Important things to keep in mind as you review this Schedule of Benefits:

- This Schedule of Benefits is part of your Benefit Booklet, where more detailed information about your benefits can be found.
- NetworkBlue is the panel of Providers designated as In-Network for your plan. You should always verify a Provider's participation status prior to receiving Health Care Services. To verify a Provider's specialty or participation status, you may contact the local BCBSF office or access the most recent BlueOptions Provider directory on our website at www.floridablue.com. If you receive Covered Services outside the state of Florida from BlueCard® participating Providers, payment will be made based on In-Network benefits.
- References to Deductible are abbreviated as "DED" and references to In-Network are abbreviated as "INN".
- Your benefits accumulate toward the satisfaction of Deductibles, Out-of-Pocket Maximums, and any applicable benefit maximums based on your Benefit Period unless indicated otherwise within this Schedule of Benefits.

Group Administrative Provisions

Introduction

Thank you for choosing Blue Cross and Blue Shield of Florida's ("BCBSF") **BlueOptions**. For over 50 years, BCBSF has been a leader in health care financing solutions. **BlueOptions** continues this tradition by combining the quality coverage and benefits you have come to expect with an innovative and affordable choice of Providers.

References to "we", "us", and "our" throughout this Group Master Policy refer to BCBSF. We may also refer to ourselves from time to time as "BCBSF."

If you are an employer and have purchased this coverage for your employees, and their covered dependents, you have established an employee welfare benefit plan ("Group Plan"). This document ("Group Master Policy" or "Policy") is evidence of the existence of the Group Plan and describes the rights and obligations which you and BCBSF have with respect to the coverage and benefits to be provided by BCBSF.

In exchange for your payment of the Premium, we agree to provide the coverage and benefits specified in the Benefit Booklet which is attached to and made a part of this Group Master Policy. The health care coverage and benefits to be provided under this Group Master Policy will be subject to all the requirements set forth in this Policy, including the Benefit Booklet and any Endorsements issued by BCBSF.

This Group Master Policy is divided into two parts. The first part contains various administrative and other provisions relating to your agreement with us. You should make sure that you read and understand these provisions as they describe important obligations applicable to you and us. The second part of the Group Master Policy is the Benefit Booklet. The Benefit Booklet describes the coverage, benefits, exclusions, and limitations under this Group Master Policy. The Benefit Booklet includes the Schedule of Benefits, any applicable Enrollment Forms, and any Endorsements to the Benefit Booklet or the Group Master Policy. Any Endorsements issued by us modifying the Benefit Booklet or the first part of this Group Master Policy are also part of this Group Master Policy.

Definitions

Certain terms defined in the first part of the Group Master Policy are also used and defined (for the convenience of Covered Persons) in the Benefit Booklet. If a word or phrase starts with a capital letter, it is either the first word in a sentence, a proper name, a title, or a defined term. In addition to the definitions set forth in the Benefit Booklet, the following terms apply to this Group Master Policy:

Anniversary Date means the date, one year after the Effective Date, stated on the Group Application and subsequent annual anniversaries or such other date as mutually agreed to in writing by the parties.

Covered Employee means an Eligible Employee, or other individual, who meets and continues to meet all applicable eligibility requirements and who is enrolled, and actually covered, under the Group Master Policy other than as a Covered Dependent (See the Eligibility Requirements for Covered Employees subsection of the Eligibility for Coverage section for further information).

Covered Dependent means an Eligible Dependent who meets and continues to meet all applicable eligibility requirements and who is enrolled, and actually covered, under the Group Master Policy other than as a Covered Employee (see the Eligibility Requirements for Dependent(s) subsection of the Eligibility for Coverage section for further information).

Covered Person means a Covered Employee or a Covered Dependent.

Effective Date means, with respect to the Group, 12:01 a.m. on the date specified on the Group Application. With respect to individuals covered under this Policy, 12:01 a.m. on the date the Group specifies that the coverage will commence as specified in the Enrollment and Effective Date of Coverage section of the Benefit Booklet.

Eligible Dependent means a Covered Employee's:

1. legal spouse under a legally valid, existing marriage; or
2. natural, newborn, Adopted, Foster, or step child(ren); or
3. a child for whom the Covered Employee has been court-appointed as legal guardian or legal custodian;

who meets and continues to meet all of the eligibility requirements set forth in the Eligibility for Coverage section in the Benefit Booklet.

Eligible Dependent also includes a newborn child of a Covered Dependent child. Coverage for such newborn child will automatically terminate 18 months after the birth of the newborn child. Refer to the Eligibility for Coverage section for limits on eligibility.

Eligible Employee for purposes of this Group Master Policy means an individual who meets and continues to meet all of the eligibility requirements set forth in the Eligibility Requirements for Covered Employees subsection of the Eligibility for Coverage section in the Benefit Booklet and is eligible to enroll as a Covered Employee. Any individual who is an Eligible Employee is not a Covered Employee until such individual has actually enrolled and been accepted for coverage as a Covered Employee by us.

Enrollment Forms means those BCBSF forms, electronic (where available) or paper, which are used to maintain accurate enrollment files under the Group Master Policy.

Grace Period means the ten (10) day period beginning on the date the Premium is due.

Group means the employer, labor union, trust, association, partnership, corporation, department, other organization or entity through which coverage and benefits are issued by us, and through which Covered Employees and Covered Dependents become entitled to coverage and benefits for the Covered Services described herein.

Note: References to "you" or "your" throughout the first part of the Group Master Policy also refer to the Group. References to "you" or "your" in the Benefit Booklet refer to Eligible Employees, Eligible Dependents, Covered Employees and/or Covered Dependents depending on the context and intent of the specific provision.

Group Master Policy means this document which is the agreement between the Group and us whereby coverage and benefits will be provided to Covered Persons. The Group Master Policy includes the Benefit Booklet (including the Schedule of Benefits), the Group Application, Enrollment Forms, and any Endorsements to the Benefit Booklet or the Group Master Policy.

Premium means the amount required to be paid by the Group to us in order for there to be coverage under this Policy.

Waiting Period means the period of time specified on the Group Application, if any, which must be met by an individual before that individual is eligible to enroll for coverage under this Policy.

Terms of the Group Master Policy

This Group Master Policy shall become effective as of the Effective Date provided that:

1. BCBSF accepts your Group Application; and
2. you pay the required initial Premium specified by us.

This Policy shall continue in effect until the first Anniversary Date following the Effective Date unless terminated earlier as permitted by its terms. After the initial term, this Policy shall automatically renew each succeeding year on the Anniversary Date for an additional one-year period unless:

1. at least 45 days prior to such Anniversary Date, you notify us that you do not want the Policy to automatically renew; or
2. it is terminated as permitted by its terms.

If this Policy renews as specified above, all of its terms and provisions (including the Premium due) shall govern coverage, as of the Anniversary Date, unless we give written notice of a modification or revision to you at least 45 days prior to the Anniversary Date. In the event that we give such written notification, you may elect not to renew this Policy effective as of the Anniversary Date by giving us written notice at least 10 days prior to the Anniversary Date. If you fail to give us written notice as required, this Policy shall renew on the Anniversary Date with the modified or revised terms. Nothing in this subsection shall prohibit us from amending, at the time of renewal, the coverage and benefits to be provided by us. We may modify the Premium at any time in accordance with the applicable provisions of this Policy.

Prior Carrier Responsibilities under an Extension of Benefits

Your prior carrier, if any, may be required to provide certain benefits to certain individuals covered by this Policy under an extension of benefits provision. We are not responsible for the payment of any claims which are payable under any extension of benefits provision in the prior carrier's plan.

Commencement of Coverage

Our coverage, in accordance with the terms of this Policy, begins on the Effective Date (see the Enrollment and Effective Date of Coverage section in the Benefit Booklet). We are not required to pay for health care expenses incurred prior to the Effective Date.

Voluntary Termination by the Group

The Group may terminate this Policy at any time by giving us at least 45 days prior written notice. Coverage will not be provided on or after such termination date. Nothing in this subsection shall affect a Covered Person's right to an extension of benefits, if applicable, in accordance with the Extension of Benefits section in the Benefit Booklet.

Conditions of Renewal and Termination

This Policy is conditionally renewable. This means that it automatically renews each year on your Anniversary Date unless terminated earlier in accordance with its terms. We may terminate this Policy or refuse to renew it if:

1. you fail to pay Premiums in accordance with its terms or we have not received timely Premium payments;
2. you perform an act, or engage in any practice, that constitutes fraud or make an intentional misrepresentation of material fact; or

3. you fail to comply with a material provision which relates to rules for Group contributions or Covered Employee participation.

If we decide to either terminate the Policy or not renew it, based on one or more of the circumstances mentioned above, we will give you at least 45 days advance written notice except in the case of failure to pay Premiums. Refer to the "Termination By Us for Non-Payment of Premium" subsection.

Termination Based on Discontinuation of Form

We may decide to discontinue this form, which means this Policy is terminated, but may do so only if:

1. we cease to offer this form in the large-group market in accordance with the Florida Insurance Code;
2. we provide notice to all groups and individuals having coverage under this form of the discontinuation of this form at least 90 days prior to the date of non-renewal; and
3. we offer to all groups having coverage under this form the option to purchase any other insurance form currently being offered for purchase by us in the large-group market.

Termination Based on Discontinuation of all Policies in Large-Group Market

We may terminate this Policy if we elect to terminate all of the policies we have issued in the large-group market in this state. In that case, we will provide notice, at least 180 days prior to the date of non-renewal, to the Florida Department of Insurance and to all large groups and each Covered Employee. If we terminate coverage pursuant to this provision, any unused Premium will be returned to you.

Termination by Us for Non-payment of Premium

This Policy will automatically terminate as of the applicable Premium due date if we do not receive the full Premium payment prior to the end of the Grace Period (see the Grace Period subsection of the Payment Provisions section). In the event of such a termination you are obligated to pay the following:

1. any portion of the Premium due for coverage provided by us prior to termination;
2. the amount of any payments made by us for health care expenses incurred by persons who were covered under the policy; and
3. any amounts otherwise due us.

We will mail to you a written notification prior to 45 days after the date the Premium is due that this Policy has terminated. This notification will tell you the reasons for termination.

Notification of Termination to Covered Employees

It is your responsibility to immediately notify each Covered Employee of termination of this Policy for any reason.

Representations Made By, and Obligations of, the Group

In agreeing to provide coverage in accordance with the terms of this Policy, we rely on the representations which you made when you applied for coverage with us and your representation that you have authority to act on behalf of all Covered Employees and Covered Dependents with respect to the Group Plan. Consequently, every act by, agreement with, or notice given to you, will be binding on all Covered Persons. You agree that you will offer to all Eligible Employees the opportunity to become a Covered Employee under the Group Plan. While you may require a Covered Employee to pay a portion

of the Premium due us, you agree that you will contribute toward the cost of coverage which you purchased.

You agree that, if requested by us, you will distribute to Covered Persons the Benefit Booklet (and any Endorsements to it) and other coverage materials.

Effective Date for Eligible Employees

Subject to the eligibility requirements set forth in the Eligibility for Coverage section in the Benefit Booklet (and any Endorsements), an Eligible Employee becomes eligible for coverage on the next Premium due date following the satisfaction of any Waiting Period established by you, provided the appropriate Enrollment Form is submitted to us within 30 days of the date the Eligible Employee first meets the applicable eligibility requirements. The designated Waiting Period is shown on the Group Application which you submitted to us.

Group Payment Provisions

Monthly Invoice

We will prepare a monthly invoice of the Premium which is due on or before the due date. This monthly Group invoice may also reflect any charges and credits resulting from changes in the number of Covered Persons and changes in the types of coverage that took place in the previous or current month.

If you become aware that a Covered Person will become ineligible, you must provide us with written notice of such ineligibility on or before the date that the individual is, or will become, ineligible. If a Covered Person becomes ineligible for coverage for any reason, you are specifically required to provide written notice to us of such ineligibility no later than 10 days after such ineligibility. In the event that you do not comply with the notice requirements, you shall be liable to us for the Premium due for any individual for which we make claims payments under this Group Master Policy.

You must pay the total amount of the Group invoice, minus any deletions for Covered Employees who became ineligible for coverage during the current month. Do not add names to a Group invoice, change coverage, or pay for an employee whose name does not appear on the invoice. No changes can be made to a Group invoice unless an applicable signed Enrollment Form is on file and submitted to us.

Other than as specifically set forth in this Group Master Policy, BCBSF is not obligated to provide coverage or benefits for any individual(s) for whom Premium has not been received by BCBSF in advance or to refund Premiums paid on behalf of any individual who was then listed on our Enrollment Records as a Covered Person.

Premium Payment Due Date

The first Premium payment is due before the Effective Date of the Policy. Each following Premium payment is due monthly unless you agree with us on some other method and/or frequency of Premium payment. The Premium is due and payable on or before the first day of each succeeding calendar month to which such payments apply, unless you agree with us to have the 15th day of each month as the Premium payment due date.

Grace Period

This Group Master Policy has a ten (10)-day Premium payment Grace Period which begins on the date the Premium payment is due. If we do not receive the required Premium payment on or before the date it is due, it may be paid during this Grace Period. Coverage will stay in force during the Grace Period. If Premium payments are not received by the end of the Grace Period, coverage will automatically terminate effective as of the applicable due date.

Changes in Premium

We may modify the amount of Premium at any time after the initial term. We shall provide at least 45 days prior written notice to you of any such change. Premium payments submitted to us following receipt of any such written notice of change constitutes your acceptance of any such change. You must immediately notify each Covered Employee of any such change which affects the Covered Employee's financial contribution requirement.

If an increase in Premium takes place on a date other than the Premium payment due date, a pro-rated increase will be applied from the date of the increase to the next payment due date. If a decrease in Premium takes place on a date other than the Premium payment due date, a pro-rated credit will be

granted. The pro-rated credit will apply for the decrease from the date of the decrease to the next Premium payment due date.

Other Rules Regarding the Payment of Premiums

1. In the event we do not receive Premium payment prior to the applicable due date, we reserve the right to suspend payment of claims for Health Care Services rendered to a Covered Person, on or after the applicable Premium due date.
2. We are not required to retroactively terminate this Policy or coverage for any Covered Person.

General Group Provisions

Administration

You must provide us with any information we need to administer the coverage and benefits to be provided or needed to compute the Premium due. While this coverage is in force, we have the right, at any reasonable time, to examine your records on any issues necessary to verify information provided by you.

Assignment and Delegation

You may not assign, delegate or otherwise transfer this Group Master Policy and the obligations hereunder without our written consent. Any assignment, delegation, or transfer made in violation of this provision shall be void. We may assign, delegate or otherwise transfer this Policy to our successor in interest or an affiliated entity without your consent at any time.

Membership Provision

As a holder of an insurance policy issued by us, you are a member of BCBSF. As such you have all the rights, privileges, and obligations provided in the Articles of Incorporation and our Bylaws currently in force and as may be amended from time to time.

The annual meeting of the members shall be held for the purpose of electing the Board of Directors and transacting such other business as may be properly brought before the meeting.

At all meetings of our members, each member shall be entitled to cast a number of votes equal to the amount of Premiums attributed to such member in the month of record, as determined by us (e.g., a Premium of \$27.36 in that month will be equal to 27.36 votes). All proxies shall be filed with our Secretary before the meeting at which the proxy is to be voted.

Changes to the Group Master Policy

No person may change, modify, or revise the written terms or provisions of this Policy unless such change is made by a written Endorsement signed by a one of our duly authorized officers. This is the only manner in which a change may be made to this Policy. For example, no employee or agent of BCBSF or the Group can change or waive the written terms or provisions of this Policy except as stated in the first sentence of this paragraph.

Enrollment Records

1. Furnishing and Maintaining Enrollment Records:

You must provide any information required by us for the purpose of creating and maintaining enrollment records, processing terminations, and recording changes in family status. In addition, you and each Eligible Employee must submit accurate and complete Enrollment Forms on a timely basis. You are responsible for collecting the Enrollment Forms, reviewing them for accuracy and completeness, and forwarding them to BCBSF, along with the applicable Premium payment. All enrollment record information, which is relevant to the eligibility or coverage status of any individual, must be made available to us for inspection and copying upon request.

2. Errors or Delays:

Clerical errors or delays by us in maintaining enrollment records regarding Covered Persons will not invalidate coverage which would otherwise be validly in force, or continue coverage which would otherwise be validly terminated, provided you have furnished us with timely and accurate enrollment

information. Errors or delays by you in furnishing accurate enrollment information to us will not affect our right to strictly enforce any and all eligibility requirements. You are liable to us for any claims payments made by us on behalf of any individual who was not eligible for coverage at the time the Health Care Service was rendered.

Entire Agreement

This Group Master Policy sets forth the exclusive and entire understanding and agreement between the parties and shall be binding upon all Covered Persons, the parties, and any of their subsidiaries, affiliates, successors, heirs, and permitted assignees. All prior negotiations, agreements, and understandings are superseded hereby. No oral statements, representations, or understanding by any person can change, alter, delete, add or otherwise modify the express written terms of the Group Master Policy, which includes the terms of coverage and/or benefits set forth in the Benefit Booklet, the Schedule of Benefits, and any Endorsements.

Financial Responsibilities of the Group

We reserve the right to recover any benefit payments made to or on behalf of any individual whose coverage has been terminated. Our recovery efforts may relate to benefit payments made for Health Care Services rendered subsequent to the Covered Person's termination date and prior to the date notice of coverage termination is required to be made by you. Your cooperation and support of such recovery efforts is required.

Indemnification

You shall hold harmless and indemnify BCBSF against all claims, demands, liabilities, or expenses (including reasonable attorney's fees and court costs), which are related to, arise out of, or are in connection with, any of your acts or omissions, or acts or omissions of any of your employees or agents, in the performance of your obligations under this Policy. We are not your agent, nor are you our agent, for any purpose.

Benefit Booklet

We will provide a Benefit Booklet and Identification Card for each Covered Employee. The Benefit Booklet will describe the coverage and benefits to be provided to Covered Persons by us.

Representations on the Group Application and the Enrollment Forms

We rely on the information which you and your Eligible Employees provide to determine whether to issue coverage; the appropriate Rate and financing method; and eligibility for coverage. All such information must be accurate, truthful, and complete. Statements made on the Group Application and the Enrollment Forms are representations and not warranties.

We may cancel, terminate, or void this Policy if the information which you provide is fraudulent, or if you make an intentional misrepresentation.

Reservation of Right to Contract

We reserve the right to contract with any individuals, corporations, associations, partnerships, or other entities, for assistance with the servicing of coverage and benefits to be provided by us, or obligations due, under this Group Master Policy.

Service Mark

You, on behalf of the Group and your Covered Employees, hereby expressly acknowledge your understanding that the Group Master Policy constitutes a contract solely between you and us. We are an independent corporation operating under a license with the Blue Cross and Blue Shield Association, an association of independent Blue Cross and/or Blue Shield Plans (the "Association"), permitting us to use the Blue Cross and Blue Shield Service Mark in the State of Florida and that we are not contracting as the agent for the Association. You further acknowledge and agree that you have not entered into this contract based upon representations by any person other than us and that no person, entity, or organization other than us shall be held accountable or liable to you for any of our obligations created under this Policy. This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other provisions of this Policy.

Third Party Beneficiary

The Group Master Policy under which this Benefit Booklet was issued was entered into solely and specifically for the benefit of BCBSF and the Group. The terms and provisions of the Group Master Policy shall be binding solely upon, and inure solely to the benefit of, BCBSF and the Group, and no other person shall have any rights, interest or claims thereunder, or under this Benefit Booklet, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. BCBSF and the Group hereby specifically express their intent that health care Providers that have not entered into contracts with BCBSF to participate in BCBSF's Provider networks shall not be third-party beneficiaries under the Group Master Policy or this Benefit Booklet.

Group Medicare Secondary Payer Provisions

In order to ensure compliance with the applicable Medicare laws, you are required to advise us, without delay, of any Covered Person who will be, or is, covered under Medicare prior to or immediately following the date such Covered Person becomes so covered (e.g., prior to the Covered Person's 65th birthday). Additionally, you are required to advise us, without delay, of the Medicare status of any Medicare beneficiary who applies for coverage, prior to such individual's Effective Date. **You shall indemnify and hold us harmless to the extent of any liability, including attorneys' fees and costs, that results directly or indirectly from your failure to so advise us.**

In any circumstances under which the Medicare statute requires that coverage under the Policy be primary for any Covered Person, you MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to such Covered Person. Also, you MAY NOT induce such Covered Person to decline or terminate his or her group health coverage and elect Medicare as primary payer.

Working Elderly

If you employ 20 or more persons for 20 or more weeks of the current or preceding Calendar Year, or if you are a member of a multi-employer group health plan that includes at least one employer with 20 or more employees, the Policy provides primary coverage for employees and/or their spouses, age 65 or older, who are covered under the Policy, pursuant to the following terms:

1. You shall provide us, without delay, the names of employees, age 65 or older:
 - a) who are covered under the Policy;
 - b) who are employed (not retired);
 - c) who have not elected Medicare as primary payer of their health insurance claims; and
 - d) who are not eligible for Medicare due to end stage renal disease (ESRD).
2. You shall also provide us, without delay, the names of spouses, age 65 or older, of current employees of any age:
 - a) who are covered under the Policy;
 - b) who have not elected Medicare as primary payer of their health insurance claims; and
 - c) who are not eligible for Medicare due to ESRD.

The names required to be provided as set forth above, along with any other identifying information requested by us, shall be provided to us on or before the 65th birthday of the employee or spouse or on or before such later date when the individual enrolls with us.

3. For an enrolled individual who meets one of the descriptions set out in paragraph 1 or 2 directly above, we will provide group health coverage, as set forth in the Benefit Booklet, on a primary basis beginning with the first day of the month in which the individual attains age 65 or the date of enrollment, if the individual is 65 or over at the time of enrollment.
4. Individual entitlement to primary coverage under this subsection will terminate automatically:
 - a) for a current employee, age 65 or older, when he or she elects Medicare as the primary payer or when he or she becomes eligible for Medicare due to ESRD;
 - b) for the spouse, age 65 or older, of a current employee of any age, when the spouse elects Medicare as the primary payer or when the spouse becomes eligible for Medicare due to ESRD.

You are required to provide us, without delay, the names of any current employees or spouses of such employees, age 65 or older, who choose Medicare as primary payer of their health insurance claims or who become eligible for Medicare due to ESRD.

Under Medicare, you MAY NOT offer, subsidize, procure or provide a Medicare supplement insurance policy to such individual. Also, you MAY NOT induce such individual to decline or terminate his or her group health coverage and elect Medicare as his or her primary payer.

