore Lodge is centrally located on Eagle Lake, you can easily explore the many arms and bays this sprawling lake offers. Each arm and bay offers different habitat, water clarity and depths to entertain and challenge any adventurous angler.

The fishing is incredible, not only one species of fish, but for many. Enjoy world class **WALLEYE**, **MUSKIE** and **PIKE** fishing that is always better than the year before. Plus have the opportunity to catch **BASS** and **PERCH**.
