

MOON

At SANA, every cocktail is more than a drink — it is an invitation to step into a different space, a moment where tradition meets imagination. Crafted in Moon Bar, inspired by the flavors and stories of Uzbekistan, each creation follows its own inner logic: vibrant botanicals, unexpected pairings, and subtle layers that echo both heritage and modernity. Our bar is a journey through contrasts — fresh yet familiar, playful yet precise — designed to transport you beyond the everyday and into a world where taste becomes experience.