5. Entitlement of the employee and/or spouse to primary coverage under this subsection will terminate automatically when:

- a) the employee retires; or
- b) the employee no longer meets the employer eligibility requirements.

You are required to notify us, without delay, of the retirement or reduction to a part-time schedule of any employee who has received primary coverage pursuant to this subsection or whose spouse has received primary coverage pursuant to this Working Elderly subsection.

6. The primary coverage described in this subsection will not be provided in the case of a group that is a member of a multi-employer group health plan where that group has fewer than 20 employees and the plan has elected treatment of that group's employees under the exception for small employers described at 42 U.S.C. §1395y(b)(1) (A)(iii).

Note: You must immediately report to us changes in the number of employees to fewer than 20 employees or from fewer than 20 employees to 20 or more employees, including pertinent changes in multi-employer group health plans.

Individuals With End Stage Renal Disease

Primary coverage is provided for your current and former employees and/or their dependents who are covered under this Policy and who are entitled to Medicare coverage because of end stage renal disease ("ESRD"), pursuant to the following terms:

1. You are required to provide us, without delay, information, including, but not limited to, the following:
 - a) the names of any individuals who are or will be undergoing a regular course of renal dialysis;
 - b) the names of any individuals who will receive or already have received a kidney transplant;
 - c) the beginning date of such dialysis or the date of such transplant;
 - d) the individual's date of birth, sex, and social security number;
 - e) health insurance claim number;
 - f) relationship of each individual covered to the employee (i.e., employee, employee's spouse, or employee's dependent child);
 - g) reason for Medicare entitlement;
 - h) Medicare Part A effective date;
 - i) employee's social security number;
 - j) contract number;
 - k) current employment status;
 - l) coverage Effective Date;
 - m) coverage termination date;
 - n) group number;

- o) benefits provided (i.e., hospital benefits only, medical benefits only, or all other); and,
 - p) type of coverage provided (i.e., self, family, etc.).
2. For an enrolled individual who is entitled to Medicare coverage because of ESRD, we will provide group health coverage, as set forth in the Benefit Booklet, on a primary basis for 30 months beginning with the earlier of:
 - a) the month in which the individual became entitled to Medicare Part A ESRD benefits; or
 - b) the first month in which the individual would have been entitled to Medicare Part A ESRD benefits if a timely application had been made.

If Medicare was primary prior to the individual becoming eligible due to ESRD, then Medicare will remain primary (i.e., persons entitled due to disability whose employer has less than 100 employees, retirees and/or their spouses over the age of 65). Also, if group health coverage was primary prior to ESRD entitlement, then the Group will remain primary for the ESRD coordination period. For individuals eligible for Medicare due to ESRD, BCBSF will provide group health coverage, as set forth in the Benefit Booklet, on a primary basis for 30 months.

Under Medicare, you MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to such individual or induce such individual to decline or terminate his or her group health coverage and elect Medicare as his or her primary payer.

Disabled Active Individuals

We provide primary coverage to Covered Persons who are covered under this Policy if:

1. you are a part of a health plan that has covered employees of at least one employer of 100 or more full-time or part-time employees on 50 percent or more of its regular business days during the previous Calendar Year; and
2. the Covered Persons are entitled to Medicare coverage because of disability (unless they have ESRD).

Primary coverage, if any, under this subsection of this Policy is also subject to the following terms:

1. You are required to provide us, without delay, with the names of any Covered Persons covered under this Policy, who are entitled to Medicare coverage because of disability (other than those with ESRD), and who have not elected Medicare as primary payer of their health insurance claims, along with any other identifying information requested.
2. For such a Covered Person, we will provide group health coverage, as set forth in the Benefit Booklet, on a primary basis during any month in which that individual meets the description set out in paragraph 1 directly above.
3. Individual entitlement to primary coverage under this subsection will terminate automatically when:
 - a) the individual turns 65 years of age; or
 - b) the individual no longer qualifies for Medicare coverage because of disability; or
 - c) the individual elects Medicare as the primary payer. Coverage will terminate as of the day of such election.

You are required to notify us, without delay, of the occurrence of any of the above events.

Under Medicare, you MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to such individual or induce such individual to decline or terminate his or her group health coverage and elect Medicare as his or her primary payer.

Entitlement of the Covered Person to primary coverage under this subsection will terminate automatically if the Covered Employee no longer qualifies as such under applicable Medicare regulations and instructions.

You shall notify us, without delay, of any such change in status.

Note: You must immediately report to us changes in the number of employees to fewer than 100 employees or from fewer than 100 employees to 100 or more employees.

Miscellaneous

1. This Medicare Secondary Payer Provisions section shall be subject to, modified if necessary to conform to or comply with, and interpreted with reference to, the requirements of federal statutory and regulatory Medicare Secondary Payer provisions as those provisions relate to Medicare beneficiaries who are covered under this Policy.
2. We will not be liable to you or to any individual covered under this Policy due to any nonpayment of primary benefits resulting from any failure of performance of your obligations as set forth in this section.
3. If we should elect to make primary payments covering services rendered to Covered Persons described in this section in a period prior to receipt of the information required by the terms of this section, we may require you to reimburse us for such payments. Alternatively, we may require you to pay as additional Premium the rate differential that resulted from your failure to provide us with the required information in a timely manner.
4. You shall indemnify and hold us harmless to the extent of any liability that we may be charged with on account of improper primary Medicare payments that were made as a result of any failure of performance of your obligations as set forth in this section.

Note: You are subject to the federal laws described in this section. Individuals with questions regarding their rights under those laws should direct their questions to you.

COBRA Administrative Services Provisions

The following rules apply if the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, apply to you.

Your Obligations

1. You are responsible for all aspects of the administration of COBRA with respect to the group health coverage provided by the Group Plan.
2. You specifically delegate to us the right to designate an administrator (COBRA Administrator) to perform COBRA administration responsibilities as provided in the Obligations of the COBRA Administrator subsection set out below.
3. You delegate the COBRA administration responsibilities to the COBRA Administrator designated by us as specified in such Obligations of the COBRA Administrator subsection.
4. **You retain responsibility for the following COBRA administrative duties:**
 - a) You will complete and provide all notices and Enrollment Forms to the Covered Persons (including the initial notice of COBRA rights) required under COBRA, using forms or sample forms provided by the COBRA Administrator.
 - b) You will provide a copy of the Enrollment Form to the COBRA Administrator at the same time that it is sent to the beneficiary(ies).
 - c) You will determine the applicable Premium for qualified beneficiaries in accordance with this Policy with us.
 - d) You will remit Premiums to us on behalf of the qualified beneficiary until we receive notice from the Group that such beneficiary is no longer entitled to COBRA coverage.
5. By entering into the Policy, you agree to indemnify and hold us and the COBRA Administrator, including any directors, officers, employees, and agents harmless against any and all claims, lawsuits, settlement, judgments, costs, taxes, and expenses, including reasonable attorneys' fees directly resulting from or arising out of your failure to perform COBRA administration responsibilities not delegated to the COBRA Administrator.
6. Upon receipt of notice from us that a COBRA Administrator is not designated pursuant to the Obligations of the COBRA Administrator subsection to then perform COBRA administration for the Group, you shall resume responsibility for all COBRA administration.

Our Obligations

1. On behalf of the Group, we may designate a COBRA Administrator to perform the COBRA administration responsibilities specified in the Obligations of the COBRA Administrator subsection and may enter into a contract with the COBRA Administrator for that purpose. In this event, it is understood that:
 - a) The COBRA Administrator is not our agent.
 - b) We are not responsible for the COBRA Administrator's performance of the duties as specified in the Obligations of the COBRA Administrator subsection.
2. We, on behalf of the Group, will allocate part of the fees charged to the Group to the COBRA Administrator for the services provided in the Obligations of the COBRA Administrator subsection, and will authorize the COBRA Administrator to retain the COBRA administration fee charged to the qualified beneficiaries.

3. We are not the plan administrator or plan sponsor for purposes of COBRA and have no responsibility for your COBRA administration obligations except for the designation of a COBRA Administrator pursuant to Paragraph 2 of the Your Obligations subsection.
4. To the extent required by COBRA, and upon timely receipt of Premiums and proper Enrollment Forms, we will provide coverage to the qualified beneficiaries after the period that their coverage would normally cease under the Group Plan.
5. We will not be responsible for determining whether a Covered Person is eligible to receive continuation coverage; such determination is based on the requirements of COBRA and the procedures established by the COBRA Administrator if then designated.
6. If you or the Covered Person fails to meet any obligations under the Group Plan and COBRA, we will not be liable for any claims of the Covered Person after his/her termination of coverage.

Obligations of the COBRA Administrator

1. The person or entity designated by us to be the COBRA Administrator pursuant to Paragraph 2 of the Your Obligations subsection shall be responsible for the following functions:
 - a) Determining application of COBRA to the Group;
 - b) Receiving COBRA election forms from beneficiaries;
 - c) Maintaining records of COBRA continuation coverage Premiums;
 - d) Billing and collecting Premiums from COBRA beneficiaries;
 - e) Providing notification of nonpayment of COBRA continuation coverage Premiums;

 - g) Remitting COBRA continuation coverage Premiums to the Group;
 - h) Establishing and maintaining records of COBRA continuation coverage;
 - i) Providing necessary forms, materials, and manuals to the Group;
 - j) Establishing procedures to verify eligibility for COBRA coverage;
 - k) Developing all correspondence and notices to COBRA beneficiaries;
 - l) Providing a reasonable level of customer service with respect to its COBRA responsibilities;
 - m) Retaining and maintaining confidentiality of records, as required by law, providing an adequate disaster recovery program, and providing reasonable access to the records by the Group;
 - n) On termination of its responsibilities as COBRA Administrator for the Group, furnishing to the Group or its agent all records necessary for continued administration of the Group's COBRA responsibilities.
2. The COBRA Administrator is not responsible for notifying Covered Persons or any other parties entitled to notices with regard to COBRA continuation coverage rights, or for providing them with Enrollment Forms.
3. The COBRA Administrator designated pursuant to Paragraph 2 of the Your Obligations subsection shall agree to indemnify the Group and us, and their directors, officers, employees and agents against any and all claims, lawsuits, settlements, judgments, costs, taxes and expenses, including reasonable attorneys' fees, directly resulting from or arising out of the failure of the COBRA Administrator to perform the obligations specified in this Obligations of the COBRA Administrator subsection.

Obligations of the Covered Persons

1. A Covered Person must contact you to determine if he or she is entitled to COBRA continuation of coverage.
2. Covered Persons may elect, if COBRA applies to the Group, to continue their group health coverage if they qualify under one of the circumstances specified in COBRA and satisfy all of the requirements for such coverage including payment of required Premiums.
3. The Covered Person must provide you with all required notices, in the form and within the time period required by COBRA, the Group, and the COBRA Administrator, including but not limited to, notice of:
 - a) Medicare entitlement, divorce or legal separation, or the failure of a Dependent child to meet eligibility requirements of the Group Plan;
 - b) coverage under another group health plan; and
 - c) with respect to the Covered Person's ability to receive additional periods of coverage under COBRA in the event that the Covered person is disabled, a determination by the Social Security Administration that the Covered Person is disabled, or a determination by the Social Security Administration that the Covered Person has ceased to be disabled.

This section shall not be interpreted to grant to any Covered Person any continuation rights in excess of those required by COBRA. Additionally, this section shall be interpreted so as to comply with COBRA and any changes to COBRA that are mandatory with respect to the Group.

BlueCard®

Like all Blue Cross and Blue Shield Licensees, BCBSF participates in a program called “BlueCard”. Whenever a Covered Person accesses Health Care Services outside the geographic area we serve, the claim for those Services may be processed through BlueCard® and presented to us for payment in conformity with network access rules of the BlueCard® Policies then in effect (“Policies”). Under BlueCard®, when a Covered Person receives Covered Health Care Services within the geographic area served by an on-site Blue Cross and/or Blue Shield Licensee (“Host Blue”), we will remain responsible to you for fulfilling our contract obligations. However, the Host Blue will only be responsible, in accordance with applicable BlueCard® Policies, if any, for providing such services as contracting with its participating Providers and handling all interaction with its participating Providers. The financial terms of BlueCard® are described generally below.

Liability Calculation Method per Claim

The calculation of a Covered Person's liability on claims for Covered Health Care Services incurred outside the geographic area we serve and processed through BlueCard® will be based on the lower of the Provider's billed charges or the negotiated price we pay the Host Blue.

The methods employed by a Host Blue to determine a negotiated price will vary among Host Blues based on the terms of each Host Blue's Provider contracts. The negotiated price paid to a Host Blue by us on a claim for Health Care Services processed through BlueCard® may represent:

- i. the actual price paid on the claim by the Host Blue to the health care Provider (“Actual Price”), or
- ii. an estimated price, determined by the Host Blue in accordance with BlueCard® Policies, based on the Actual Price increased or reduced to reflect aggregate payments expected to result from settlements, withholds, any other contingent payment arrangements and non-claims transactions with all of the Host Blue's health care Providers or one or more particular Providers (“Estimated Price”), or
- iii. an average price, determined by the Host Blue in accordance with BlueCard® Policies, based on a billed charges discount representing the Host Blue's average savings expected after settlements, withholds, any other contingent payment arrangements and non-claims transactions for all of its Providers or for a specified group of Providers (“Average Price”). An Average Price may result in greater variation to you and the Covered Person from the Actual Price than would an Estimated Price.

Host Blues using either the Estimated Price or Average Price will, in accordance with BlueCard® Policies, prospectively increase or reduce the Estimated Price or Average Price to correct for over- or underestimation of past prices. However, the amount paid by the Covered Person is a final price and will not be affected by such prospective adjustment.

Statutes in a small number of states may require a Host Blue either (1) to use a basis for calculating the Covered Person's liability for Covered Health Care Services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or (2) to add a surcharge. Should any state statutes mandate liability calculation methods that differ from the negotiated price methodology or require a surcharge, we would then calculate the Covered Person's liability for any Covered Health Care Services in accordance with the applicable Host Blue state statute in effect at the time the Covered Person received those services.

Return of Overpayments

Under BlueCard®, recoveries from a Host Blue or from participating Providers of a Host Blue can arise in several ways, including, but not limited to, anti-fraud and abuse audits, Provider/Hospital audits, credit balance audits, utilization review refunds, and unsolicited refunds. In some cases, the Host Blue will engage third parties to assist in discovery or collection of recovery amounts. The fees of such a third

party are netted against the recovery. Recovery amounts, net of fees, if any, will be applied in accordance with applicable BlueCard® Policies, which generally require correction on a claim-by-claim or prospective basis.

BCBSF Health Care Reform Master Policy Endorsement

This Endorsement is to be attached to and made a part of the Blue Cross and Blue Shield of Florida, Inc. (herein "BCBSF") Master Policy including any Endorsements attached thereto. If you have any questions concerning this Endorsement, please call Blue Cross and Blue Shield of Florida toll free at 800-FLA-BLUE.

ADMINISTRATIVE PROVISIONS

The following new subsection is added:

Employer Obligation to Report Contribution Rate and Changes

If one or more of your plans is considered a "grandfathered health plan" as that term is used under the federal law known as the Patient Protection and Affordable Care Act (PPACA), you agree to provide us with the following information regarding each plan:

- Your current contribution rates by tier of coverage;
- Your contribution rates by tier of coverage that were effective on March 23, 2010; and
- Any changes you make to your contribution rates by tier at any time during the term of this Master Policy. You must report any such contribution rate change to us with at least 30 days advance written notice.

This information is required by PPACA so that we can verify that you continue to maintain grandfathered status. Remember, any change that results in a reduction in contribution by tier of greater than 5 percentage points will cause a loss in grandfathered health plan status.

Employer agreement to transfer upon termination of grandfathered health plan status

You understand and agree that upon loss of grandfathered health plan status we shall, at our sole discretion, either, 1) modify your current health plan to comply with the provisions of PPACA applicable to non-grandfathered health plans; or 2) transfer your health plan to a comparable health plan that is already non-grandfathered. Such modification or transfer shall take place at the date specified by us and may include modified rates.

You agree that any action you take that causes a loss in grandfathered health plan status constitutes automatic consent for us to modify your coverage or transfer your group health plan to a comparable group health plan, as described in the paragraph above. You further agree to any rate change associated with the change in your coverage as a result of the loss of grandfathered health plan status.

GENERAL PROVISIONS

The following new subsections are added:

Grandfathered Health Plan Indemnification

There are certain actions that are solely within your control, as the employer, that can cause a loss in grandfathered health plan status. As such, if you wish to retain grandfathered health plan status, please

recognize that we make no representations that your group health plan will retain grandfathered health plan status where you take unilateral action that may cause a loss in grandfathered health plan status. For example, if you:

- Reduce your contribution percentage by more than 5%;
- Acquire another corporation, or merge another corporation into your health plan solely to add enrollees to your health plans; and/or
- Transfer employees from one health plan to another with no bona fide employment-based reason for the transfer;

You will likely lose your grandfathered health plan status. Since we have no control over the above actions and other such unilateral actions identified in the grandfathering health plan interim final regulations found at 75 FR 34537 (June 17, 2010), as may be amended from time to time, we disclaim all responsibility for compliance with grandfathering health plan rules for such unilateral actions.

You agree to indemnify BCBSF for any and all penalties and/or fines and costs associated therewith for such unilateral actions taken by you that cause a loss in grandfathered health plan status. We encourage you to read the grandfathering health plan rules and work with your attorney to ensure compliance with such rules.

Medical Loss Ratio – Rebates

Federal law requires that BSBSF return that portion of premiums where BCBSF's claims and quality improvement costs fall below a specified minimum Medical Loss Ratio (MLR) for the entire large group market. This return of premium is known as a "rebate". MLR is determined by the federal government and sets a minimum percentage of total premiums that must be attributed to claims and quality improvement expenses. This is calculated in accordance with Section 2718 of the Public Health Services Act ("PHSA"), as added by the Patient Protection and Affordable Care Act (the "ACA" or the "Act") and any promulgated regulations. While we make every effort to meet such MLR, there may be times when we will rebate a portion of the Premium amount to you and/or your Covered Employees in accordance with federal law. Currently, such rebates, if any, are payable by August of the year following the Calendar Year in which our MLR exceeds the then current federal threshold required by Section 2718 of the Act.

In order to properly rebate that portion of Premiums due under federal law you and/or your Covered Employees agree to the following:

1. You, or your authorized representative (e.g., agent, broker, etc.), shall timely cooperate with us in determining that portion of rebate due you and provide all required information for determining your employer size under federal law. This may require you, or your authorized representative, to complete written or electronic questionnaires and report on amounts you may be required to rebate to Covered Employees under paragraph 3, below. Required information may include, but is not limited to, your employee and former employee addresses, whether Premium contributions are collected pre or post tax, and employee social security numbers.
2. You agree that we have the sole right to determine to whom rebates are due and how such rebates shall be provided, e.g., in the form of future Premium credits, by check, or debit card.
3. You agree that BCBSF has the sole right to choose to whom the rebate will be paid. As such, we may rebate the entire amount due to you or choose to rebate the entire amount to your Covered Employees, including your portion of the rebate based upon your contribution toward coverage. Should we choose to rebate the entire amount due to you, you agree to the following:
 - a) If the Group Plan is subject to the Employee Retirement Income Security Act of 1972 ("ERISA"), then you will use the rebate in accordance with the terms of your Plan Document as that term is defined in ERISA, and treat the rebated amount as a Plan Asset as that term is defined in ERISA;

- b) If the Group Plan is not subject to ERISA, you attest, acknowledge and agree that you shall use the rebates for the benefit of the Covered Employees of your Group Plan. You agree to use the rebates in one of the following three ways:
 - i. To reduce subscribers' portion of the annual premium for the subsequent policy year for all subscribers covered under any group health plan offered by the group;
 - ii. To reduce subscribers' portion of the annual premium for the subsequent policy year for only those subscribers covered by the group health plan on which the rebate was based; or
 - iii. To provide a cash refund only to subscribers that were covered by the group health plan on which the rebate is based.
 - c) You shall timely cooperate with any data reporting requirements that we may have for reporting to the federal government the amounts rebated to you and your employees.
4. If we choose to rebate to your Covered Employees directly, you agree that you shall not contest in any formal way, e.g. litigation, our choice to rebate to employees directly. Furthermore, you agree that BCBSF may, in its sole discretion, choose to treat amounts that may be due you as "unclaimed" as that term is defined under any promulgated regulations related to Section 2718 of the Act. If we choose to treat the amount due as "unclaimed", you shall have the right, at any time prior to escheat to the state, to provide the information in paragraph 1 to allow for proper return of such amounts as required by Section 2718 of the Act.
5. You acknowledge and agree that you, or your authorized representative, shall certify all information as true and correct as may be required by us on any forms provided for provision of the requested information in paragraphs 1 through 4 above.

You recognize and agree that this section shall apply to all rebates returned to you on or after June 1, 2012, regardless of which Calendar Year the rebate reflects.

You recognize that appropriately rebating amounts due you and your employees under this section is both complex and requires significant support from you. Failure to correctly rebate may result in fines and/or other penalties being imposed on us. If we are fined for failure to provide rebates, failure to provide rebates in a timely fashion, or failure to provide the appropriate rebates and such fines and/or penalties result from your failure to comply with the provisions of paragraphs 1 through 4, above, you agree to indemnify BCBSF for any such fines, penalties, interest or other amounts due, including any additional rebates due as a result of improper rebating based upon information you provided or failed to provide in accordance with this process. You agree to provide such amounts to us in accordance with any required timeframe imposed upon us by the government for such failure.

GENERAL PROVISIONS

The following **new** subsection is added.

Summary of Benefits and Coverage

Section 2715 of the Public Health Services Act ("PHSA"), as added by the Patient Protection and Affordable Care Act and any promulgated regulations and guidance ("SBC Rules") require group health plans, group health plan administrators, and health insurers offering group health coverage to provide a Summary of Benefits and Coverage ("SBC"). An SBC must be provided to your employees and their dependents, at the following times, and under the following circumstances:

1. upon application for coverage;
2. by the first day of coverage (if there are changes to the SBC after application);
3. to special enrollees;
4. upon renewal; or
5. upon request for an SBC or summary information about health coverage.

Additionally, when a material modification (as defined under section 102 of ERISA) is made to the terms of a plan or coverage occurring outside a renewal or reissuance that would affect the most recently provided SBC, notice must be provided to each person covered under such plan 60 days in advance of the change.

