ORIGINAL SERIES FOR CORPORATE CLIENTS

Where important conversations become original series.

Your creative and production agency
for original series.

CONCEPT. FORMAT. PRODUCTION.

Hire Brand Studio by MODEx to develop and produce a four-, six-, or eight-episode original series for your company. We lead the concept, format, creative direction, and production. Your company covers all project costs through an agreed scope and budget.

Give your expertise a platform that works for your business.

Build authority around an issue your company understands. Strengthen relationships with customers and industry partners. Turn executive expertise into a series of conversations your team can use across marketing, sales, and internal communications.
