

# Ripple.

## Collection Locker Product Range

# Simple and Secure, Click and Collect Solution.

## Strong, Steel Construction

Manufactured in-house by our team, the locker features a weatherproof steel frame with reinforced doors & anchor points.

## Simple Pin Lock System

Simply reset the PIN after each use using a master code or key - no complicated management system required.

## Three Point Bolting Lock

The custom-developed three-point locking system keeps your items safe from tampering.

## Create your own

Choose from a number of styles and apply your own branding to make your locker unique.

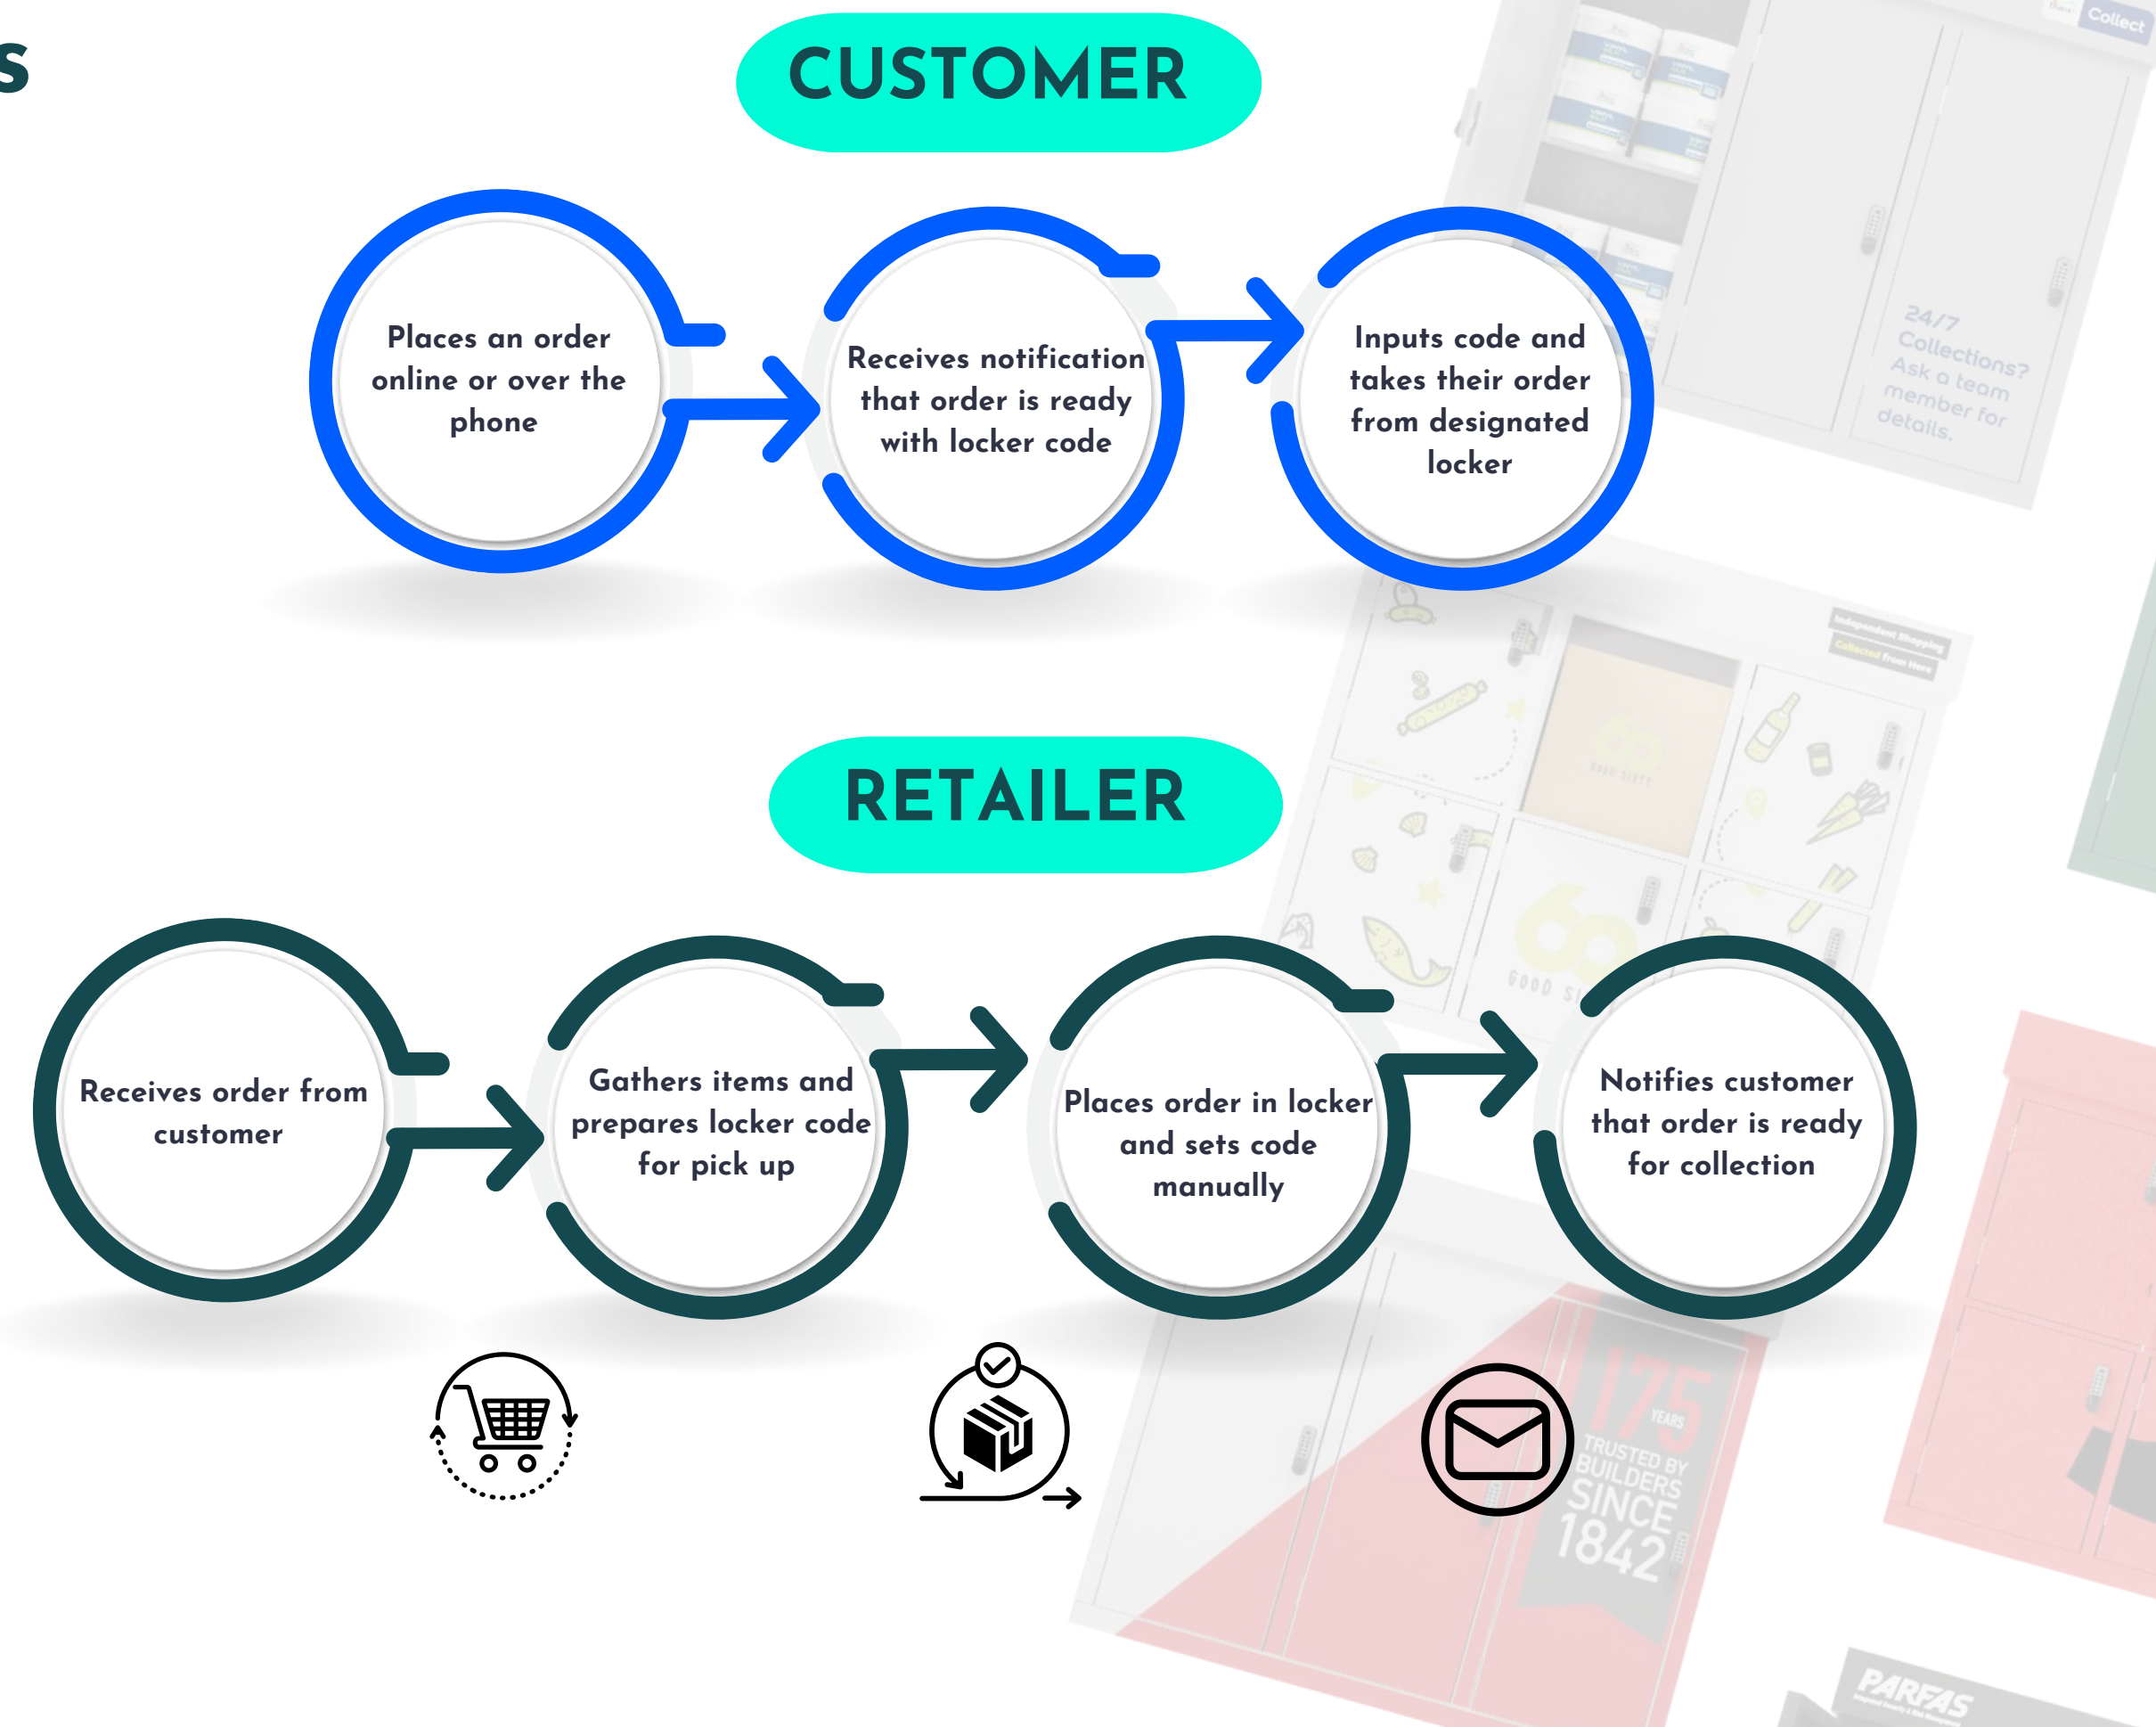

# Make Trade Pick-Ups Easier.

## A Step-by-Step Guide.

More than **half** of UK consumers opt for lockers for online delivery.

Retail Economics, 2024

# Perfect for Merchants and Trade, Made in the UK.

Our range of lockers cater to almost all types of product, from **trade paints** to **lengths of conduit**, **rolls of cable** and **small boxes**. We've considered all areas of trade merchants to make sure that we have a product suitable for any business.

The collection lockers are manufactured on-site in the UK. With a design team in-house, if a standard locker doesn't suit your product, **we can design one** to suit your exact needs.