BCBSF will provide you or your designated representative or agent with an SBC for each BCBSF benefit plan you offer for you to distribute to your Eligible Employees and their dependents in accordance with the following:

1. You agree to provide an SBC to your Eligible Employees and their dependents as required by the SBC Rules, within the required time frames, and in compliance with the delivery rules including electronic delivery requirements. The SBC Rules only require providing an SBC to dependents if they live at a different address than the employee.
2. You agree to distribute the SBC in the manner and appearance as specified in the SBC Rules. For example, the SBC must be provided either (1) as a stand-alone document; or (2) in combination with other summary materials (such as a Summary Plan Description (SPD)). The SBC must be intact and prominently displayed at the beginning of any other summary materials (such as immediately after the table of contents in an SPD).
3. You agree to provide a complete and accurate SBC with respect to each benefit plan you offer to your eligible employees and their dependents. For example, you are responsible for creating an SBC for any benefits not insured by BCBSF. To the extent the SBC Rules require you to incorporate such information into a single SBC document you are responsible for incorporating all such information into a single SBC and providing it to your Covered and Eligible Employees and their dependents.
4. You agree to provide notice to your Covered Employees and their dependents 60 days prior to a material modification that affects the most recently provided SBC.

5. You agree to retain records related to the delivery of the SBCs and compliance with the SBC Rules. These records must be made available to BCBSF for inspection and copying upon request.
6. You agree to indemnify and hold BCBSF harmless from any damages, loss, action, claim or suit, including court costs and attorney's fees, arising from, or related to, your failure to provide a complete, accurate and timely SBC to your Covered and Eligible Employees and their dependents in accordance with the SBC Rules.

This Endorsement shall not extend, vary, alter, replace, or waive any of the provisions, benefits, exclusions, limitations, or conditions contained in the Master Policy, other than as specifically stated in the provisions contained in this Endorsement. In the event of any inconsistencies between the provisions contained in this Endorsement and the provisions contained in the Master Policy, the provisions contained in this Endorsement shall control to the extent necessary to effectuate the intent of Blue Cross and Blue Shield of Florida, Inc. as expressed herein.

GENERAL PROVISIONS

The **Medical Loss Ratio Rebates** subsection is amended by deleting the first paragraph in its entirety and replacing it with the following:

Medical Loss Ratio Rebates

Federal law requires that BSBSF return that portion of premiums where BCBSF's administrative cost exceeds a specified Medical Loss Ratio (MLR) for the entire large group market. This return of premium is known as a "rebate". MLR is set by the federal government at 80% for medical expenses and 20% for administrative expenses of total premiums as calculated in accordance with Section 2718 of the Public Health Services Act ("PHSA"), as added by the Patient Protection and Affordable Care Act (the "ACA" or the "Act") and any promulgated regulations. While we make every effort to meet such MLR, there may be times when we will rebate such amount to you and/or your Covered Employees in accordance with federal law. Currently, such rebates, if any, are payable by the date specified by the federal government of the year following the Calendar Year in which our MLR exceeds the then current federal threshold required by Section 2718 of the Act.

GROUP ADMINISTRATIVE PROVISIONS

The following definition is added:

Value-Based Program means an outcomes-based payment arrangement and/or a coordinated care model facilitated with one or more local Providers that is evaluated against cost and quality metrics/factors and is reflected in Provider payment.

BLUECARD® PROGRAM

The Master Policy is amended by deleting the BlueCard section in its entirety and replacing it with the following:

Out-of-Area Services Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees, referred to generally as "Inter-Plan Arrangements." These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever Covered Persons access Health Care Services outside Florida, the claim for those Services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside Florida, Covered Persons obtain care from Providers that have a contractual agreement ("Participating Providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, Covered Persons may obtain care from Providers in the Host Blue geographic area that do not have a contractual agreement ("Nonparticipating Providers") with the Host Blue. We remain responsible for fulfilling our contractual obligations to the Group. Our payment practices in both instances are described below.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

BlueCard Program

The BlueCard Program is an Inter-Plan Arrangement. Under this Arrangement, when Covered Persons access Covered Services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its Participating Providers. The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method Per Claim

Unless subject to a fixed dollar Copayment, the calculation of the Covered Person's liability on claims for Covered Services will be based on the lower of the Participating Provider's billed charges for Covered Services or the negotiated price made available to us by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's Provider contracts. The negotiated price made available to us by the Host Blue may be represented by one of the following:

1. **An actual price.** An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or
2. **An estimated price.** An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the Provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, Provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives; or
3. **An average price.** An average price is a percentage of billed charges for Covered Services in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its Providers or a similar classification of its Providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

Host Blues determine whether or not they will use an actual, estimated or average price. Host Blues using either an estimated price or an average price may prospectively increase or reduce such prices to correct for over- or underestimation of past prices (i.e., prospective adjustment may mean that a current price reflects additional amounts or credits for claims already paid or anticipated to be paid to Providers or refunds received or anticipated to be received from Providers). However, the BlueCard Program requires that the amount paid by the Covered Person is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims. The method of claims payment by Host Blues is taken into account by us in determining the Group's premiums.

Special Cases: Value-Based Programs

We have included a factor for bulk distributions from Host Blues in the Group's premium for Value-Based Programs when applicable under this Master Policy. Additional information is available upon request.

Return of Overpayments

Recoveries from a Host Blue or its Participating and Nonparticipating Providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, audits, utilization review refunds and unsolicited refunds. Recoveries will be applied so that corrections will be made, in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to us, they will be credited to the Group's account. In some cases, the Host Blue will engage a third party to assist in identification or collection of overpayments. The fees of such a third party may be charged to the Group as a percentage of the recovery.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

In some instances federal or state laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax or other fee in determining the Group's premium.

Nonparticipating Providers Outside Florida

When Covered Services are provided outside of Florida by Nonparticipating Providers, our payment will be based on the Allowed Amount, as defined in the DEFINITIONS section of the Benefit Booklet.

BCBS Global™ Core Program

If Covered Persons are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard Service Area"), they may be able to take advantage of the BCBS Global Core Program when accessing Covered Services. The BCBS Global Core Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the BCBS Global Core Program assists Covered Persons with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when Covered Persons receive care from Providers outside the BlueCard Service Area, Covered Persons will typically have to pay the Providers and submit the claims themselves to obtain reimbursement for these Services.

Inpatient Services

In most cases, if Covered Persons contact the BCBS Global Core Service Center for assistance, hospitals will not require Covered Persons to pay for inpatient Covered Services, except for their Cost Share amounts. In such cases, the hospital will submit Covered Person claims to the BCBS Global Core Service Center to initiate claims processing. However, if the Covered Person paid in full at the time of Service, the Covered Person must submit a claim to obtain reimbursement for Covered Services.

Covered Persons must notify us of any non-emergency inpatient Services.

Outpatient Services

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require Covered Persons to pay in full at the time of Service. Covered Persons must submit a claim to obtain reimbursement for Covered Services.

Submitting a BCBS Global Core Claim

When Covered Persons pay for Covered Services outside the BlueCard Service Area, they must submit a claim to obtain reimbursement. For institutional and professional claims, Covered Persons should complete a BCBS Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the BCBS Global Core Service Center address on the form to initiate claims processing. The claim form is available from the BCBS Global Core Service Center or online at www.bcbsglobalcore.com. The Policy is amended as described below. If you have any questions or complaints concerning this Endorsement, please call us toll free at 800-FLA-BLUE.

BLUECARD® PROGRAM

The **BCBS Global Core Program** subsection is deleted in its entirety and replaced with the following.

Blue Cross Blue Shield Global® Core Program

If Covered Persons are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard Service Area"), they may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing Covered Services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists Covered Persons with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when Covered Persons receive care from Providers outside the BlueCard Service Area, Covered Persons will typically have to pay the Providers and submit the claims themselves to obtain reimbursement for these Services.

Inpatient Services

In most cases, if Covered Persons contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require Covered Persons to pay for inpatient Covered Services, except for their Cost Share amounts. In such cases, the hospital will submit Covered Person claims to the Blue Cross Blue Shield Global Core Service Center to initiate claims processing. However, if the Covered Person paid in full at the time of Service, the Covered Person must submit a claim to obtain reimbursement for Covered Services. **Covered Persons must notify us of any non-emergency inpatient Services.**

Outpatient Services

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require Covered Persons to pay in full at the time of Service. Covered Persons must submit a claim to obtain reimbursement for Covered Services.

Submitting a Blue Cross Blue Shield Global Core Claim

When Covered Persons pay for Covered Services outside the BlueCard Service Area, they must submit a claim to obtain reimbursement. For institutional and professional claims, Covered Persons should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global Core Service Center address on the form to initiate claims processing. The claim form is available from the Blue Cross Blue Shield Global Core Service Center or online at www.bcbsglobalcore.com. If Covered Persons need assistance with their

claim submissions, they should call the Blue Cross Blue Shield Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

This Endorsement shall not extend, vary, alter, replace, or waive any of the provisions, benefits, exclusions, limitations, or conditions contained in the Policy, other than as specifically stated in the provisions contained in this Endorsement. In the event of any inconsistencies between the provisions contained in this Endorsement and the provisions contained in the Policy, the provisions contained in this Endorsement shall control to the extent necessary to effectuate the intent of Blue Cross and Blue Shield of Florida, Inc. as expressed herein.

Overview of How BlueOptions Works

Whenever you need care, you have a choice. If you visit an:	
In-Network Provider	Out-of-Network Provider
You receive In-Network benefits, the highest level of coverage available.	You receive the Out-of-Network level of benefits – you will share more of the cost of your care.
You do not have to file a claim; the claim will be filed by the In-Network Provider for you.	You may be required to submit a claim form.
The In-Network Provider* is responsible for admission notification if you are admitted to the Hospital.	You should notify BCBSF of inpatient admissions.

*For Services rendered by an In-Network Provider located outside of Florida, you should notify us of inpatient admissions.

Section 2: What Is Covered?

Introduction

This section describes the Health Care Services that are covered under this Benefit Booklet. All benefits for Covered Services are subject to your share of the cost and the benefit maximums listed on your Schedule of Benefits, the applicable Allowed Amount, any limitations and/or exclusions, as well as other provisions contained in this Booklet, and any Endorsement(s) in accordance with our Medical Necessity coverage criteria and benefit guidelines then in effect.

Remember that exclusions and limitations also apply to your coverage. Exclusions and limitations that are specific to a type of Service are included along with the benefit description in this section. Additional exclusions and limitations that may apply can be found in the “What Is Not Covered?” section. More than one limitation or exclusion may apply to a specific Service or a particular situation.

Expenses for the Health Care Services listed in this section will be covered under this Booklet only if the Services are:

1. within the Health Care Services categories in this “What Is Covered?” section;
2. actually rendered (not just proposed or recommended) by an appropriately licensed health care Provider who is recognized for payment by us and for which we receive an itemized statement or description of the procedure or Service, which was rendered, including any applicable procedure code, diagnosis code and other information we require in order to process a claim for the Service;
3. Medically Necessary, as defined in this Booklet and determined by us in accordance with our Medical Necessity coverage criteria then in effect, except as specified in this section;
4. in accordance with our benefit guidelines listed below;
5. rendered while your coverage is in force; and
6. not specifically or generally limited (e.g., Pre-existing Condition exclusionary period) or excluded under this Booklet.

We will determine whether Services are Covered Services under this Booklet after you have obtained the Services and we have received a claim for the Services. In some circumstances we may determine whether Services might be Covered Services under this Booklet before you are provided the Service. For example, we may determine whether a proposed transplant is a Covered Service under this Booklet before the transplant is provided. We are not obligated to determine, in advance, whether any Service not yet provided to you would be a Covered Service.

In determining whether Health Care Services are Covered Services under this Booklet, no written or verbal representation by any employee or agent of BCBSF, or by any other person shall waive or otherwise modify the terms of this Booklet and, therefore, neither you, nor the Group, nor any health care Provider or other person should rely on any such written or verbal representation.

Our Benefit Guidelines

In providing benefits for Covered Services, we may apply the benefit guidelines listed below as well as any other applicable payment rules specific to particular categories of Services:

1. Our payment for certain Health Care Services is included within the Allowed Amount for the primary procedure, and therefore no additional amount is payable by us for any such Services.
2. Our payment is based on the Allowed Amount for the actual Service rendered (i.e., payment is not based on the Allowed Amount for a Service which is more complex than that actually rendered), and is not based on the method utilized to perform the Service nor the day of the week nor the time of day the procedure is performed.
3. Our payment for a Service includes all components of the Health Care Service when the Service can be described by a single procedure code, or when the Service is an essential or integral part of the associated therapeutic/diagnostic Service rendered.

Section 4: Medical Necessity

In order for Health Care Services to be covered under this Booklet, such Services must meet all of the requirements to be a Covered Service, including being Medically Necessary, as defined by us.

It is important to remember that any review of Medical Necessity we undertake is solely for the purposes of determining coverage, benefits, or payment under the terms of this Booklet and not for the purpose of recommending or providing medical care. In conducting our review of Medical Necessity, we may review specific medical facts or information pertaining to you. Any such review, however, is strictly for the purpose of determining whether a Health Care Service provided or proposed meets the definition of Medical Necessity in this Booklet. In applying the definition of Medical Necessity in this Booklet to a specific Health Care Service, we may apply our coverage and payment guidelines then in effect.

All decisions that require or pertain to independent professional medical/clinical judgement or training, or the need for medical services, are solely your responsibility and that of your treating Physicians and health care Providers. You and your Physicians are responsible for deciding what medical care should be rendered or received and when that care should be provided. We are solely responsible for determining whether expenses incurred for medical care are covered under this Booklet. In making coverage decisions, we will not be deemed to participate in or override your decisions concerning your health or the medical decisions of your health care Providers.

Examples of hospitalization and other Health Care Services that are not Medically Necessary include, but are not limited to:

1. staying in the Hospital because arrangements for discharge have not been completed;
2. use of laboratory, x-ray, or other diagnostic testing that has no clear indication, or is not expected to alter your treatment;
3. staying in the Hospital because supervision in the home, or care in the home, is not available or inconvenient; or being hospitalized for any Service which could have been provided adequately in an alternate setting (e.g., Hospital outpatient department); or
4. inpatient admissions to a Hospital, Skilled Nursing Facility, or any other facility for the purpose of Custodial Care, convalescent care, or any other Service primarily for the convenience of the patient or his or her family members or a Provider.

Note: Whether or not a Health Care Service is specifically listed as an exclusion, the fact that a Provider may prescribe, recommend, approve, or furnish a Health Care Service does not mean that the Service is Medically Necessary (as defined by us) or a Covered Service. Please refer to the Definitions section for the definitions of “Medically Necessary” or “Medical Necessity”.

Section 5: Understanding Your Share of Health Care Expenses

This section explains what your share of the health care expenses will be for Covered Services you receive. In addition to the information explained in this section, it is important that you refer to your Schedule of Benefits to determine your share of the cost with regard to Covered Services.

Calendar Year Deductible

1. Individual Calendar Year Deductible:

This amount, when applicable, must be satisfied by you and each of your Covered Dependents each Calendar Year, before any payment will be made. Only those charges indicated on claims we receive for Covered Services will be credited toward the Individual Calendar Year Deductible and only up to the applicable Allowed Amount. Covered Services, which are subject to a Copayment are not subject to the Calendar Year Deductible.

2. Family Calendar Year Deductible:

Once your family has met the family Calendar Year Deductible, neither you nor your Covered Dependents will have any additional Calendar Year Deductible responsibility for the remainder of that Calendar Year. The maximum amount that any one Covered Person in your family can contribute toward the family Calendar Year Deductible is the amount applied toward the Individual Calendar Year Deductible.

Note: Please see your Schedule of Benefits for more information.

Copayment Requirements

Covered Services rendered by certain Providers or at certain locations or settings will be subject to a Copayment requirement. This is the dollar amount you have to pay when you receive these Services. Please refer to your Schedule of Benefits for the specific Covered Services, which are subject to a Copayment. Listed below is a brief description of some of the Copayment requirements that may apply to your plan. If our Allowed Amount or the Provider's actual charge for a Covered Service rendered is less than the Copayment amount, you must pay the lesser of our Allowed Amount or the Provider's actual charge for the Covered Service.

1. Office Services Copayment:

If your plan is a Copayment plan, the Copayment for Covered Services rendered in the office (when applicable) must be satisfied by you, for each office Service before any payment will be made. The office Services Copayment applies regardless of the reason for the office visit and applies to all Covered Services rendered in the office, with the exception of Durable Medical Equipment, Prosthetics, and Orthotics.

Generally, if more than one Covered Service that is subject to a Copayment is rendered during the same office visit, you will be responsible for a single Copayment which will not exceed the highest Copayment specified in the Schedule of Benefits for the particular Health Care Services rendered.

2. Copayment for inpatient facility Services:

The Copayment for Inpatient Facility Services, if applicable to your plan, must be satisfied by you, for each inpatient admission to a Hospital, Psychiatric Facility, or Substance Abuse Facility, before any payment will be made by us for any claim for inpatient Covered Services. The Copayment for inpatient facility Services, if applicable to your plan, applies regardless of the reason for the admission, and applies to all inpatient admissions to a Hospital, Psychiatric Facility or Substance Abuse Facility in or outside the state of Florida. Additionally, you will be responsible for out-of-pocket

expenses for Covered Services provided by Physicians and other health care professionals for inpatient admissions.

Note: Copayments for inpatient facility Services vary depending on the facility chosen. (Please see the Schedule of Benefits for more information).

3. Copayment for Outpatient Facility Services:

The Copayment for outpatient facility Services, if applicable to your plan, must be satisfied by you, for each outpatient visit to a Hospital, Ambulatory Surgical Center, Independent Diagnostic testing Facility, Psychiatric Facility or Substance Abuse Facility, before any payment will be made by us for any claim for outpatient Covered Services. The Copayment for Outpatient Facility Services, if applicable to your plan, applies regardless of the reason for the visit, and applies to all outpatient visits to a Hospital, Ambulatory Surgical Center, Independent Diagnostic testing Facility, Psychiatric Facility or Substance Abuse Facility in or outside the state of Florida. Additionally, you will be responsible for out-of-pocket expenses for Covered Services provided by Physicians and other healthcare professionals.

Note: Copayments for outpatient facility Services vary depending on the facility chosen and the Services received. (Please see the Schedule of Benefits for more information).

4. Copayment for Emergency Room Facility Services:

The Copayment for emergency room facility Services, if applicable to your plan, applies regardless of the reason for the visit, is in addition to any applicable Coinsurance amount, and applies to emergency room facility Services in or outside the state of Florida. The Copayment for emergency room facility Services, if applicable to your plan, must be satisfied by you for each visit. If you are admitted to the Hospital as an inpatient at the time of the emergency room visit, the Copayment for emergency room facility Services, if applicable to your plan, will be waived, but you will still be responsible for your share of the expenses for inpatient facility Services as listed in your Schedule of Benefits.

Coinsurance Requirements

All applicable Calendar Year Deductible or Copayment amounts must be satisfied before we will pay any portion of the Allowed Amount for Covered Services. For Services that are subject to Coinsurance, the Coinsurance percentage of the applicable Allowed Amount you are responsible for is listed in the Schedule of Benefits.

Note: If a particular Covered Service is not available from any In-Network Provider, the Coinsurance percentage that we will base payment on for that Covered Service will not be less than ten (10%) percentage points lower than the Coinsurance percentage we would have based payment on had the Covered Services been available from an In-Network Provider.

Out-of-Pocket Calendar Year Maximum

Out-of-Pocket Maximum Amount

1. Individual out-of-pocket Calendar Year maximum:

Once you have reached the individual out-of-pocket Calendar Year maximum amount listed in the Schedule of Benefits, you will have no additional out-of-pocket responsibility for the remainder of the Calendar Year and we will pay for Covered Services rendered during the remainder of that Calendar Year at 100 percent of the Allowed Amount.

2. Family out-of-pocket Calendar Year maximum:

Once your family has reached the family out-of-pocket Calendar Year maximum amount listed in the Schedule of Benefits, neither you nor your covered family members will have any additional out-of-pocket responsibility for the remainder of that Calendar Year and we will pay for Covered

Services rendered during the remainder of that Calendar Year at 100 percent of the Allowed Amount. The maximum amount any one Covered Person in your family can contribute toward the family out-of-pocket Calendar Year maximum is the amount applied toward the individual out-of-pocket Calendar Year maximum. Please see your Schedule of Benefits for more information.

Note: The Calendar Year Deductible, any applicable Copayments and Coinsurance amounts will accumulate towards the Calendar Year out-of-pocket maximums. Any benefit penalty reductions, non-covered charges or any charges in excess of the Allowed Amount will not accumulate towards the out-of-pocket Calendar Year maximums. If the Group has purchased prescription drug coverage, any applicable Deductible, Coinsurance or Copayments, under the prescription drug coverage, will not apply to the Calendar Year Deductible or the out-of-pocket Calendar Year maximums under this Booklet.

Prior Coverage Credit

We will give you credit for the satisfaction or partial satisfaction of any Calendar Year Deductible and Calendar Year Coinsurance maximums met by you under a prior group insurance, blanket insurance, franchise insurance or group Health Maintenance Organization (HMO) policy maintained by the Group if the Group Master Policy replaces such a policy. This provision only applies if the prior group insurance, blanket insurance, franchise insurance or HMO coverage purchased by the Group was in effect immediately preceding the Effective Date of this Group policy. This provision is only applicable for you during the initial Calendar Year of coverage under the Group Master Policy and the following rules apply:

1. Prior Coverage Credit for Deductible:

For the initial Calendar Year of coverage under the Group Master Policy only, charges credited by the Group's prior insurer, towards your Deductible requirement, for Services rendered during the 90-day period immediately preceding the Effective Date of the Group Master Policy, will be credited to the Calendar Year Deductible requirement under this Booklet.

2. Prior Coverage Credit for Coinsurance:

Charges credited by the Group's prior insurer, towards your Coinsurance Calendar Year Maximum, for Services rendered during the 90-day period immediately preceding the Effective Date of the Group Master Policy, will be credited to your out-of-pocket Calendar Year maximum under this Booklet.

3. Prior coverage credit towards the Calendar Year Deductible or out-of-pocket Calendar Year maximums will only be given for Health Care Services, which would have been Covered Services under this Booklet.

4. Prior coverage credit under this Booklet only applies at the initial enrollment of the entire Group. You and/or the Group are responsible for providing us with any information necessary for us to apply this prior coverage credit.

Benefit Maximum Carryover

If immediately before the Effective Date of the Group, you were covered under a prior group policy issued by BCBSF to the Group, amounts applied to your Calendar Year benefit maximums and lifetime maximums under the prior BCBSF policy, will be applied toward your Calendar Year benefit maximums and lifetime maximums under this Booklet. Unless otherwise specified on your Schedule of Benefits.

Additional Expenses You Must Pay

In addition to your share of the expenses described above, you are also responsible for:

1. any applicable Copayments;
2. expenses incurred for non-covered Services;
3. charges in excess of any maximum benefit limitation listed in the Schedule of Benefits (e.g., the lifetime maximums and Calendar Year maximums);

4. charges in excess of the Allowed Amount for Covered Services rendered by Providers who have not agreed to accept our Allowed Amount as payment in full;
5. any benefit reductions;
6. payment of expenses for claims denied because we did not receive information requested from you regarding whether or not you have other coverage and the details of such coverage; and
7. charges for Health Care Services which are excluded.

Additionally, you are responsible for any Premium contribution amount required by your Group.

How we will Credit Calendar Year Benefit Maximums and the Total Maximum Benefit per Person

Except as described below, only amounts actually paid by us for Covered Services will be credited towards any applicable Calendar Year benefit maximums and the total maximum benefit per person (lifetime maximum). The amounts we pay which are credited towards your Calendar Year benefit maximums and your total maximum benefit per person will be based on our Allowed Amount for the Covered Services provided.

Section 6: Physicians, Hospitals and Other Provider Options

Introduction

It is important for you to understand how the Provider you select and the setting in which you receive Health Care Services affects how much you are responsible for paying under this Booklet. This section, along with the Schedule of Benefits and our Provider Directory, describes the health care Provider options available to you and our payment rules for Services you receive.

As used throughout this section “out-of-pocket expenses” or “out-of-pocket” refers to the amounts you are required to pay including any applicable Copayments, the Calendar Year Deductible and/or Coinsurance amounts for Covered Services.

You are entitled to preferred provider type benefits when you receive Covered Services from In-Network Providers. You are entitled to traditional program type benefits at the point of service when you receive Covered Services from Traditional Program Providers or BlueCard® (Out-of-State) Traditional Program Providers, in conformity with Section 7: BlueCard® (Out-of-State) Program.

Provider Participation Status

In order to help control health care costs, we have entered into contracts with certain Providers to participate in NetworkBlue, one of our preferred provider networks. We have also entered into contracts with certain Providers to participate in our Traditional Program. We negotiate with these Providers to establish maximum allowances and payment rules for Covered Services as one way to control health care costs. The allowances we establish are called our Allowed Amounts. The amount you are responsible for paying out-of-pocket for a particular Covered Service is based on our Allowed Amount for that Covered Service.

Your Schedule of Benefits designates the panel of NetworkBlue Providers who are participating for your specific plan of coverage. This is important because these Providers are considered your In-Network Providers for purposes of this Benefit Booklet.

With BlueOptions, you may choose to receive Services from any Provider. However, you will be able to lower the amount you have to pay for Covered Services by receiving care from an In-Network Provider. Although you have the option to select any Provider you choose, we encourage you to select and develop a relationship with an In-Network Family Physician. There are several advantages to selecting a Family Physician. Family Physicians are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall healthcare needs. Developing and continuing a relationship with a Family Physician allows the physician to become knowledgeable about you and your family's health history. A Family Physician can help you determine when you need to visit a specialist and also help you find one based on their knowledge of you and your specific healthcare needs. Types of Family Physicians are Family Practitioners, General Practitioners, Internal Medicine doctors and Pediatricians. Additionally, care rendered by Family Physicians usually results in lower out-of-pocket expenses for you. Whether you select a Family Physician or another type of Physician to render Health Care Services, please remember that using In-Network Providers will result in lower out-of-pocket expenses for you. You should always determine whether a Provider is In-Network or Out-of-Network prior to receiving Services to determine the amount you are responsible for paying out-of-pocket.

Location of Service

In addition to the participation status of the Provider, the location or setting where you receive Services can affect the amount you pay. For example, the amount you are responsible for paying out-of-pocket will vary whether you receive Services in a Hospital, a Provider's office, or an Ambulatory Surgical Center. Please refer to your Schedule of Benefits for specific information regarding your out-of-pocket expenses for such situations. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the "What Is Covered?" section and your Schedule of Benefits to find out if the specific Health Care Services are covered and how much you will have to pay. You should also consult with your Physician to determine the most appropriate setting based on your health care and financial needs.

To verify if a Provider is In-Network for your plan you can:

1. review your current BlueOptions Provider Directory;
2. access the BlueOptions Provider directory at our web-site at www.floridablue.com; and/or
3. call the customer service phone number in this Booklet or on your Identification Card.

In-Network Providers

When you use In-Network Providers, your out-of-pocket expenses for Covered Services will be lower. We will base our payment on the Allowed Amount at the Coinsurance percentage listed in the Schedule of Benefits. Consult your Schedule of Benefits to determine what panel of Providers in the BlueOptions Provider directory is designated as In-Network for your plan.

Out-of-Network Providers

When you use Out-of-Network Providers your out-of-pocket expenses for Covered Services will be higher. We will base our payment on the Allowed Amount at the Coinsurance percentage listed in the Schedule of Benefits. Further, if the Out-of-Network Provider is a Traditional Program Provider or a BlueCard® (Out-of-State) Traditional Program Provider, our payment to such Provider may be under the terms of that Provider's contract. If your Schedule of Benefits and BlueOptions Provider directory do not include a Provider as In-Network under your benefit plan, the Provider is considered Out-of-Network.

	In-Network	Out-of-Network
What expenses are you responsible for paying?	• Any applicable Copayments, Deductible(s) and/or Coinsurance requirements; • Expenses for Services which are not covered; • Expenses for Services in excess of any benefit maximum limitations; • Expenses for claims denied because we did not receive information requested from you regarding whether or not you have other coverage and the details of such coverage; and • Expenses for Services which are excluded.	

	In-Network	Out-of-Network
Who is responsible for filing your claims?	The Provider will file the claim for you and payment will be made directly to the Provider.	You are responsible for filing the claim and payment will be made directly to the Covered Employee. If you receive Services from a Provider who participates in our Traditional Program or is a BlueCard® (Out-of-State) Traditional Program Provider, the Provider will file the claim for you. In those instances payment will be made directly to the Provider.
Can you be billed the difference between what we pay the Provider and the Provider's charge?	NO. You are protected from being billed for the difference in our Allowed Amount and the Provider's charge when you use In-Network Providers. The Provider will accept our Allowed Amount as payment in full for Covered Services except as otherwise permitted under the terms of the Provider's contract and this Booklet.	YES. You are responsible for paying the difference between what we pay and the Provider's charge. However, if you receive Services from a Provider who participates in our Traditional Program, the Provider will accept our Allowed Amount as payment in full for Covered Services since such Traditional Program Providers have agreed not to bill you for the difference. Further, under the BlueCard® (Out-of-State) Program, when you receive Covered Services from a BlueCard® (Out-of-State) Traditional Program Provider, you may be responsible for paying the difference between what the Host Blue pays and the Provider's billed charge.

Note: You are solely responsible for selecting a Provider when obtaining Health Care Services and for verifying whether that Provider is In-Network or Out-of-Network at the time Health Care Services are rendered. You are also responsible for determining the corresponding payment options, if any, at the time the Health Care Services are rendered.

Physicians

When you receive Covered Services from a Physician you will be responsible for a Copayment and/or the Calendar Year Deductible and the applicable Coinsurance. Several factors will determine your out-of-pocket expenses including your Schedule of Benefits, whether the Physician is In-Network or Out-of-Network, the location of service, the type of service rendered, and the Physician's specialty.

Remember that the location or setting where a Service is rendered can affect the amount you are responsible for paying out-of-pocket. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the Schedule of Benefits and consult with your Physician to determine the most appropriate setting based on your health care and financial needs.

Refer to your Schedule of Benefits to determine the applicable Copayments, Coinsurance percentage and/or Calendar Year Deductible amount you are responsible for paying for Physician Services.

Hospitals

Each time you receive inpatient or outpatient Covered Services at a Hospital, in addition to any out-of-pocket expenses related to Physician Services, you will be responsible for out-of-pocket expenses related to Hospital Services.

We are able to negotiate lower payment amounts with some Hospitals than with others. Because of this, In-Network Hospitals have been divided into two groups, which are referred to as “options” on the Schedule of Benefits. The amount you are responsible for paying out-of-pocket is different for each of these options. Remember that there are also different out-of-pocket expenses for Out-of-Network Hospitals.

Since not all Physicians admit patients to every Hospital, it is important when choosing a Physician that you determine the Hospitals where your Physician has admitting privileges. You can find out what Hospitals your Physician admits to by contacting the Physician's office. This will provide you with information that will help you determine a portion of what your out-of-pocket costs may be in the event you are hospitalized.

Refer to your Schedule of Benefits to determine the applicable out-of-pocket expenses you are responsible for paying for Hospital Services.

Other Providers

With BlueOptions you have access to other Providers in addition to the ones previously described in this section. Other Providers include facilities that provide alternative outpatient settings or other persons and entities that specialize in a specific Service(s). While these Providers may be recognized for payment, they may not be included as In-Network Providers for your plan. Additionally, all of the Services that are within the scope of certain Providers' licenses may not be Covered Services under this Booklet. Please refer to the “What Is Covered?” and “What Is Not Covered?” sections of this Booklet and your Schedule of Benefits to determine your out-of-pocket expenses for Covered Services rendered by these Providers.

You may be able to receive certain outpatient Services at a location other than a Hospital. The amount you are responsible for paying for Services rendered at some alternative facilities is generally less than if you had received those same Services at a Hospital.

Remember that the location of Service can impact the amount you are responsible for paying out-of-pocket. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the Schedule of Benefits and consult with your Physician to determine the most appropriate setting based on your health care and financial needs. When Services are rendered at an outpatient facility other than a Hospital there may be an out-of-pocket expense for the facility Provider as well as an out-of-pocket expense for other types of Providers.

Assignment of Benefits to Providers

Except as set forth in the last paragraph of this section, we will not honor any of the following assignments, or attempted assignments, by you to any Provider:

- an assignment of the benefits due to you for Covered Services under this Benefit Booklet;
- an assignment of your right to receive payments for Covered Services under this Benefit Booklet; or
- an assignment of a claim for damage resulting from a breach, or an alleged breach, of the Group Master Policy.

We specifically reserve the right to honor an assignment of benefits or payment by you to a Provider who: 1) is In-Network under your plan of coverage; 2) is a NetworkBlue Provider even if that Provider is not in

the panel for your plan of coverage; 3) is a Traditional Program Provider; 4) is a BlueCard® (Out-of-State) PPO Program Provider; or 5) is a BlueCard® (Out-of-State) Traditional Program Provider.

Section 7: BlueCard® (Out-of-State) Program

Providers Outside the State of Florida

When you obtain Health Care Services from BlueCard® participating Providers outside the geographic area we serve, the amount you pay for Covered Services is calculated on the **lower** of:

- The billed charges for your Covered Services, or
- The negotiated price that the on-site Blue Cross and/or Blue Shield Plan (“Host Blue”) passes on to us.

Often, this “negotiated price” will consist of a simple discount, which reflects the actual price paid by the Host Blue. But sometimes it is an estimated price that factors into the actual price expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with your health care Provider or with a specified group of Providers. The negotiated price may also be billed charges reduced to reflect an **average** expected savings with your health care Provider or with a specified group of Providers. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price. The negotiated price will also be prospectively adjusted in the future to correct for over- or underestimation of past prices. However, the amount you pay is considered a final price.

Statutes in a small number of states may require the Host Blue to use a basis for calculating a covered individual's liability for Covered Services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or to add a surcharge. Should any state statutes mandate liability calculation methods that differ from the usual BlueCard® method noted above in paragraph one of this section or require a surcharge, we will then calculate your liability for any Covered Services in accordance with the applicable state statute in effect at the time you received your care.

Section 8: Blueprint for Health Programs

Introduction

We have established (and from time to time establish) various customer-focused health education and information programs as well as benefit utilization management and utilization review programs. These programs, collectively called the Blueprint for Health Programs, are designed to 1) provide you with information that will help you make more informed decisions about your health; 2) help us facilitate the management and review of coverage and benefits provided under our policies; and 3) present opportunities, as explained below, to mutually agree upon alternative benefits or payment alternatives for cost-effective medically appropriate Health Care Services.

Admission Notification

Our admission notification requirements vary depending on whether you are admitted to a Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility which is In-Network or Out-of-Network. To find out about the participation status of any of these providers, you can:

1. review the Provider Directory then in effect;
2. access our web-site at www.floridablue.com; and/or
3. call the customer service phone number in this Booklet or on your Identification Card.

In-Network

Under the admission notification requirement, we must be notified of all inpatient admissions (i.e., elective, planned, urgent or emergency) to In-Network Hospitals, Psychiatric Facilities, Substance Abuse Facilities or Skilled Nursing Facilities. While it is the sole responsibility of the In-Network Provider located in Florida to comply with our admission notification requirements, you should ask the Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility (as applicable) if we have been notified of your admission. For an admission outside of Florida, you or the Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility (as applicable) should notify us of the admission. Making sure that we are notified of your admission will enable us to provide you information about the Blueprint for Health Programs available to you. You or the Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility (as applicable) may notify us of your admission by calling the toll free customer service number on your ID card.

Out-of-Network

For admissions to an Out-of-Network Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility, you or the Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility should notify us of the admission. Notifying us of your admission will enable us to provide you information about the Blueprint for Health Programs available to you. You or the Hospital may notify us of your admission by calling the toll free customer service number on your Identification Card.

Inpatient Facility Program

Under the inpatient facility program, we may review Hospital stays, Skilled Nursing Facility (SNF) Services, and other Health Care Services rendered during the course of an inpatient stay or treatment program. We may conduct this review while you are inpatient or after your discharge. The review is conducted solely to determine whether we should provide coverage and/or payment for a particular admission or Health Care Services rendered during that admission. Using our established criteria then in effect, a concurrent review of the inpatient stay may occur at regular intervals. We will provide notification to your Physician when inpatient coverage criteria is no longer met. In administering the inpatient facility program, we may review specific medical facts or information and assess, among other things, the appropriateness of the Services being rendered, health care setting and/or the level of care of an inpatient admission or other health care treatment program. Any such reviews by us, and any reviews or

assessments of specific medical facts or information which we conduct, are solely for purposes of making coverage or payment decisions under this Benefit Booklet and not for the purpose of recommending or providing medical care.

In anticipation of your needs following an inpatient stay, we may provide you and your Physician with information about other Blueprint for Health Programs which may be beneficial to you, and help you and your Physician identify health care resources which may be available in your community. Upon request, we will answer questions your Physician has regarding your coverage or benefits following discharge from the Hospital.

Provider Focused Utilization Management Program

Certain NetworkBlue Providers have agreed to participate in our focused utilization management program. This pre-service review program is intended to promote the efficient delivery of medically appropriate Health Care Services by NetworkBlue Providers. Under this program we may perform focused prospective reviews of all or specific Health Care Services proposed for you. In order to perform the review, we may require the Provider to submit to us specific medical information relating to Health Care Services proposed for you. NetworkBlue Providers have agreed not to bill, or collect, any payment whatsoever from you or us, or any other person or entity, with respect to Health Care Services if: 1) we perform a focused review under the focused utilization management program; and 2) we determine that the Health Care Services are not Medically Necessary in accordance with our Medical Necessity criteria or inconsistent with our benefit guidelines then in effect.

Member Focused Programs

The Blueprint for Health Programs may include voluntary programs for certain members. These programs may address health promotion, prevention and early detection of disease, chronic illness management programs, case management programs and other member focused programs.

Personal Case Management Program

The personal case management program focuses on members who suffer from a catastrophic illness or injury. In the event you have a catastrophic or chronic Condition, we may, in our sole discretion, assign a Personal Case Manager to you to help coordinate coverage, benefits, or payment for Health Care Services you receive. Your participation in this program is completely voluntary.

Under the personal case management program, we may elect to offer alternative benefits or payment for cost-effective Health Care Services. These alternative benefits or payments may be made available by us on a case-by-case basis when you meet our case management criteria then in effect. Such alternative benefits or payments, if any, will be made available in accordance with a treatment plan with which you, or your representative, and your Physician agree to in writing.

The fact that we may offer to pay for, or that we have paid for certain Health Care Services under the personal case management program in no way obligates us to continue to provide or pay for the same or similar Services. Nothing contained in this section shall be deemed a waiver of our right to enforce this Benefit Booklet in strict accordance with its terms. The terms of this Booklet will continue to apply, except as specifically modified in writing by us in accordance with the personal case management program rules then in effect

Health Information, Promotion, Prevention and Illness Management Programs

These Blueprint for Health Programs may include health information that supports member education and choices for healthcare issues. These programs focus on keeping you well, help to identify early preventive measures of treatment and help members with chronic problems to enjoy lives that are as productive and healthy as possible. These programs may include prenatal educational programs and illness management programs for Conditions such as diabetes, cancer and heart disease. These programs are voluntary and are designed to enhance your ability to make informed choices and decisions for your unique health care needs. You may call the toll free customer service number on your Identification Card for more information. Your participation in this program is completely voluntary.

IMPORTANT INFORMATION RELATING TO BCBSF'S BLUEPRINT FOR HEALTH PROGRAMS

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical services, are solely your responsibility and the responsibility of your Physicians and other health care Providers. You and your Physicians are responsible for deciding what medical care should be rendered or received, and when and how that care should be provided. We are solely responsible for determining whether expenses, which have been or will be incurred for medical care are, or will be, covered under this Booklet. In fulfilling this responsibility, we will not be deemed to participate in or override the medical decisions of your health care Provider.

You, a treating Physician, Hospital, or other Provider may request that we review a Blueprint for Health Program coverage or payment decision, provided such a request is received by us, in writing, within 90 days of the date of the decision. The review request must include all information deemed relevant or necessary by us. We will review the decision in light of such information and notify you or your representative, the Hospital and/or the Physician of the review decision.

Please note that we reserve the right to discontinue or modify the Hospital admission notification requirement and any Blueprint for Health Program at any time without consent from you or the Group.

Section 9: Pre-existing Conditions Exclusion Period

Introduction

Generally, there is no coverage under this Booklet for Health Care Services to treat a Pre-existing Condition, or Conditions arising from a Pre-existing Condition, until you have been continuously covered under this Booklet for a 12-month period. This 12-month Pre-existing Condition exclusionary period begins on the first day of the Waiting Period if you are an initial enrollee; or your Effective Date of coverage under the Booklet if you are a special or annual enrollee. This exclusionary period also applies to any prescription drug that is prescribed in connection with a Pre-existing Condition.

This Pre-existing Condition exclusionary period does not apply to:

1. the Covered Employee and each Covered Dependent who was covered under the Group's prior medical plan on the date immediately preceding the Effective Date of coverage under this Booklet;
2. you if you were enrolled during the Initial Enrollment Period prior to the Effective Date of the Group; or
3. you when the Group has elected to waive, in writing, at the time of Group Application the Pre-existing Conditions exclusionary period for all subsequent Eligible Employees and/or Eligible Dependents;
4. pregnancy;
5. a newborn child or an adopted newborn child properly enrolled under this Booklet;
6. an adopted child that has Creditable Coverage;
7. Genetic Information in the absence of a diagnosis of the Condition;
8. routine follow-up care of breast cancer after the person was determined to be free of breast cancer;
9. Conditions arising from domestic violence; or
10. inherited diseases of amino acid, organic acid, carbohydrate or fat metabolism as well as malabsorption originating from congenital defects present at birth or acquired during the neonatal period.

Genetic Information, as used above, means information about genes, gene products, and inherited characteristics that may derive from the individual or a family member. This includes information regarding carrier status and information derived from laboratory tests that identify mutations in specific genes or chromosomes, physical medical examinations, family histories, and direct analysis of genes or chromosomes.

Pre-existing Condition Definition

A Pre-existing Condition means any Condition related to a physical or mental Condition, regardless of the cause of the Condition, for which medical advice, diagnosis, care, or treatment was recommended or received during the six-month period immediately preceding:

1. the first day of your Waiting Period for initial enrollees; or
2. your Effective Date of coverage under the Group Master Policy for special and annual enrollees.

Reducing the Pre-existing Conditions Exclusionary Period

No matter whether you enroll when first eligible or at a later date (such as an Annual Open Enrollment Period or as a result of special enrollment), you may be able to reduce or even eliminate the Pre-existing Conditions exclusionary period if you have prior Creditable Coverage.

If you are enrolling when you are first eligible for coverage and you have no more than a 63-day break in Creditable Coverage as of your Enrollment Date under this Booklet, your Pre-existing Conditions exclusionary period will be reduced by the amount of prior Creditable Coverage you have.

If, on the other hand, you are enrolling under this Booklet at any other time as allowed under its terms, such as during an Annual Open Enrollment Period or a Special Enrollment Period, your Pre-existing Conditions exclusionary period will be reduced by the amount of any Creditable Coverage you have; provided there is no more than a 63-day break in coverage prior to your Enrollment Date in this Booklet.

If you have no Creditable Coverage or none that can reduce the Pre-existing Conditions exclusionary period, the full 12-month Pre-existing Conditions exclusionary period will apply.

Creditable Coverage

Creditable Coverage is health care coverage that may include any of the following:

1. a group health insurance plan;
2. individual health insurance;
3. Medicare Part A and Part B;
4. Medicaid;
5. benefits to members and certain former members of the uniformed services and their dependents;
6. a medical care program of the Indian Health Service or of a tribal organization;
7. a State health benefits risk pool;
8. a health plan offered under chapter 89 of Title 5, United States Code;
9. a public health plan;
10. a health benefit plan of the Peace Corps;
11. State Children's Health Insurance Program (S-CHIP);
12. public health plans established by the federal government; or
13. public health plans established by foreign governments.

Proving Creditable Coverage

You may provide a Prior/Concurrent Coverage Affidavit or Certification of Creditable Coverage to prove the amount of time you were covered under Creditable Coverage. Prior health insurers and/or group health plans are required to provide a certification of Creditable Coverage to you upon termination of your coverage and at any time upon request up to 24 months after termination of your prior health coverage. If you do not provide a certification, then you must provide us some other evidence of Creditable Coverage such as a copy of an ID card or health insurance bill from a prior carrier and attest to the amount of time you were covered under the Creditable Coverage.

Section 10: Eligibility for Coverage

Each employee or other individual who is eligible to participate in the Group Plan, and who meets and continues to meet our eligibility requirements described in this Booklet, shall be entitled to apply for coverage with us under this Booklet. These eligibility requirements are binding upon you and/or your eligible family members as well as the Group. No changes in our eligibility requirements will be permitted unless we have been notified of and have agreed in writing to any such change in advance. We may require acceptable documentation that an individual meets and continues to meet the eligibility requirements such as a court order naming the Covered Employee as the legal guardian or appropriate adoption documentation described in the “Enrollment and Effective Date of Coverage” section.

Eligibility Requirements for Covered Employees

In order to be eligible to enroll as a Covered Employee, an individual must be an Eligible Employee. An Eligible Employee must meet each of the following requirements:

1. The employee must be a bona fide employee;
2. The employee's job must fall within a job classification identified on the Group Application;
3. The employee must have completed any applicable Waiting Period identified on the Group Application; and
4. The employee must meet any additional eligibility requirement(s) identified on the Group Application.

The Covered Employee eligibility classification may be expanded to include:

1. retired employees;
2. additional job classifications;
3. employees of affiliated or subsidiary companies of the Group, provided such companies and the Group are under common control; and
4. other individuals as determined by us and the Group (e.g., members of associations or labor unions).

Any expansion of the Covered Employee eligibility class must be approved in writing by us and the Group prior to such expansion, and may be subject to different Rates.

Eligibility Requirements for Dependent(s)

An individual who meets the eligibility criteria specified below is an Eligible Dependent and is eligible to apply for coverage under this Booklet:

1. The Covered Employee's spouse under a legally valid existing marriage;
2. The Covered Employee's natural, newborn, adopted, Foster, or step child(ren) (or a child for whom the Covered Employee has been court-appointed as legal guardian or legal custodian) until the end of the Calendar Year in which the child reaches age 25 (or in the case of a Foster Child, is no longer eligible under the Foster Child Program), and who is:
 - a) dependent upon the Covered Employee for financial support; and living in the household of the Covered Employee or a full-time or part-time student; or
 - i. the child does not live in the household of the Covered Employee and is not enrolled as a full or part-time student because the child has not met the age requirement to begin elementary school education; or

- b) in the case of a handicapped dependent child, such child is eligible to continue coverage, beyond the limiting age of 25, as a Covered Dependent if the child is:
 - i. otherwise eligible for coverage under the Group Master Policy;
 - ii. incapable of self-sustaining employment by reason of mental retardation or physical handicap; and
 - iii. chiefly dependent upon the Covered Employee for support and maintenance provided that the symptoms or causes of the child's handicap existed prior to the child's 25th birthday.

This eligibility shall terminate on the last day of the month in which the child does not meet the requirements for extended eligibility as a handicapped child.

or

- 3. The newborn child of a Covered Dependent child. Coverage for such newborn child will automatically terminate 18 months after the birth of the newborn child.

Note: It is your sole responsibility as the Covered Employee to establish that a child meets the applicable requirements for eligibility. Eligibility will terminate on the last day of the month in which the child no longer meets the eligibility criteria required to be an Eligible Dependent.

Section 11: Enrollment and Effective Date of Coverage

Eligible Employees and Eligible Dependents may enroll for coverage according to the provisions below.

Any Eligible Employee or Eligible Dependent who is not properly enrolled with us will not be covered under this Booklet. We will have no obligation whatsoever to any individual who is not properly enrolled.

General Rules for Enrollment

1. Any Employee and/or Eligible Dependent who is eligible for coverage under this Booklet may apply for coverage by completing and submitting an Enrollment Form to the Group.
2. All factual representations on the Enrollment Forms must be accurate and complete. Any false, incomplete, or misleading information provided during the enrollment process, or at any other time, may result, in addition to any other legal right(s) we may have, in disqualification for, termination of, or rescission of coverage.
3. We will not provide coverage and benefits to any individual who would not have been entitled to enrollment with us, had accurate and complete information been provided on a timely basis on the Enrollment Forms. In such cases, we may require you or an individual legally responsible for you, to reimburse us for any payments we made on your behalf.

Enrollment Forms/Electing Coverage

To apply for coverage, you as the Eligible Employee must:

1. complete and submit, through your Group, the Enrollment Form;
2. provide any additional information needed to determine eligibility, at our request;
3. agree to pay your portion of the required Premium; and
4. complete and submit, through your Group, an Enrollment Form to add Eligible Dependents or delete Covered Dependents.

When making application for coverage, you must elect one of the types of coverage available under your Group's program. Such types may include:

Employee Only Coverage - This type of coverage provides coverage for the Eligible Employee only.

Employee/Spouse Coverage - This type of coverage provides coverage for the Eligible Employee and the employee's spouse under a legally valid existing marriage.

Employee/Child(ren) Coverage - This type of coverage provides coverage for the Eligible Employee and the employee's eligible child(ren) only.

Employee/Family Coverage - This type of coverage provides coverage for the Eligible Employee and the employee's Eligible Dependents.

There may be an additional Premium charge for each Covered Dependent based on the coverage selected by the Group.

Enrollment Periods

The enrollment periods for applying for coverage are as follows:

Initial Enrollment Period is the period of time during which an Eligible Employee or Eligible Dependent is first eligible to enroll. It starts on the Eligible Employee's or Eligible Dependent's initial date of eligibility and ends no less than 30 days later.

Annual Open Enrollment Period is the period of time during which each Eligible Employee is given an opportunity to select coverage from among the alternatives included in the Group's health benefit program. The period is established by us, occurs annually, and will take place prior to the Anniversary Date.

Special Enrollment Period is the 30-day period of time immediately following a special circumstance during which an Eligible Employee or Eligible Dependent may apply for coverage. Special circumstances are described in the Special Enrollment Period subsection.

Employee Enrollment

1. An Eligible Employee must enroll during the Initial Enrollment Period in order to become covered as of the Effective Date of the Group. Eligible Dependents may also be enrolled during the Initial Enrollment Period. The Effective Date of coverage for an Eligible Dependent(s) will be the same as the Covered Employee's Effective Date.
2. An individual who becomes an Eligible Employee after the Group's Effective Date (for example, newly-hired employees) must enroll before or within the Initial Enrollment Period. The Effective Date of coverage for such individual will begin on the date specified on the Group Application.

Dependent Enrollment

An individual may be added upon becoming an Eligible Dependent of a Covered Employee. Below are special rules for certain Eligible Dependents.

Newborn Child – To enroll a newborn child who is an Eligible Dependent, the Covered Employee must submit an Enrollment Form to us through the Group. The Effective Date of coverage for a newborn child will be the date of birth.

We must be notified, in writing, and the following guidelines will be applied when enrolling a newborn child:

- a) If we receive written notice within 30 days after the date of birth, the Effective Date of coverage will be the date of birth and no Premium will be charged for the newborn child for the first 30 days of coverage.
- b) If we receive written notice 31 to 60 days after the date of birth, the Effective Date of coverage will be the date of birth and the appropriate Premium will be charged from the date of birth.
- c) If we receive written notice more than 60 days after the date of birth and Annual Open Enrollment **has not** occurred since the date of birth, the Effective Date of coverage will be the date of birth and the appropriate Premium will be charged from the date of birth.
- d) If we receive written notice more than 60 days after the date of birth and Annual Open Enrollment **has** occurred, the newborn child may not be added until the next Annual Open Enrollment Period or Special Enrollment Period.

Note: The guidelines above only apply to newborns born after the Effective Date of the Covered Employee. If a child is born before the Effective Date of the Covered Employee and was not added during the Initial Enrollment Period, we must receive an Enrollment Form. If the Enrollment Form is

received within 30 days after the birth of the child, no Premium will be charged for the first 30 days of coverage. If the Enrollment Form is received 31-60 days after the birth of the child, any applicable Premium must be paid back to the Effective Date of coverage of the Covered Employee.

In the event we are not notified within 60 days of the birth of the newborn child, the Covered Employee must make application during an Annual Open Enrollment Period or Special Enrollment Period.

Note: Coverage for a newborn child of a Covered Dependent child will automatically terminate 18 months after the birth of the newborn child.

Adopted Newborn Child – To enroll an adopted newborn child, the Covered Employee must submit an Enrollment Form through the Group to us. The Effective Date of coverage for an adopted newborn child, eligible for coverage, will be the moment of birth, provided that a written agreement to adopt such child has been entered into by the Covered Employee prior to the birth of such child, whether or not such an agreement is enforceable. We may require the Covered Employee to provide any information and/or documents which we deem necessary in order to administer this provision. The following guidelines will be applied when enrolling an adopted newborn child:

- a) If we receive written notice within 30 days after the birth, the Effective Date of coverage will be the date of birth and no Premium will be charged for the first 30 days of coverage for the adopted newborn child.
- b) If we receive written notice 31 to 60 days after the birth, the Effective Date of coverage will be the date of birth and the appropriate Premium will be charged from the date of birth.
- c) If we receive written notice more than 60 days after the date of birth and Annual Open Enrollment **has not** occurred, the Effective Date of coverage will be the date of birth and the appropriate Premium will be charged from the date of birth.
- d) If we receive written notice more than 60 days after the date of birth and Annual Open Enrollment **has** occurred, the adopted newborn child may not be added until the next Annual Open Enrollment Period or Special Enrollment Period.

Note: The guidelines above only apply to adopted newborns born after the Effective Date of the Covered Employee. If a child is born before the Effective Date of the Covered Employee and was not added during the Initial Enrollment Period, we must receive an Enrollment Form. If the Enrollment Form is received within 30 days after the birth of the child, no Premium will be charged for the first 30 days of coverage. If the Enrollment Form is received 31-60 days after the birth of the adopted newborn child, any applicable Premium must be paid back to the Effective Date of coverage of the Covered Employee. In the event we are not notified within 60 days of the birth of the adopted newborn child, the Covered Employee must make application during an Annual Open Enrollment Period or Special Enrollment Period.

If the adopted newborn child is not ultimately placed in the residence of the Covered Employee, there shall be no coverage for the adopted newborn child. It is your responsibility as the Covered Employee to notify us within ten calendar days of the date that placement was to occur if the adopted newborn child is not placed in your residence.

Adopted/Foster Children – To enroll an adopted child or Foster Child, the Covered Employee must submit an Enrollment Form during the 30-day period immediately following the date of placement and pay the additional Premium, if any. The Effective Date for an adopted child or Foster Child (other than an adopted newborn child) will be the date such adopted or Foster Child is placed in the residence of the Covered Employee in compliance with Florida law.

If timely notice is given, no additional Premium will be charged for coverage of the adopted child for the duration of the notice period. Any Pre-existing Condition exclusionary period will not apply to an adopted child but will apply to a Foster Child. We may require the Covered Employee to provide any information and/or documents we deem necessary, in order to properly administer this section.

In the event we are not notified within 30 days of the date of placement, the child will be added as of the date of placement so long as the Covered Employee provides notice to the Group, and we receive the Enrollment Form within 60 days of the placement, and any applicable Premium is paid back to the date of placement. In the event we are not notified within 60 days of the date of placement, the Covered Employee must make application during an Annual Open Enrollment Period or Special Enrollment Period in order for the adopted child or Foster Child to be covered.

For all children covered as adopted children, if the final decree of adoption is not issued, coverage shall not be continued for the proposed adopted child. It is the responsibility of the Covered Employee to notify us if the adoption does not take place. Upon receipt of this notification, we will terminate the coverage of the child as of the Effective Date of the adopted child upon receipt of the written notice.

If the Covered Employee's status as a foster parent is terminated, coverage will end for any Foster Child. It is the responsibility of the Covered Employee to notify us in writing that the Foster Child is no longer in the Covered Employee's care. Upon receipt of this notification, we will terminate the coverage of the child on the date provided by the Group or on the first billing date following receipt of the written notice.

Marital Status – The Covered Employee may apply for coverage of an Eligible Dependent due to a legally valid marriage. To apply for coverage, the Covered Employee must complete the Enrollment Form through the Group and forward it to us. The Covered Employee must make application for enrollment within 30 days of the marriage. The Effective Date of coverage for an Eligible Dependent who is enrolled as a result of marriage is the date of the marriage.

Court Order – The Covered Employee may apply for coverage for an Eligible Dependent outside of the Initial Enrollment Period and Annual Open Enrollment Period if a court has ordered coverage to be provided for a minor child under their plan. To apply for coverage, the Covered Employee must complete an Enrollment Form through the Group and forward it to us. The Covered Employee must make application for enrollment within 30 days of the court order. The Effective Date of coverage for an Eligible Dependent who is enrolled as a result of a court order is the date required by the court or the next billing date.

Annual Open Enrollment Period

Eligible Employees and/or Eligible Dependents who did not apply for coverage during the Initial Enrollment Period or a Special Enrollment Period may apply for coverage during an Annual Open Enrollment Period. The Eligible Employee may enroll by completing the Enrollment Form during the Annual Open Enrollment Period.

The Effective Date of coverage for an Eligible Employee and any Eligible Dependent(s) will be the first billing date following the Annual Open Enrollment Period.

Eligible Employees who do not enroll or change their coverage selection during the Annual Open Enrollment Period, must wait until the next Annual Open Enrollment Period, unless the Eligible Employee or the Eligible Dependent is enrolled due to a special circumstance as outlined in the Special Enrollment Period subsection of this section.

Special Enrollment Period

An Eligible Employee and/or the Employee's Eligible Dependents may apply for coverage outside of the Initial Enrollment Period and Annual Enrollment Period as a result of a special enrollment event. To apply for coverage, the Eligible Employee and/or the Employee's Eligible Dependents must complete the applicable Enrollment Form and forward it to the Group within 30 days of the date of the special enrollment event. For purposes of this subsection, the following are the special enrollment events:

1. you lose your coverage under another group health benefit plan (as an employee or dependent), or coverage under other health insurance, or COBRA continuation coverage that you were covered under at the time of initial enrollment provided that:
 - a) when offered coverage under this plan at the time of initial eligibility, you stated, in writing, that coverage under a group health plan or health insurance coverage was the reason for declining enrollment; and
 - b) you lost your other coverage under a group health benefit plan or health insurance coverage as a result of termination of employment, reduction in the number of hours you work, reaching or exceeding the maximum lifetime of all benefits under other health coverage, the employer ceased offering group health coverage, death of your spouse, divorce, legal separation or employer contributions toward such coverage was terminated.

Note: Loss of coverage for failure to pay your portion of the required Premium on a timely basis or for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the prior health coverage) is not a qualifying event for special enrollment.

2. you get married or obtain a dependent through birth, adoption or placement in anticipation of adoption.

The Effective Date of coverage for you and your Eligible Dependents added as a result of a special enrollment event is the date of the special enrollment event. Eligible Employees who do not enroll or change their coverage selection during the Special Enrollment Period must wait until the next Annual Open Enrollment Period (See the Dependent Enrollment subsection of this section for the rules relating to the enrollment of Eligible Dependents of a Covered Employee).

Other Provisions Regarding Enrollment and Effective Date Of Coverage

1. Rehired Employees:

Individuals who are rehired as employees of the Group are considered newly hired employees for purposes of this section. The provisions of the Group Master Policy (which includes this Booklet), which are applicable to newly hired employees and their Eligible Dependents (e.g., enrollment, Effective Dates of coverage, Pre-existing Condition exclusionary period, and Waiting Period) are applicable to rehired employees and their Eligible Dependents.

2. Premium Payments:

In those instances where an individual is to be added to coverage (e.g., a new Eligible Employee or a new Eligible Dependent, including a newborn or adopted child), that individual's coverage shall be effective, as described in this section, provided we receive the applicable additional Premium payment within 30 days of the date we notified the Group of such amount. In no event shall an individual be covered under this Group Master Policy if we do not receive the applicable Premium payment within such time period.

Section 12: Termination of Coverage

Termination of a Covered Employee's Coverage

A Covered Employee's coverage will automatically terminate at 12:01 a.m.:

1. on the date the Group Master Policy terminates;
2. on the last day of the first month that the Covered Employee fails to continue to meet any of the applicable eligibility requirements;
3. on the date the Covered Employee's coverage is terminated for cause (see the Termination of an Individual Coverage for Cause subsection); or
4. on the date specified by the Group that the Covered Employee's coverage terminates.

Termination of a Covered Dependent's Coverage

A Covered Dependent's coverage will automatically terminate at 12:01 a.m.:

1. on the date the Group Master Policy terminates;
2. on the date Covered Employee's coverage terminates for any reason;
3. on the last day of the first month that the Covered Dependent fails to continue to meet any of the applicable eligibility requirements (e.g., a child reaches the limiting age, or a spouse is divorced from the Covered Employee);
4. on the date we specify that the Covered Dependent's coverage is terminated by us for cause; or
5. on the date specified by the Group that the Covered Dependent's coverage terminates.

In the event you as the Covered Employee wish to delete a Covered Dependent from coverage, an Enrollment Form should be forwarded to us through the Group.

In the event you as the Covered Employee wish to terminate a spouse's coverage, (e.g., in the case of divorce), you must submit an Enrollment Form to the Group, prior to the requested termination date or within 10 days of the date the divorce is final, whichever is applicable.

Termination of an Individual's Coverage for Cause

If, in our opinion, any of the following events occur, we may terminate an individual's coverage for cause:

1. fraud, material misrepresentation or omission in applying for coverage or benefits;
2. the knowing misrepresentation, omission or the giving of false information on Enrollment Forms or other forms completed for us, by or on your behalf; or
3. misuse of the Identification Card.

Note: Only fraudulent misstatements on the Enrollment Form may be used by us to void coverage or deny any claim for loss incurred or disability, if discovered after two years from your Effective Date.

Notice of Termination

It is the Group's responsibility to immediately notify you of termination of the Group Master Policy for any reason.

Responsibilities of BCBSF Upon Termination of Your Coverage

Upon termination of coverage for you or your Covered Dependents for any reason, we will have no further liability or responsibility with respect to such individual, except as otherwise specifically described in this Booklet.

Certification of Creditable Coverage

In the event coverage terminates for any reason, we will issue a written certification of Creditable Coverage to you.

The certification of Creditable Coverage will indicate the period of time you were enrolled with us. Creditable Coverage may reduce the length of any Pre-existing Condition exclusionary period by the length of time you had prior Creditable Coverage.

Upon request, we will send you another certification of Creditable Coverage within a 24-month period after termination of coverage.

The succeeding carrier will be responsible for determining if our coverage meets the qualifying Creditable Coverage guidelines (e.g., no more than a 63-day break in coverage).

Section 13: Continuing Coverage Under COBRA

A Federal continuation of coverage law, known as the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, may apply to the Group. If COBRA applies to the Group, you or your Covered Dependents may be entitled to continue coverage for a limited period of time, if you meet the applicable requirements, make a timely election, and pay the proper amount required to maintain coverage.

You must contact the Group to determine if you or your Covered Dependent are entitled to COBRA continuation of coverage. The Group is solely responsible for meeting all of the obligations under COBRA, including the obligation to notify all Covered Persons of their rights under COBRA. If the Group or you fail to meet your obligations under COBRA and this Group Master Policy, we will not be liable for any claims incurred by you or your Covered Dependent(s) after termination of coverage.

A summary of your COBRA rights and the general conditions for qualification for COBRA continuation coverage is provided below. This summary is not meant as a representation that any of the COBRA obligations of the Group are met by the purchase of the Group Master Policy; the duty to meet such obligations remains with the Group.

The following is a summary of what you may elect, if COBRA applies to the Group and you are eligible for such coverage:

1. You may elect to continue their coverage for a period not to exceed 18 months* in the case of:

- a) termination of employment of the Covered Employee other than for gross misconduct; or
- b) reduced hours of employment of the Covered Employee.

***Note:** You and your Covered Dependents are eligible for an 11 month extension of the 18 month COBRA continuation option above (to a total of 29 months) if you or your Covered Dependent is totally disabled (as defined by the Social Security Administration (SSA)) at the time of your termination, reduction in hours or within the first 60 days of COBRA continuation coverage. The Covered Person must supply notice of the disability determination to the Group within 18 months of becoming eligible for continuation coverage and no later than 60 days after the SSA's determination date.

2. Your Covered Dependent(s) may elect to continue their coverage for a period not to exceed 36 months in the case of:

- a) the Covered Employee's entitlement to Medicare;
- b) divorce or legal separation of the Covered Employee;
- c) death of the Covered Employee;
- d) the employer files bankruptcy (subject to bankruptcy court approval); or
- e) a Dependent child may elect the 36 month extension if the Dependent child ceases to be an Eligible Dependent under the terms of the Group's coverage.

Children born to or placed for adoption with the Covered Employee during the continuation coverage periods noted above are also eligible for the remainder of the continuation period.

If you are eligible to continue group health insurance coverage pursuant to COBRA, the following conditions must be met:

1. The Group must notify you of your continuation of coverage rights under COBRA within 14 days of the event, which creates the continuation option. If coverage would be lost due to Medicare entitlement, divorce, legal separation or the failure of a Covered Dependent child to meet eligibility

requirements, you or your Covered Dependent must notify the Group, in writing, within 60 days of any of these events. The Group's 14-day notice requirement runs from the date of receipt of such notice.

2. You must elect to continue the coverage within 60 days of the later of:
 - a) the date that the coverage terminates; or
 - b) the date the notification of continuation of coverage rights is sent by the Group.
3. COBRA coverage will terminate if you become covered under any other group health insurance plan. However, COBRA coverage may continue if the new group health insurance plan contains exclusions or limitations due to a Pre-existing Condition that would affect your coverage.
4. COBRA coverage will terminate if you become entitled to Medicare.
5. If you are totally disabled and eligible and elect to extend your continuation of coverage, you may not continue such extension of coverage more than 30 days after a determination by the Social Security Administration that you are no longer disabled. You must inform the Group of the Social Security Administration's determination within 30 days of such determination.
6. You must meet all Premium payment requirements, and all other eligibility requirements described in COBRA, and, to the extent not inconsistent with COBRA, in the Group Master Policy.
7. The Group must continue to provide group health coverage to its employees.

An election by an Covered Employee or Covered Dependent spouse shall be deemed to be an election for any other qualified beneficiary related to that Covered Employee or Covered Dependent spouse, unless otherwise specified in the election form.

Note: This section shall not be interpreted to grant any continuation rights in excess of those required by COBRA and/or Section 4980B of the Internal Revenue Code. Additionally, the Group Master Policy shall be deemed to have been modified, and shall be interpreted, so as to comply with COBRA and changes to COBRA that are mandatory with respect to the Group.

Section 14: Conversion Privilege

Eligibility Criteria for Conversion

You are entitled to apply for a BCBSF individual policy (hereinafter referred to as a “converted policy” or “conversion policy”) if:

1. you were continuously covered for at least three months under the Group Master Policy, and/or under another group policy with your Group, that provided similar benefits immediately prior to the Group Master Policy; and
2. your coverage was terminated for any reason, including discontinuance of the Group Master Policy in its entirety and termination of continued coverage under COBRA.

Notify us in writing or by telephone if you are interested in a conversion policy. Within 14 days of such notice, we will send you a conversion policy application, premium notice and outline of coverage. The outline of coverage will contain a brief description of the benefits and coverage, exclusions and limitations, and the applicable Deductible(s) and Coinsurance provisions.

We must receive a completed application for a converted policy, and the applicable premium payment, within the 63-day period beginning on the date the coverage under the Group Master Policy terminated. If coverage has been terminated, due to the non-payment of premium by the Group, we must receive the completed converted policy application and the applicable premium payment within the 63-day period beginning on the date notice was given that the Group Master Policy terminated.

In the event we do not receive the converted policy application and the initial premium payment within such 63-day period, your converted policy application will be denied and you will not be entitled to a converted policy.

Additionally, you are not entitled to a converted policy if:

1. you are eligible for or covered under the Medicare program;
2. you failed to pay, on a timely basis, the contribution required by the Group for coverage under this Group Master Policy;
3. the Group Master Policy was replaced within 31 days after termination by any group policy, contract, plan, or program, including a self-insured plan or program, that provides benefits similar to the benefits provided under this Booklet; or
4. a) you fall under one of the following categories and meet the requirements of 4.b. below:
 - i. you are covered under any Hospital, surgical, medical or major medical policy or contract or under a prepayment plan or under any other plan or program that provides benefits which are similar to the benefits provided under this Booklet; or
 - ii. you are eligible, whether or not covered, under any arrangement of coverage for individuals in a group, whether on an insured, uninsured, or partially insured basis, for benefits similar to those provided under this Booklet; or
 - iii. benefits similar to the benefits provided under this Booklet are provided for or are available to you pursuant to or in accordance with the requirements of any state or federal law (e.g., COBRA, Medicaid); and

- b) the benefits provided under the sources referred to in paragraph 4.a.i or the benefits provided or available under the source referred to in paragraph 4.a.ii. and 4.a.iii. above, together with the benefits provided by our converted policy would result in over insurance in accordance with our over insurance standards, as determined by us.

We have no obligation to notify you of this conversion privilege when your coverage terminates or at any other time. It is your sole responsibility to exercise this conversion privilege by submitting a BCBSF converted policy application and the initial premium payment to us on a timely basis. The converted policy may be issued without evidence of insurability and shall be effective the day following the day your coverage under the Group Master Policy terminated.

Note: Our converted policies are not a continuation of coverage under COBRA or any other states' similar laws. Coverage and benefits provided under a converted policy will not be identical to the coverage and benefits provided under this Booklet. When applying for our converted policy, you have two options: 1) a converted policy providing major medical coverage meeting the requirements of 627.6675(10) Florida Statutes or 2) a converted policy providing coverage and benefits identical to the coverage and benefits required to be provided under a small employer standard health benefit plan pursuant to Section 627.6699(12) Florida Statutes.

In any event, we will not be required to issue a converted policy unless required to do so by Florida law. We may have other options available to you. Call the telephone number on your Identification card for more information.

Section 15: Extension of Benefits

Extension of Benefits

In the event the Group Master Policy is terminated, we will not provide coverage for any Service rendered on or after the termination date. The extension of benefits provisions described below only apply when the entire Group Master Policy is terminated. The extension of benefits described in this section do not apply when your coverage terminates if the Group Master Policy remains in effect. The extension of benefits provisions are subject to all of the other provisions, including the limitations and exclusions.

Note: It is your sole responsibility to provide acceptable documentation to us showing that you are entitled to an extension of benefits.

1. In the event you are totally disabled on the termination date of the Group Master Policy as a result of a specific Accident or illness incurred while you were covered under this Booklet, as determined by us, we will provide a limited extension of benefits for the disabled individual only. This extension of benefits is for Covered Services necessary to treat the disabling Condition only. This extension of benefits will only continue as long as the disability is continuous and uninterrupted. In any event, this extension of benefits will automatically terminate at the end of the 12-month period beginning on the termination date of the Group Master Policy.

For purposes of this section, you will be considered “totally disabled” only if, in our opinion, you are unable to work at any gainful job for which you are suited by education, training, or experience, and you require regular care and attendance by a Physician. You are totally disabled only if, in our opinion, you are unable to perform those normal day-to-day activities which you would otherwise perform and you require regular care and attendance by a Physician.

2. In the event you are receiving covered dental treatment as of the termination date of the Group Master Policy, we will provide a limited extension of such covered dental treatment provided:
 - a) a course of dental treatment or dental procedures were recommended in writing and commenced in accordance with the terms specified herein while you were covered under the Group Master Policy;
 - b) the dental procedures were procedures for other than routine examinations, prophylaxis, x-rays, sealants, or orthodontic services; and
 - c) the dental procedures were performed within 90 days after the Group Master Policy terminated.

This extension of benefits is for Covered Services necessary to complete the dental treatment only. This extension of benefits will automatically terminate at the end of the 90-day period beginning on the termination date of the Group Master Policy or on the date you become covered under a succeeding insurance, health maintenance organization or self-insured plan providing coverage or Services for similar dental procedures. You are not required to be totally disabled in order to be eligible for this extension of benefits.

Please refer to the Dental Care category of the “What Is Covered?” section for a description of the dental care Services covered under this Booklet.

3. In the event you are pregnant as of the termination date of the Group Master Policy, we will provide a limited extension of the maternity expense benefits provided by this Booklet, provided the pregnancy commenced while the pregnant individual was covered under the Group Master Policy, as determined by us. This extension of benefits is for Covered Services necessary to treat the pregnancy only. This extension of benefits will automatically terminate on the date of the birth of the child. You are not required to be totally disabled in order to be eligible for this extension of benefits.

Section 16: The Effect of Medicare Coverage/ Medicare Secondary Payer Provisions

When you become covered under Medicare and continue to be eligible and covered under the Group Master Policy, our coverage will be primary and the Medicare benefits will be secondary, but only to the extent required by law. In all other instances, our coverage will be secondary to any Medicare benefits. To the extent we are the primary payer, claims for Covered Services should be filed with us first.

Under Medicare, your Group MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to you. Also, your Group MAY NOT induce you to decline or terminate your group health insurance coverage and elect Medicare as primary payer.

If you become 65 or become eligible for Medicare due to End Stage Renal Disease (“ESRD”), you must notify your Group.

Individuals With End Stage Renal Disease

If you are entitled to Medicare coverage because of ESRD, we will provide group health coverage on a primary basis for 30 months beginning with the earlier of:

1. the month in which you became entitled to Medicare Part A ESRD benefits; or
2. the first month in which you would have been entitled to Medicare Part A ESRD benefits if a timely application had been made.

If Medicare was primary prior to the time you became eligible due to ESRD, then Medicare will remain primary (i.e., persons entitled due to disability whose employer has less than 100 employees, retirees and/or their spouses over the age of 65). Also, if group health insurance coverage was primary prior to ESRD entitlement, then the group health insurance coverage will remain primary for the ESRD coordination period. If you become eligible for Medicare due to ESRD, we will provide group health coverage, as described in this section, on a primary basis for 30 months.

Disabled Active Individuals

We will provide primary coverage to you if:

1. the Group is a part of a health plan that has covered employees of at least one employer of 100 or more full-time or part-time employees on 50 percent or more of its regular business days during the previous Calendar Year; and
2. you are entitled to Medicare coverage because of disability (unless you have ESRD).

Primary coverage under the Group Master Policy is subject to the following terms:

1. For a Covered Person, we will provide coverage on a primary basis during any month in which that individual meets the description set out in the above paragraphs.
2. Individual entitlement to primary coverage under this subsection will terminate automatically when:
 - a) the Covered Person turns 65 years of age; or
 - b) the Covered Person no longer qualifies for Medicare coverage because of disability; or
 - c) the Covered Person elects Medicare as the primary payer. Coverage will terminate as of the day of such election.

3. Entitlement of the Covered Person to primary coverage under this subsection will terminate automatically if the Covered Employee no longer qualifies as such under applicable Medicare regulations and instructions. The Group must notify us, without delay, of any such change in status.

Miscellaneous

This section shall be subject to, modified (if necessary) to conform to or comply with, and interpreted with reference to the requirements of federal statutory and regulatory Medicare Secondary Payer provisions as those provisions relate to Medicare beneficiaries who are covered under the Group Master Policy.

1. We will not be liable to the Group or to any individual covered under the Group Master Policy on account of any nonpayment of primary benefits resulting from any failure of performance of the Group's obligations as described in this section.
2. If we should elect to make primary payments for Covered Services rendered to an employee or Dependent described in this section in a period prior to receipt of the information required by the terms of this section, we may require the Group to reimburse us for such payments. Alternatively, we may require the Group to pay the Rate differential that resulted from the Group's failure to provide us with the required information in a timely manner.

Section 17: Duplication of Coverage Under Other Health Plans/Programs

Coordination of Benefits

Coordination of Benefits ("COB") is a limitation of coverage and/or benefits to be provided by us. This provision is required by and subject to applicable federal and/or Florida law concerning coordination of health insurance benefits and will be modified to the extent necessary to enable us to comply with such laws.

COB determines the manner in which expenses will be paid when you are covered under more than one health plan, program, or policy providing benefits for Health Care Services. COB is designed to avoid the costly duplication of payment for Covered Services. It is your responsibility to provide us and your Physician with information concerning any duplication of coverage under any other health plan, program, or policy you or your Covered Dependents may have. This means you must notify us in writing if you have other applicable coverage or if there is no other coverage. You may be requested to provide this information at initial enrollment, by written correspondence annually thereafter, or in connection with a specific Health Care Service you receive. If we do not receive the information we request from you, we may deny your claims and you will be responsible for payment of any expenses related to denied claims.

Health plans, programs or policies which may be subject to COB include, but are not limited to, the following which will be referred to as "plan(s)" for purposes of this section:

1. any group or non-group health insurance, group-type self-insurance, or HMO plan;
2. any group plan issued by any Blue Cross and/or Blue Shield organization(s);
3. any other plan, program or insurance policy, including an automobile PIP insurance policy and/or medical payment coverage which the law permits us to coordinate benefits with;
4. Medicare, as described in "The Effect of Medicare Coverage/Medicare Secondary Payer Provisions" section; and
5. to the extent permitted by law, any other government sponsored health insurance program.

The amount of our payment, if any, when we coordinate benefits under this section, is based on whether or not we are the primary payer. When we are primary, we will pay for Covered Services without regard to coverage under other plans. When we are not primary, our payment for Covered Services may be reduced so that total benefits under all your plans will not exceed 100 percent of the total reasonable expenses actually incurred for Covered Services. For purposes of this section, in the event you receive Covered Services from a NetworkBlue Provider or an Out-of-Network Provider who participates in our Traditional Program, "total reasonable expenses" shall mean the amount we are obligated to pay to the Provider pursuant to the applicable agreement we have with such Provider. **In the event that the primary payer's payment exceeds our Allowed Amount, no payment will be made for such Services.**

The following rules shall be used to establish the order in which benefits under the respective plans will be determined:

1. When we cover you as a Covered Dependent and the other plan covers you as other than a dependent, we will be secondary.
2. When we cover a dependent child whose parents are not separated or divorced:
 - a) the plan of the parent whose birthday, excluding year of birth, falls earlier in the year will be primary; or

- b) if both parents have the same birthday, excluding year of birth, and the other plan has covered one of the parents longer than us, we will be secondary.
- 3. When we cover a dependent child whose parents are separated or divorced:
 - a) if the parent with custody is not remarried, the plan of the parent with custody is primary;
 - b) if the parent with custody has remarried, the plan of the parent with custody is primary; the step-parent's plan is secondary; and the plan of the parent without custody pays last;
 - c) regardless of which parent has custody, whenever a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is primary.
- 4. When we cover a dependent child and the dependent child is also covered under another plan:
 - a) the plan of the parent who is neither laid off nor retired will be primary; or
 - b) if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
- 5. When rules 1, 2, 3, and 4 above do not establish an order of benefits, the plan which has covered you the longest shall be primary.
 We will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare supplement policy.
- 6. If you are covered under a COBRA continuation plan as a result of the purchase of coverage as provided under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, and also under another group plan, the following order of benefits applies:
 - a) first, the plan covering the person as an employee, or as the employee's Dependent; and
 - b) second, the coverage purchased under the plan covering the person as a former employee, or as the former employee's Dependent provided according to the provisions of COBRA.
- 7. If the other plan does not have rules that establish the same order of benefits as under this Booklet, the benefits under the other plan will be determined primary to the benefits under this Booklet.

Facility of Payment

Whenever payments which are payable by us under this Booklet are made by any other person, plan, or organization, we will have the right, exercisable alone and in our sole discretion, to pay over to any such person, plan, or organization making such other payments, any amounts we determine to be required in order to satisfy our coverage obligations hereunder. Amounts so paid shall be deemed to be paid under this Booklet and, to the extent of such payments, we will be fully discharged from liability.

Non-Duplication of Government Programs and Workers' Compensation

The benefits under this Booklet shall not duplicate any benefits to which you or your Covered Dependents are entitled to or eligible for under government programs (e.g., Medicare, Medicaid, Veterans Administration) or Workers' Compensation to the extent allowed by law, or under any extension of benefits of coverage under a prior plan or program which may be provided or required by law.

Section 18: Subrogation

If you are injured or become ill as a result of another person's or entity's intentional act, negligence or fault, you must notify us concerning the circumstances under which you were injured or became ill. You or your lawyer must notify us, by certified or registered mail, if you intend to claim damages from someone for injuries or illness. If you recover money to compensate for the cost/expense of Health Care Services to treat your illness or injury, we are legally entitled to recover payments made on your behalf to the doctors, hospitals, or other providers who treated you. Our legal right to recover money we have paid in such cases is called "subrogation". We may recover the amount of any payments we made on your behalf minus our pro rata share for any costs and attorney fees incurred by you in pursuing and recovering damages. We may subrogate against all money recovered regardless of the source of the money including, but not limited to, uninsured motorists coverage. Although we may, but are not required to, take into consideration any special factors relating to your specific case in resolving our subrogation claim, we will have the first right of recovery out of any recovery or settlement amount you are able to obtain even if you or your attorney believes that you have not been made whole for your losses or damages by the amount of the recovery or settlement.

You must do nothing to prejudice our right of subrogation hereunder and no waiver, release of liability, or other documents executed by you, without notice to us and our written consent, will be binding upon us.

Section 19: Right of Reimbursement

If any payment under this Booklet is made to you or on your behalf with respect to any injury or illness resulting from the intentional act, negligence, or fault of a third person or entity, we will have a right to be reimbursed by you (out of any settlement or judgment proceeds you recover) one dollar (\$1.00) for each dollar paid under the terms of this Booklet minus a pro rata share for any costs and attorney fees incurred in pursuing and recovering such proceeds.

Our right of reimbursement will be in addition to any subrogation right or claim available to us, and you must execute and deliver such instruments or papers pertaining to any settlement or claim, settlement negotiations, or litigation as may be requested by us to exercise our right of reimbursement hereunder. You or your lawyer must notify us, by certified or registered mail, if you intend to claim damages from someone for injuries or illness. You must do nothing to prejudice our right of reimbursement hereunder and no waiver, release of liability, or other documents executed by you, without notice to us and our written consent, will be binding upon us.

Section 20: Claims Processing

Introduction

This section is intended to:

- help you understand what you or your treating Providers must do, under the terms of this Benefit Booklet, in order to obtain payment for expenses for Covered Services they have rendered or will render to you; and
- provide you with a general description of the applicable procedures we will use for making Adverse Benefit Determinations, Concurrent Care Decisions and for notifying you when we deny benefits.

If your Group Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), your plan administrator is solely responsible for complying with ERISA. While the benefit determination timeliness standards set forth in this section are generally consistent with ERISA, we are not legally responsible for notifying you of any rights you may have under ERISA. If you are not sure of your rights under ERISA, you should contact your plan administrator or an attorney of your choice. We will follow the claim determination procedures and notice requirements set forth in this section even if your Group Plan is not subject to ERISA.

Under no circumstances will we be held responsible for, nor will we accept liability relating to, the failure of your Group Plan's sponsor or plan administrator to: 1) comply with ERISA's disclosure requirements; 2) provide you with a Summary Plan Description (SPD) as that term is defined by ERISA; or 3) comply with any other legal requirements. You should contact your plan sponsor or administrator if you have questions relating to your Group Plan's SPD. We are not your Group Plan's sponsor or plan administrator. In most cases, a plan's sponsor or plan administrator is the employer who establishes and maintains the plan.

Types of Claims

For purposes of this Benefit Booklet, there are three types of claims: 1) Pre-Service Claims; 2) Post-Service Claims; and 3) Claims Involving Urgent Care. It is important that you become familiar with the types of claims that can be submitted to us and the timeframes and other requirements that apply.

Post-Service Claims

How to File a Post-Service Claim

We have defined and described the three types of claims that may be submitted to us. Our experience shows that the most common type of claim we will receive from you or your treating Providers will likely be Post-Service Claims.

In-Network Providers have agreed to file Post- Service Claims for Services they render to you. In the event a Provider who renders Services to you does not file a Post-Service Claim for such Services, it is your responsibility to file it with us.

We must receive a Post-Service Claim within 90 days of the date the Health Care Service was rendered or, if it was not reasonably possible to file within such 90-day period, as soon as possible. In any event, no Post-Service Claim will be considered for payment if we do not receive it at the address indicated on your Identification Card within one year of the date the Service was rendered unless you were legally incapacitated.

For Post-Service Claims, we must receive an itemized statement from the health care Provider for the Service rendered along with a completed claim form. The itemized statement must contain the following information:

1. the date the Service was provided;
2. a description of the Service including any applicable procedure code(s);
3. the amount actually charged by the Provider;
4. the diagnosis including any applicable diagnosis code(s);
5. the Provider's name and address;
6. the name of the individual who received the Service; and
7. the Covered Employee's name and contract number as they appear on the Identification Card.

The itemized statement and claim form must be received by us at the address indicated on your Identification Card.

Note: If your Group purchased retail pharmacy prescription drug coverage, please refer to the pharmacy program Endorsement for information on the processing of prescription drug claims. Further, special claims processing rules may apply for Health Care Services you receive outside the state of Florida under the BlueCard® Program (See the "BlueCard® (Out-of-State) Program" section of this Booklet).

The Processing of Post-Service Claims

We will use our best efforts to pay, contest, or deny all Post-Service Claims for which we have all of the necessary information, as determined by us. Post-Service Claims will be paid, contested, or denied within the timeframes described below.

- **Payment for Post-Service Claims**

When payment is due under the terms of this Benefit Booklet, we will use our best efforts to pay (in whole or in part) for electronically submitted Post-Service Claims within 20 days of receipt. Likewise, we will use our best efforts to pay (in whole or in part) for paper Post-Service Claims within 40 days of receipt. You may receive notice of payment for paper claims within 30 days of receipt. If we are unable to determine whether the claim or a portion of the claim is payable because we need more or additional information, we may contest the claim within the timeframes set forth below.

- **Contested Post-Service Claims**

In the event we contest an electronically submitted Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is contested. In the event we contest a Post-Service Claim submitted on a paper claim form, or a portion of such a claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is contested. Our notice may identify: 1) the contested portion or portions of the claim; 2) the reason(s) for contesting the claim or a portion of the claim; and 3) the date that we reasonably expect to notify you of the decision. The notice may also indicate whether additional information is needed in order to complete processing of the claim. If we request additional information, we must receive it within 45 days of our request for the information. **If we do not receive the requested information, the claim or a portion of the claim will be adjudicated based on the information in our possession at the time and may be denied.** Upon receipt of the requested information, we will use our best efforts to complete the processing of the Post-Service Claim within 15 days of receipt of the information.

- **Denial of Post-Service Claims**

In the event we deny a Post-Service Claim submitted electronically, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is denied. In the event we deny a paper Post-Service Claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is denied.

The notice may identify the denied portion(s) of the claim and the reason(s) for denial. It is your responsibility to ensure that we receive all information determined by us as necessary to adjudicate a Post-Service Claim. **If we do not receive the necessary information, the claim or a portion of the claim may be denied.**

A Post-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards and appeal procedures described in this section.

Additional Processing Information for Post-Service Claims

In any event, we will use our best efforts to pay or deny all: 1) electronic Post-Service Claims within 90 days of receipt of the completed claim; and 2) Post-Service paper claims within 120 days of receipt of the completed claim. Claims processing shall be deemed to have been completed as of the date the notice of the claims decision is deposited in the mail by us or otherwise electronically transmitted. Any claims payment relating to a Post-Service Claim that is not made by us within the applicable timeframe is subject to the payment of simple interest at the rate established by the Florida Insurance Code.

We will investigate any allegation of improper billing by a Provider upon receipt of written notification from you. If we determine that you were billed for a Service that was not actually performed, any payment amount will be adjusted and, if applicable, a refund will be requested. In such a case, if payment to the Provider is reduced due solely to the notification from you, we will pay you 20 percent of the amount of the reduction, up to a total of \$500.

Pre-Service Claims

How to File A Pre-Service Claim

This Benefit Booklet may condition coverage, benefits, or payment (in whole or in part), for a specific Covered Service, on the receipt by us of a Pre-Service Claim as that term is defined herein. In order to determine whether we must receive a Pre-Service Claim for a particular Covered Service, please refer to the "What Is Covered?" section and other applicable sections of this Benefit Booklet. You may also call the customer service number on your ID card for assistance.

We are not required to render an opinion or make a coverage or benefit determination with respect to a Service that has not actually been provided to you unless the terms of this Benefit Booklet require (or condition payment upon) approval by us for the Service before it is received.

Benefit Determinations on Pre-Service Claims Involving Urgent Care

For a Pre-Service Claim Involving Urgent Care, we will use our best efforts to provide notice of our determination (whether adverse or not) as soon as possible, but not later than 72 hours after receipt of the Pre-Service Claim unless additional information is required for a coverage decision. If additional information is necessary to make a determination, we will use our best efforts to provide notice within 24 hours of: 1) the need for additional information; 2) the specific information that you or your Provider may need to provide; and 3) the date that we reasonably expect to provide notice of the decision. If we request additional information, we must receive it within 48 hours of our request. We will use our best efforts to provide notice of the decision on your Pre-Service Claim within 48 hours after the earlier of: 1) receipt of the requested information; or 2) the end of the period you were afforded to provide the specified additional information as described above.

Benefit Determinations on Pre-Service Claims that Do Not Involve Urgent Care

We will use our best efforts to provide notice of a decision on a Pre-Service Claim not involving urgent care within 15 days of receipt provided additional information is not required for a coverage decision. This 15-day determination period may be extended by us one time for up to an additional 15 days. If such an extension is necessary, we will use our best efforts to provide notice of the extension and reasons for it. We will use our best efforts to provide notification of the decision on your Pre-Service claim within a total of 30 days of the initial receipt of the claim, if an extension of time was taken by us.

If additional information is necessary to make a determination, we will use our best efforts to: 1) provide notice of the need for additional information, prior to the expiration of the initial 15-day period; 2) identify the specific information that you or your Provider may need to provide; and 3) inform you of the date that we reasonably expect to notify you of our decision. If we request additional information, we must receive it within 45 days of our request for the information. We will use our best efforts to provide notification of the decision on your Pre-Service Claim within 15 days of receipt of the requested information.

A Pre-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards and appeal procedures described in this section.

Concurrent Care Decisions

Reduction or Termination of Coverage or Benefits for Services

A reduction or termination of coverage or benefits for Services will be considered an Adverse Benefit Determination when:

- we have approved in writing coverage or benefits for an ongoing course of Services to be provided over a period of time or a number of Services to be rendered; and
- the reduction or termination occurs before the end of such previously approved time or number of Services; and
- the reduction or termination of coverage or benefits by us was not due to an amendment of this Benefit Booklet or termination of your coverage as provided by this Benefit Booklet.

We will use our best efforts to notify you of such reduction or termination in advance so that you will have a reasonable amount of time to have the reduction or termination reviewed in accordance with the Adverse Benefit Determination standards and procedures described below. In no event shall we be required to provide more than a reasonable period of time within which you may develop your appeal before we actually terminate or reduce coverage for the Services.

Requests for Extension of Services

Your Provider may request an extension of coverage or benefits for a Service beyond the approved period of time or number of approved Services. If the request for an extension is for a Claim Involving Urgent Care, we will use our best efforts to notify you of the approval or denial of such requested extension within 24 hours after receipt of your request, provided it is received at least 24 hours prior to the expiration of the previously approved number or length of coverage for such Services. We will use our best efforts to notify you within 24 hours if: 1) we need additional information; or 2) you or your representative failed to follow proper procedures in your request for an extension. If we request additional information, you will have 48 hours to provide the requested information. We may notify you orally or in writing, unless you or your representative specifically request that it be in writing.

A denial of a request for extension of Services is considered an Adverse Benefit Determination and is subject to the Adverse Benefit Determination review procedure below.

Standards for Adverse Benefit Determinations

Manner and Content of a Notification of an Adverse Benefit Determination

We will use our best efforts to provide notice of any Adverse Benefit Determination in writing. Notification of an Adverse Benefit Determination will include (or will be made available to you free of charge upon request):

- the specific reason or reasons for the Adverse Benefit Determination;
- a reference to the specific Benefit Booklet provisions upon which the Adverse Benefit Determination is based, as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;
- a description of any additional information that might change the determination and why that information is necessary;
- a description of the Adverse Benefit Determination review procedures and the time limits applicable to such procedures; and
- if the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how you can obtain the specific explanation of the scientific or clinical judgment for the determination.

If your claim is a Claim Involving Urgent Care, we may notify you orally within the proper timeframes, provided we follow-up with a written or electronic notification meeting the requirements of this subsection no later than three days after the oral notification.

How to Appeal an Adverse Benefit Determination

You, or a representative designated by you in writing, have the right to appeal an Adverse Benefit Determination. We will review your appeal through the review process described below. Your appeal must be submitted in writing to us within 365 days of the original Adverse Benefit Determination, except in the case of Concurrent Care Decisions which may, depending upon the circumstances, require you to file within a shorter period of time from notice of the denial. The following guidelines are applicable to reviews of Adverse Benefit Determinations:

- We must receive your appeal of an Adverse Benefit Determination in person or in writing;
- You may request to review pertinent documents, such as any internal rule, guideline, protocol, or similar criterion relied upon to make the determination, and submit issues or comments in writing;
- If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational limitations and exclusions or other similar exclusions or limitations, you may request, free of charge, an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of this Benefit Booklet to your medical circumstances;
- During the review process, the Services in question will be reviewed without regard to the decision reached in the initial determination;
- We may consult with appropriate Physicians, as necessary;
- Any independent medical consultant who reviews your Adverse Benefit Determination on our behalf will be identified upon request; and
- If your claim is a Claim Involving Urgent Care, you may request an expedited appeal orally or in writing in which case all necessary information on review may be transmitted between you and us by telephone, facsimile or other available expeditious method.

Your request for appeal should be sent to the address below:

Blue Cross and Blue Shield of Florida, Inc.

Attention PPO Appeals / DC4
P.O. Box 44197
Jacksonville, Florida 32231-4197

Timing of Our Appeal Review on Adverse Benefit Determinations

We will use our best efforts to review your appeal of an Adverse Benefit Determination and communicate the decision in accordance with the following time frames:

- Pre-Service Claims-- within 30 days of the receipt of your appeal; or
- Post-Service Claims-- within 60 days of the receipt of your appeal; or
- Claims Involving Urgent Care (and requests to extend concurrent care Services made within 24 hours prior to the termination of the Services)-- within 72 hours of receipt of your request. If additional information is necessary we will notify you within 24 hours and we must receive the requested additional information within 48 hours of our request. After we receive the additional information, we will have an additional 48 hours to make a final determination.

Note: The nature of a claim for Services (i.e. whether it is "urgent care" or not) is judged as of the time of the benefit determination on review, not as of the time the Service was initially reviewed or provided.

You, or a Provider acting on your behalf, who has had a claim denied as not Medically Necessary has the opportunity to appeal the claim denial. The appeal may be directed to an employee of BCBSF who is a licensed Physician responsible for Medical Necessity reviews. The appeal may be by telephone and the Physician will respond to you, within a reasonable time, not to exceed 15 business days.

Additional Claims Processing Provisions

1. Release of Information/Cooperation:

In order to process claims, we may need certain information, including information regarding other health care coverage you may have. You must cooperate with us in our effort to obtain such information by, among other ways, signing any release of information form at our request. Failure by you to fully cooperate with us may result in a denial of the pending claim and we will have no liability for such claim.

2. Physical Examination:

In order to make coverage and benefit decisions, we may, at our expense, require you to be examined by a health care Provider of our choice as often as is reasonably necessary while a claim is pending. Failure by you to fully cooperate with such examination shall result in a denial of the pending claim and we shall have no liability for such claim.

3. Legal Actions:

No legal action arising out of or in connection with coverage under this Benefit Booklet may be brought against us within the 60-day period following our receipt of the completed claim as required herein. Additionally, no such action may be brought after expiration of the applicable statute of limitations.

4. Fraud, Misrepresentation or Omission in Applying for Benefits:

We rely on the information provided on the itemized statement and the claim form when processing a claim. All such information, therefore, must be accurate, truthful and complete. Any fraudulent statement, omission or concealment of facts, misrepresentation, or incorrect information may result, in addition to any other legal remedy we may have, in denial of the claim or cancellation or rescission of your coverage.

5. Explanation of Benefits Form:

All claims decisions, including denial and claims review decisions, will be communicated to you in writing either on an explanation of benefits form or some other written correspondence. This form may indicate:

- a) The specific reason or reasons for the Adverse Benefit Determination;
- b) Reference to the specific Benefit Booklet provisions upon which the Adverse Benefit Determination is based as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;
- c) A description of any additional information that would change the initial determination and why that information is necessary;
- d) A description of the applicable Adverse Benefit Determination review procedures and the time limits applicable to such procedures; and
- e) If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how you can obtain the specific explanation of the scientific or clinical judgment for the determination.

6. Circumstances Beyond Our Control:

To the extent that natural disaster, war, riot, civil insurrection, epidemic, or other emergency or similar event not within our control, results in facilities, personnel or our financial resources being unable to process claims for Covered Services, we will have no liability or obligation for any delay in the payment of claims for Covered Services, except that we will make a good faith effort to make payment for such Services, taking into account the impact of the event. For the purposes of this paragraph, an event is not within our control if we cannot effectively exercise influence or dominion over its occurrence or non-occurrence.

ERISA Civil Action Provision

A federal law known as the Employee Retirement Security Act of 1974 (ERISA), as amended, may apply to the Group Plan. If ERISA applies to the Group Plan, you or your Covered Dependents are entitled, after exhaustion of the appeal procedures provided for in this section, to pursue civil action under Section 502(a) of ERISA in connection with an Adverse Benefit Determination or any other legal or equitable remedy otherwise available.

Section 21: Relationships Between the Parties

BCBSF and Health Care Providers

Neither BCBSF nor any of its officers, directors or employees provides Health Care Services to you. Rather, we are engaged in making coverage and benefit decisions under this Booklet. By accepting our coverage and benefits, you agree that making such coverage and benefit decisions does not constitute the rendering of Health Care Services and that health care Providers rendering those Services are not our employees or agents. **In this regard, we hereby expressly disclaim any agency relationship, actual or implied, with any health care Provider.** We do not, by virtue of making coverage, benefit, and payment decisions, exercise any control or direction over the medical judgment or clinical decisions of any health care Provider. Any decisions we make concerning appropriateness of setting, or whether any Service is Medically Necessary, shall be deemed to be made solely for purposes of determining whether such Services are covered, and not for purposes of recommending any treatment or non-treatment. Neither BCBSF nor the Group will assume liability for any loss or damage arising as a result of acts or omissions of any health care Provider.

BCBSF and the Group

Neither the Group nor any person covered under this Booklet is our agent or representative, and neither shall be liable for any acts or omissions by our agents, servants, employees, or us. Additionally, we will not be liable, whether in tort or contract or otherwise, for any acts or omissions of any other person or organization with which we have made or hereafter make arrangements for the provision of Covered Services. We are not your agent, servant, or representative nor are we an agent, servant, or representative of the Group and we will not be liable for any acts or omissions, or those of the Group, its agents, servants, employees, or any person or organization with which the Group has entered into any agreement or arrangement. By acceptance of coverage and benefits hereunder, you agree to the foregoing.

Medical Treatment Decisions - Responsibility of Your Physician, Not BCBSF

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for medical Services or supplies, must be made solely by your family and your treating Physician in accordance with the patient/physician relationship. It is possible that you or your treating Physician may conclude that a particular procedure is needed, appropriate, or desirable, even though such procedure may not be covered.

Section 22: General Provisions

Access to Information

We have the right to receive, from you and any health care Provider rendering Services to you, information that is reasonably necessary, as determined by us, in order to administer the coverage and benefits we provide, subject to all applicable confidentiality requirements listed below. By accepting coverage, you authorize every health care Provider who renders Services to you, to disclose to us or to entities affiliated with us, upon request, all facts, records, and reports pertaining to your care, treatment, and physical or mental Condition, and to permit us to copy any such records and reports so obtained.

Right to Receive Necessary Information

In order to administer coverage and benefits, we may, without the consent of, or notice to, any person, plan, or organization, obtain from any person, plan, or organization any information with respect to any person covered under this Booklet or applicant for enrollment which we deem to be necessary.

Amendment

Prior to purchase, you must pay your Cost Share amount as listed in the Pharmacy Schedule of Benefits and present your BCBSF ID Card and the Pharmacy must be able to verify that we, in fact, cover you.

When charges for Covered Prescription Drugs and Supplies or Covered OTC Drugs by an Exclusive Pharmacy are less than the required Copayment, the amount you will pay depends on the agreement then in effect between the Pharmacy and us or our Pharmacy Benefit Manager and will be one of the following:

1. the usual and customary charge of such Pharmacy as if it were not an Exclusive Pharmacy;
2. the charge under the Pharmacy's agreement with us or our Pharmacy Benefit Manager; or
3. the Copayment if less than the usual and customary charge of such Pharmacy.

Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional Drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local Pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

These Specialty Drugs can only be purchased from a Specialty Pharmacy. Specialty Pharmacies are a subset of Exclusive Pharmacies and are designated solely by us, as the Pharmacies where you can purchase Specialty Drugs under this Pharmacy Program. Any Pharmacy not designated by us as a Specialty Pharmacy is considered Out-of-Network for Specialty Drugs, even if such Pharmacy is an Exclusive Pharmacy for other Covered Prescription Drugs under this Pharmacy Program.

For additional details on how to obtain Covered Prescription Specialty Drugs from a Specialty Pharmacy, refer to the Medication Guide.

Mail Order Pharmacy

For details on how to obtain Covered Prescription Drugs and Supplies and OTC Drugs from the Mail Order Pharmacy, refer to the Medication Guide or the Mail Order Pharmacy Brochure.

Note: Specialty Drugs are not available through the Mail Order Pharmacy.

Out-of-Network Pharmacies

A Prescription Drug, OTC Drug or Self-Administered Injectable Prescription Drug purchased from an Out-of-Network Pharmacy is covered under this Pharmacy Program **only** if for Emergency Services or authorized by us.

When Covered Prescription Drugs and Supplies or Covered OTC Drugs are purchased from an Out-of-Network Pharmacy for Emergency Services or when authorized by us, you may have to pay the full cost of the Drug at the time of purchase.

In order to be reimbursed for Covered Prescription Drugs and Supplies or Covered OTC Drugs purchased from an Out-of-Network Pharmacy, you must submit an itemized paid receipt to us at the address on your ID Card.

Accessing Services Outside of the Service Area

Services subject to an Exclusive Provider Provision, as identified on your Pharmacy Schedule of Benefits, must be provided by Exclusive Pharmacies that are generally found within the Service Area. If, however, you are traveling outside the Service Area and need Emergency Services to treat an Emergency Medical Condition and Exclusive Pharmacies are not reasonably available to provide Services subject to an Exclusive Provider Provision, we will cover such Services as if they had been provided by an Exclusive Provider.

Quality Assurance

Quality assurance is a formal methodology and set of activities designed to assess the quality of Health Care Services provided. Quality assurance includes formal review of care, problem identification, corrective actions to remedy identified deficiencies and evaluation of actions taken. We have a quality assurance program in place to assess the Services of Exclusive Pharmacies.

Pharmacy Utilization Review Programs

Our pharmacy utilization review programs are intended to encourage the responsible use of Drugs and Supplies.

We may, at our sole discretion, require that Prescriptions for select Prescription Drugs and Supplies or OTC Drugs be reviewed under our pharmacy utilization review programs, then in effect, in order for there to be coverage for them. Under these programs, there may be limitations or conditions on coverage for select Prescription Drugs and Supplies and OTC Drugs, depending on the quantity, frequency or type of Drug or Supply Prescribed.

Note: If coverage is not available, or is limited, this does not mean that you cannot obtain the Drug or Supply from the Pharmacy. It only means that we will not cover or pay for the Drug or Supply. You are always free to purchase the Prescription Drug or Supply at your sole expense.

Our pharmacy utilization review programs include the following:

Responsible Steps Program

Under this program, we may exclude from coverage certain Prescription Drugs and OTC Drugs unless you have first tried designated Drug(s) identified in the Medication Guide in the order indicated. In order for there to be coverage for such Prescription Drugs and OTC Drugs prescribed by your Physician, we must receive written documentation from you and your Physician that the designated Drugs in the Medication Guide are not appropriate for you because of a documented allergy, ineffectiveness or side effects.

Prior to filling your Prescription, your Physician may, but is not required to, contact us to request coverage for a Prescription Drug or OTC Drug subject to the Responsible Steps by following the procedures for prior coverage authorization outlined in the Medication Guide.

Responsible Quantity Program

Under this program, we may exclude from coverage any Prescription Drug or OTC Drug prescribed in excess of the Maximum specified in the Medication Guide.

Prior Coverage Authorization Program

You are required to obtain prior coverage authorization from us in order for certain Prescription Drugs and Supplies and OTC Drugs to be covered. **Failure to obtain authorization will result in denial of coverage.** Prescription Drugs and Supplies and OTC Drugs requiring prior coverage authorization are designated in the Medication Guide.

Note: Prior Coverage Authorizations expire on the earlier of, but not to exceed 12 months:

1. the termination date of your policy, or
2. the period authorized by us, as indicated in the letter you receive from us.

Subject to our review and approval, we may authorize continued coverage of a previously approved Prescription Drug. To request a continuation we must receive appropriate documentation from your Provider. The fact that we may have previously authorized coverage does not guarantee a continued authorization.

For additional details on how to obtain prior coverage authorization refer to the Medication Guide.

Information on our pharmacy utilization review programs is published in the Medication Guide at www.floridablue.com, or you may call the customer service phone number on your ID Card. Your Pharmacist may also advise you if a Prescription Drug requires prior coverage authorization.

Ultimate Responsibility for Medical Decisions

The pharmacy utilization review programs have been established solely to determine whether coverage or benefits for Drugs and Supplies will be provided under the applicable terms of the Benefit Booklet. Ultimately, the final decision concerning whether a Drug or Supply should be prescribed must be made by you and the prescribing Physician. Decisions made by us in authorizing coverage are made only to determine whether coverage or benefits are available under the Benefit Booklet and not for the purpose of providing or recommending care or treatment. We reserve the right to modify or terminate these programs at any time.

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for a Drug or Supply must be made solely by you and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular Drug or Supply is needed, appropriate, or desirable, even though such Drug or Supply may not be authorized for coverage by us. In such cases, it is your right and responsibility to decide whether the Drug or Supply should be purchased even if we have indicated that coverage and payment will not be made for such Prescription Drug or Supply.

The percentage you are responsible for is your Coinsurance.

Copayment means, when applicable, the amount you must pay to an Exclusive Pharmacy for each Covered Prescription Drug and Supply and/or Covered OTC Drug, at the time of purchase, as set forth in the Pharmacy Schedule of Benefits.

Coverage for all New Prescription Drugs will be delayed until a review is completed by our Pharmacy and Therapeutics Committee (or, in the case of medical benefits, our Medical Policy Committee), resulting in a final coverage determination. The New Prescription Drug Coverage delay begins on the date the Prescription Drug, or new dosage form, is approved by the FDA and ends on the earlier of the following dates:

1. The date the Prescription Drug is assigned to a tier by our Pharmacy and Therapeutics Committee (or, in the case of medical benefits, the date our Medical Policy Committee makes a final coverage determination).

or

2. December 31st of the following Calendar Year.

The third guideline is deleted in its entirety and replaced with the following:

- If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational exclusion, you may request, free of charge, an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of this Benefit Booklet to your medical circumstances.

The following guidelines are added:

- If you wish to give someone else permission to appeal an Adverse Benefit Determination on your behalf, we must receive a completed Appointment of Representative form signed by you indicating the name of the person who will represent you with respect to the appeal. An Appointment of Representative form is not required if your Physician is appealing an Adverse Benefit Determination relating to a Claim Involving Urgent Care. Appointment of Representative forms are available at www.floridablue.com or by calling the number on the back of your BCBSF ID Card.
- If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service, or the Experimental or Investigational nature of a Service, you have the right to an independent external review through the External Review Organization designated in the How to Request External Review of Our Appeal Decision subsection of this section. Your right to an External Review applies only when the Service is actually rendered by Physicians licensed as Doctors of Medicine (M.D.) or Doctors of Osteopathy (D.O.).

The **How to Appeal an Adverse Benefit Determination** subsection is further amended by replacing the address information with the following:

Requests for an internal appeal should be sent to the address below:

How to Request External Review of Our Appeal Decision

If you are not satisfied with our internal review of your appeal of an Adverse Benefit Determination based on the lack of Medical Necessity or Experimental or Investigational nature of a Service you received from Physicians licensed as Doctors of Medicine (M.D.) or Doctors of Osteopathy (D.O.), you may appeal our decision through an External Review Organization. Our denial letter will provide information regarding this External Review Organization.

Only Adverse Benefit Determinations based on the lack of Medical Necessity or Experimental or Investigational nature of a Service you actually received will be reviewed by the External Review Organization.

The External Review Organization's determination with respect to your appeal shall be binding upon you, your Physician, and us.

The "Definitions" section is amended as follows:

The term "reliable evidence" shall be replaced with the words "credible scientific evidence" in the definition of **Experimental** or **Investigational**.

The definition of **Allowed Amount** is amended as follows:

Subparagraph number five is deleted in its entirety and replaced with the following:

5. In the case of an Out-of-Network Provider that has not entered into an agreement with BCBSF to provide access to a discount from the billed amount of that Provider for the specific Covered Services provided to you, the Allowed Amount will be the lesser of that Provider's actual billed amount for the specific Covered Services or an amount established by BCBSF that may be based on several factors including (but not necessarily limited to): (i) payment for such Services under the Medicare and/or Medicaid programs; (ii) payment often accepted for such Services by that Out-of-Network Provider and/or by other Providers, either in Florida or in other comparable market(s), that BCBSF determines are comparable to the Out-of-Network Provider that provided the specific Covered Services (which may include payment accepted by such Out-of-Network Provider and/or by other Providers as participating providers in other provider networks of third-party payers which may include, for example, other insurance companies and/or health maintenance organizations); (iii) payment amounts which are consistent, as determined by BCBSF, with BCBSF's provider network strategies (e.g., does not result in payment that encourages Providers participating in a BCBSF network to become non-participating); and/or, (iv) the cost of providing the specific Covered Services. In the case of an Out-of-Network Provider that has not entered into an agreement with another Blue Cross and/or Blue Shield organization to provide access to discounts from the billed amount for the specific

Covered Services under the BlueCard (Out-of-State) Program, the Allowed Amount for the specific Covered Services provided to you may be based upon the amount provided to BCBSF by the other Blue Cross and/or Blue Shield organization where the Services were provided at the amount such organization would pay non-participating Providers in its geographic area for such Services.

The following paragraph is added at the end of the definition of **Allowed Amount**:

Please specifically note that, in the case of an Out-of-Network Provider that has not entered into an agreement with BCBSF to provide access to a discount from the billed amount of that Provider, the Allowed Amount for particular Services is often substantially below the amount billed by such Out-of-Network Provider for such Services. You will be responsible for any difference between such Allowed Amount and the amount billed for such Services by any such Out-of-Network Provider.

The following definitions are deleted in their entirety and replaced with the following:

Medically Necessary or **Medical Necessity** means that, with respect to a Health Care Service, a Physician, exercising prudent clinical judgment, provided the Health Care Service to you for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and that the Health Care Service was:

1. in accordance with Generally Accepted Standards of Medical Practice;
2. clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for your illness, injury or disease; and
3. not primarily for your convenience, or that of your Physician or other health care Provider, and not more costly than an alternative Service or sequence of Services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of your illness.

Note: It is important to remember that any review of Medical Necessity by us is solely for the purpose of determining coverage or benefits under this Booklet and not for the purpose of recommending or providing medical care. In this respect, we may review specific medical facts or information pertaining to you. Any such review, however, is strictly for the purpose of determining, among other things, whether a Service provided or proposed meets the definition of Medical Necessity in this Booklet as determined by us. In applying the definition of Medical Necessity in this Booklet, we may apply our coverage and payment guidelines then in effect. You are free to obtain a Service even if we deny coverage because the Service is not Medically Necessary; however, you will be solely responsible for paying for the Service.

Mental and Nervous Disorder means any disorder listed in the diagnostic categories of the International Classification of Diseases, Ninth Edition, Clinical Modification (ICD-9 CM), or their equivalents in the most recently published version of the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders, regardless of the underlying cause, or effect, of the disorder.

Under Federal law, your Group Plan generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery; or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 as applicable). In any case, under Federal law, your Group Plan can only require that a provider obtain authorization for prescribing an inpatient hospital stay that exceeds 48 hours (or 96 hours).

The following **Covered Service Category** is added:

Medical Pharmacy

Physician-administered Prescription Drugs which are rendered in a Physician's office are subject to a separate Cost Share amount that is in addition to the office visit Cost Share amount. The Medical Pharmacy Cost Share amount applies to the Prescription Drug and does not include the administration of the Prescription Drug.

Your plan may also include a maximum monthly amount you will be required to pay out-of-pocket for Medical Pharmacy, when such Services are provided by an In-Network Provider or Specialty Pharmacy. If your plan includes a Medical Pharmacy out-of-pocket monthly maximum, it will be listed on your Schedule of Benefits and only applies after you have met your Deductible, if applicable.

Please refer to your Schedule of Benefits for the additional Cost Share amount and/or monthly maximum out-of-pocket applicable to Medical Pharmacy for your plan.

Note: For purposes of this benefit, allergy injections and immunizations are not considered Medical Pharmacy.

The **Newborn Care** category is amended by adding the following paragraph at the end of the category:

Under Federal law, your Group Plan generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery; or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 as applicable). In any case, under Federal law, your Group Plan can only require that a provider obtain authorization for prescribing an inpatient hospital stay that exceeds 48 hours (or 96 hours).

2. Self-Administered Prescription Drugs identified as Specialty Drugs with a special symbol in the Medication Guide when delivered to you at home and purchased at a Specialty Pharmacy or an Out-of-Network Provider that provides Specialty Drugs; and
3. Specialty Drugs used to increase height or bone growth (e.g., growth hormone), must meet the following criteria in order to be covered:
 - a) Must be prescribed for Conditions of growth hormone deficiency documented with two abnormally low stimulation tests of less than 10 ng/ml and one abnormally low growth hormone dependent peptide or for Conditions of growth hormone deficiency associated with loss of pituitary function due to trauma, surgery, tumors, radiation or disease, or for state mandated use as in patients with AIDS.
 - b) Continuation of growth hormone therapy only covered for Conditions associated with significant growth hormone deficiency when there is evidence of continued responsiveness to treatment. Treatment is considered responsive in children less than 21 years of age, when the growth hormone dependant peptide (IGF-1) is in the normal range for age and Tanner development stage; the growth velocity is at least 2 cm per year, and studies demonstrate open epiphyses. Treatment is considered responsive in both adolescents with closed epiphyses and for adults, who continue to evidence growth hormone deficiency and the IGF-1 remains in the normal range for age and gender.

The **Skilled Nursing Facilities** category is amended as follows:

Item number five is deleted in its entirety and replaced with the following:

Payment Guidelines for Surgical Assistant Services

The Allowed Amount for surgical assistant Services is limited to 20 percent of the Allowed Amount for the surgical procedure.

What Is Not Covered?

The **Drugs** exclusion is amended as follows:

Continuation of growth hormone therapy will not be covered except for Conditions associated with significant growth hormone deficiency when there is evidence of continued responsiveness to treatment. (See "What Is Covered?" section for additional information.)

Understanding Your Share of Health Care Expenses

The **Calendar Year Deductible** subsection is deleted in its entirety and replaced with the following:

Deductible Requirement

Individual Deductible

This amount, when applicable, must be satisfied by you and each of your Covered Dependents each Benefit Period, before any payment will be made by us.

Only those charges indicated on claims we receive for Covered Services will be credited toward the individual Deductible and only up to the applicable Allowed Amount. Please see your Schedule of Benefits for more information.

Family Deductible

If your plan includes a family Deductible, after the family Deductible has been met by your family, neither you nor your Covered Dependents will have any additional Deductible responsibility for the remainder of

that Benefit Period. The maximum amount that any one Covered Person in your family can contribute toward the family Deductible, if applicable, is the amount applied toward the individual Deductible. Please see your Schedule of Benefits for more information.

The **Copayment Requirements** subsection is amended by deleting number one in its entirety and replacing it with the following:

1. Office Services Copayment

If your plan is a Copayment plan, the Copayment for Covered Services rendered in the office must be paid by you, for each office visit before any payment will be made by us. The office Services Copayment applies regardless of the reason for the office visit and applies to all Covered Services rendered during that visit, with the exception of Durable Medical Equipment, Medical Pharmacy, Orthotics and Prosthetics, which may require Cost Share amounts in addition to the Office Services Copayment, as set forth on your Schedule of Benefits.

The **Out-of-Pocket Calendar Year Maximums** subsection is deleted in its entirety and replaced with the following:

Out-of-Pocket Maximums

Individual out-of-pocket maximum

Once you have reached the individual out-of-pocket maximum amount listed in the Schedule of Benefits, you will have no additional out-of-pocket responsibility for the remainder of that Benefit Period and we will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period.

Family out-of-pocket maximum

If your plan includes a family out-of-pocket maximum, once your family has reached the family out-of-pocket maximum amount listed in the Schedule of Benefits, neither you nor your covered family members will have any additional out-of-pocket responsibility for the remainder of that Benefit Period and we will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period. The maximum amount any one Covered Person in your family can contribute toward the family out-of-pocket maximum, if applicable, is the amount applied toward the individual out-of-pocket maximum. Please see your Schedule of Benefits for more information.

Note: The Deductible, any applicable Copayments and Coinsurance amounts will accumulate toward the out-of-pocket maximums. Any benefit penalty reductions, non-covered charges or any charges in excess of the Allowed Amount will not accumulate toward the out-of-pocket maximums. If the Group has purchased Prescription Drug coverage, any applicable Cost Share under the Prescription Drug coverage, will not apply to the Deductible or the out-of-pocket maximums under this Booklet.

The **Prior Coverage Credit** subsection is deleted in its entirety and replaced with the following:

Prior Coverage Credit

We will give you credit for the satisfaction or partial satisfaction of any Deductible and Coinsurance maximums met by you under a prior group insurance, blanket insurance, franchise insurance or group Health Maintenance Organization (HMO) policy maintained by the Group if the Group Master Policy replaces such policy. This provision only applies if the prior group insurance, blanket insurance, franchise insurance or HMO coverage purchased by the Group was in effect immediately preceding the Effective Date of this Group policy. This provision is only applicable for you during the initial Benefit Period of coverage under the Group Master Policy and the following rules apply:

Prior Coverage Credit for Deductible

For the initial Benefit Period of coverage under the Group Master Policy only, charges credited by the Group's prior insurer, toward your Deductible requirement, for Services rendered during the 90-day period immediately preceding the Effective Date of the Group Master Policy, will be credited to the Deductible requirement under this Booklet.

Prior Coverage Credit for Coinsurance

Charges credited by the Group's prior insurer, toward your Coinsurance maximum, for Services rendered during the 90-day period immediately preceding the Effective Date of the Group Master Policy, will be credited to your out-of-pocket maximum under this Booklet.

Prior coverage credit toward the Deductible or out-of-pocket maximums will only be given for Health Care Services, which would have been Covered Services under this Booklet.

Prior coverage credit under this Booklet only applies at the initial enrollment of the entire Group. You and/or the Group are responsible for providing us with any information necessary for us to apply this prior coverage credit.

The **How We Will Credit Calendar Year Benefit Maximums and the Total Maximum Benefit Per Person** subsection is amended as follows:

The subsection title is hereby changed to:

"How we will Credit Benefit Maximums"

Physicians, Hospitals and Other Provider Options

The following subsection is added after the **Hospitals** subsection:

Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

Using the Specialty Pharmacy to provide these Specialty Drugs, if applicable on your plan, should lower the amount you have to pay for these medications, while helping to preserve your benefits. Please refer to the Medication Guide for a list of Specialty Pharmacies.

Blueprint for Health Programs

The **Inpatient Facility Program** subsection is amended by deleting the first paragraph in its entirety and replacing it with the following:

Under the inpatient facility program, we may review Hospital stays, Hospice, Inpatient Rehabilitation, LTAC and Skilled Nursing Facility (SNF) Services, and other Health Care Services rendered during the course of an inpatient stay or treatment program. We may conduct this review while you are inpatient, after your discharge, or as part of a review of an episode of care when you are transferred from one level

of inpatient care to another for ongoing treatment. The review is conducted solely to determine whether we should provide coverage and/or payment for a particular admission or Health Care Services rendered during that admission. Using our established criteria then in effect, a concurrent review of the inpatient stay may occur at regular intervals, including in advance of a transfer from one inpatient facility to another. We will provide notification to your Physician when inpatient coverage criteria are no longer met. In administering the inpatient facility program, we may review specific medical facts or information and assess, among other things, the appropriateness of the Services being rendered, health care setting and/or the level of care of an inpatient admission or other health care treatment program. Any such reviews by us, and any reviews or assessments of specific medical facts or information which we conduct, are solely for purposes of making coverage or payment decisions under this Benefit Booklet and not for the purpose of recommending or providing medical care.

The following subsection, added to your Benefit Booklet with Endorsement 24200 0709 BCA, is deleted in its entirety and replaced with the following:

Prior Coverage Authorization/Pre-Service Notification Programs

It is important for you to understand our prior coverage authorization programs and how the Provider you select and the type of Service you receive affects these requirements and ultimately how much you are responsible for paying under this Benefit Booklet.

You or your Provider will be required to obtain prior coverage authorization from us for:

1. certain **Prescription Drugs** denoted with a special symbol in the Medication Guide as requiring prior authorization;
2. **advanced diagnostic imaging Services**, such as CT scans, MRIs, MRA and nuclear imaging; and
3. **other Health Care Services** that are or may become subject to a prior coverage authorization program or a pre-service notification program as defined and administered by us.

Prior coverage authorization requirements vary, depending on whether Services are rendered by an In-Network Provider or an Out-of-Network Provider, as described below:

In-Network Providers

It is the In-Network Provider's sole responsibility to comply with our prior coverage authorization requirements, and therefore you will not be responsible for any benefit reductions if prior coverage authorization is not obtained before Medically Necessary Services are rendered.

Once we have received the necessary medical documentation from the Provider, we will review the information and make a prior coverage authorization decision, based on our established criteria then in effect. The Provider will be notified of the prior coverage authorization decision.

Out-of-Network Providers

1. In the case of **Prescription Drugs** denoted with a special symbol in the Medication Guide as requiring prior authorization, it is your sole responsibility to comply with our prior coverage authorization requirements when you use an Out-of-Network Provider before the Prescription Drug is purchased or administered. **Your failure to obtain prior coverage authorization will result in denial of coverage for such Prescription Drug, including any Service related to the Prescription Drug or its administration.**

Exception: Self-Administered Prescription Drugs, identified as Specialty Drugs with a special symbol in the Medication Guide, do not require prior authorization when purchased from an Out-of-Network Provider for delivery to you at home.

For additional details on how to obtain prior coverage authorization, and for a list of Prescription Drugs that require prior coverage authorization, please refer to the Medication Guide.

2. In the case of **advanced diagnostic imaging Services** such as CT scans, MRIs, MRA and nuclear imaging, it is your sole responsibility to comply with our prior coverage authorization requirements when rendered or referred by an Out-of-Network Provider **before** the advanced diagnostic imaging Services are provided.

Your failure to obtain prior coverage authorization will result in denial of coverage for such Services.

For additional details on how to obtain prior coverage authorization for advanced diagnostic imaging Services, please call the customer service phone number on the back of your ID Card.

3. In the case of **other Health Care Services** under a prior coverage authorization or pre-service notification program, it is your sole responsibility to comply with our prior coverage authorization or pre-service notification requirements when rendered or referred by an Out-of-Network Provider, before the Services are provided. **Failure to obtain prior coverage authorization or provide pre-service notification may result in denial of the claim or application of a financial penalty assessed at the time the claim is presented for payment to us.** The penalty applied will be the lesser of \$500 or 20% of the total Allowed Amount of the claim. The decision to apply a penalty or deny the claim will be made uniformly and will be identified in the notice describing the prior coverage authorization and pre-service notification programs.

Once the necessary medical documentation has been received from you and/or the Out-of-Network Provider, BCBSF or a designated vendor, will review the information and make a prior coverage authorization decision, based on our established criteria then in effect. You will be notified of the prior coverage authorization decision.

BCBSF will provide you information for any Out-of-Network Health Care Service subject to a prior coverage authorization or pre-service notification program, including how you can obtain prior coverage authorization and/or provide the pre-service notification for such Service not already listed here. This information will be provided to you upon enrollment, or at least 30 days prior to such Out-of-Network Services becoming subject to a prior coverage authorization or pre-service notification program.

See the "Claims Processing" section for information on what you can do if prior coverage authorization is denied.

Note: Prior coverage authorization is not required when Covered Services are provided for the treatment of a Medical Emergency.

Eligibility for Coverage

The following paragraph is added at the end of the **Eligibility Requirements for Dependent(s)** subsection:

Exception for Students on Medical Leave of Absence from School

A Covered Dependent child who is a full-time or part-time student at an accredited post-secondary institution, who takes a physician certified medically necessary leave of absence from school, will still be considered a student for eligibility purposes under this Booklet for the earlier of 12 months from the first day of the leave of absence or the date the Covered Dependent would otherwise no longer be eligible for coverage under this Booklet.

Termination of Coverage

The following sentence is added to the third paragraph of the **Certification of Creditable Coverage** subsection:

You may call the call the customer service phone number indicated in this Booklet or on your ID Card to request the certification.

General Provisions

The following **subsection** is added:

Customer Rewards Programs

From time to time, we may offer programs to our customers that provide rewards for following the terms of the program. We will tell you about any available rewards programs in general mailings, member newsletters and/or on our website. Your participation in these programs is completely voluntary and will in no way affect the coverage available to you under this Benefit Booklet. We reserve the right to offer rewards in excess of \$25 per year as well as the right to discontinue or modify any reward program features or promotional offers at any time without your consent.

The following definitions are added:

Benefit Period means a consecutive period of time, specified by BCBSF and the Group, in which benefits accumulate toward the satisfaction of Deductibles, out-of-pocket maximums and any applicable benefit maximums. Your Benefit Period is listed on your Schedule of Benefits, and will not be less than 12 months unless indicated as such.

Cost Share means the dollar or percentage amount established solely by us, which must be paid to a health care Provider by you at the time Covered Services are rendered by that Provider. Specialty Drugs may be Provider administered or self-administered and are identified with a special symbol in the Medication Guide.

Specialty Pharmacy means a Pharmacy that has signed a Participating Pharmacy Provider Agreement with us to provide specific Prescription Drug products, as determined by us. In-Network Specialty Pharmacies are listed in the Medication Guide.

The fact that a pharmacy is a participating pharmacy does not mean that it is a Specialty Pharmacy.

The definition of **Self-Administered Injectable Prescription Drug** is deleted in its entirety and replaced with the following:

Self-Administered Prescription Drug means an FDA-approved Prescription Drug that you may administer to yourself, as recommended by a Physician.

Prior Coverage Authorization/ Pre-Service Notification Programs

It is important for you to understand our prior coverage authorization programs and how the Provider you select and the type of Service you receive affects these requirements and ultimately how much you will have to pay under this Booklet.

You or your Physician will be required to obtain prior coverage authorization from us for:

1. **Prescription Drugs**, as denoted with a special symbol in the Medication Guide;

1. In the case of **Prescription Drugs**, it is your sole responsibility to obtain our prior coverage authorization when you use a Provider **before** the drug is purchased or administered. **If you do not obtain prior coverage authorization, we will deny coverage for the Prescription Drug and not make any payment for the drug or any Service related to the drug or its administration.**

7. In the case of **other Health Care Services** under a prior coverage authorization or pre-service notification program, you must obtain an authorization or comply with any pre-service notification requirements when rendered or referred by a Provider, **before** the Services are provided.

If you do not obtain authorization or provide pre-service notification, we may:

1. deny payment of the claim; or
2. apply a benefit penalty when the claim is presented to us for payment consisting of one of the following:
 - a) \$500
 - b) 20% of the total Allowed Amount of the claim; or
 - c) The lesser of \$500 or 20% of the total Amount of the claim.

The decision to apply a penalty or deny the claim will be made uniformly and the applicable denial/penalty will be identified in the notice describing the prior coverage authorization and pre-service notification programs.

We will inform you of any Health Care Service that is or will become subject to a prior coverage authorization or pre-service notification program, including how you can obtain prior coverage authorization and/or provide the pre-service notification for such Service. This information will be provided to you upon enrollment, or at least 30 days prior to such Services becoming subject to a prior coverage authorization or pre-service notification program. Such information may be provided to you electronically, if you have elected the delivery of notifications from us in that manner. Changes to the list of other Health Care Services that require prior authorization shall occur no more frequently than twice in a Calendar Year.

Once the necessary medical documentation has been received from you and/or the Provider, BCBSF or a designated vendor, will review the information and make a prior coverage authorization decision, based on our established criteria then in effect. You will be notified of the prior coverage authorization decision.

Note: Prior coverage authorization is not required when Emergency Services are rendered for the treatment of an Emergency Medical Condition.

GENERAL PROVISIONS

The following **subsection** is added:

Care Profile Program – A Payer-Based Health Record Program

A care profile is available to treating Physicians for each person covered under this Booklet. This care profile allows a secure, electronic view of specific claims information for Services rendered by Physicians, Hospitals, labs, pharmacies, and other health care Providers. Unless you have chosen to opt out, here are a few of the benefits of participation in the Care Profile Program:

1. All authorized treating Physicians will have a consolidated view – or history – of your Health Care Services, assisting them in improved decision-making in the delivery of health care.
2. In times of catastrophic events or Emergency Services, the care profile will be accessible from any location by authorized Physicians so that appropriate treatment and Service can still be delivered.
3. Safe and secure transmission of claim information. Only authorized health care Providers or authorized members of the Provider's staff will have access to your information.
4. Coordination of care among your authorized treating health care Providers.
5. More efficient health care delivery for you.

Keeping your health information private is extremely important, so your care profile will not include certain health information that pertains to "sensitive" medical conditions, for which the law provides special protection. Health care Providers access the care profile using the same secure, electronic channel they use to file claims. In addition, only authorized members of the Provider's staff will have access to the information. Remember, this will help your Physician in obtaining important information concerning your health history.

However, if for some reason you, or any of your Covered Dependents, choose not to provide your treating Physician access to your claim history, the use of this information may be restricted. Should you choose not to participate call the customer service phone number on your ID Card and inform a service associate of your decision.

DEFINITIONS

The definition of **Approved Clinical Trial** is added:

Approved Clinical Trial means a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other Life-Threatening Disease or Condition and meets one of the following criteria:

1. The study or investigation is approved or funded by one or more of the following:
 - a) The National Institutes of Health.
 - b) The Centers for Disease Control and Prevention.
 - c) The Agency for Health Care Research and Quality.
 - d) The Centers for Medicare and Medicaid Services.
 - e) cooperative group or center of any of the entities described in clauses (i) through (iv) or the Department of Defense or the Department of Veterans Affairs.
 - f) A qualified non-governmental research entity identified in the guidelines issued by the National Institutes of Health for center support grants.
 - g) Any of the following if the conditions described in paragraph (2) are met:
 - i. The Department of Veterans Affairs.
 - ii. The Department of Defense.
 - iii. The Department of Energy.
2. The study or investigation is conducted under an investigational new drug application reviewed by the Food and Drug Administration.
3. The study or investigation is a drug trial that is exempt from having such an investigational new drug application.

For a study or investigation conducted by a Department the study or investigation must be reviewed and approved through a system of peer review that the Secretary determines: (1) to be comparable to the system of peer review of studies and investigations used by the National Institutes of Health, and (2) assures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.

For purposes of this definition, the term "Life-Threatening Disease or Condition" means any disease or condition from which the likelihood of death is probable unless the course of the disease or condition is interrupted.

The definition of **Intensive Outpatient Treatment** is added:

Intensive Outpatient Treatment means treatment in which an individual receives at least 3 clinical hours of institutional care per day (24-hour period) for at least 3 days a week and returns home or is not treated as an inpatient during the remainder of that 24-hour period. A Hospital shall not be considered a "home" for purposes of this definition.

The definition of **Medically Necessary** or **Medical Necessity** is deleted in its entirety and replaced with the following:

Medically Necessary or **Medical Necessity** means that, with respect to a Health Care Service, a Provider, exercising prudent clinical judgment, provided, or is proposing or recommending to provide the Health Care Service to you for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and that the Health Care Service was/is:

1. in accordance with Generally Accepted Standards of Medical Practice;
2. clinically appropriate, in terms of type, frequency, extent, site of Service, duration, and considered effective for your illness, injury, or disease or symptoms;
3. not primarily for your convenience, your family's convenience, your caregiver's convenience or that of your Physician or other health care Provider, and

4. not more costly than the same or similar Service provided by a different Provider, by way of a different method of administration, an alternative location (e.g., office vs. inpatient), and/or an alternative Service or sequence of Services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of your illness, injury, disease or symptoms.

When determining whether a Service is not more costly than the same or similar Service as referenced above, we may, but are not required to, take into consideration various factors including, but not limited to, the following:

- a) the Allowed Amount for Service at the location for the delivery of the Service versus an alternate setting;
- b) the amount we have to pay to the proposed particular Provider versus the Allowed Amount for a Service by another Provider including Providers of the same and/or different licensure and/or specialty; and/or,
- c) an analysis of the therapeutic and/or diagnostic outcomes of an alternate treatment versus the recommended or performed procedure including a comparison to no treatment. Any such analysis may include the short and/or long-term health outcomes of the recommended or performed treatment versus alternate treatments including an analysis of such outcomes as the ability of the proposed procedure to treat comorbidities, time to disease recurrence, the likelihood of additional Services in the future, etc.

Note: The distance you have to travel to receive a Health Care Service, time off from work, overall recovery time, etc. are not factors that we are required to consider when evaluating whether or not a Health Care Service is not more costly than an alternative Service or sequence of Services.

Reviews we perform of Medical Necessity may be based on comparative effectiveness research, where available, or on evidence showing lack of superiority of a particular Service or lack of difference in outcomes with respect to a particular Service. In performing Medical Necessity reviews, we may take into consideration and use cost data which may be proprietary.

It is important to remember that any review of Medical Necessity by us is solely for the purpose of determining coverage or benefits under this Booklet and not for the purpose of recommending or providing medical care. In this respect, we may review specific medical facts or information pertaining to you. Any such review, however, is strictly for the purpose of determining, among other things, whether a Service provided or proposed meets the definition of Medical Necessity in this Booklet as determined by us. In applying the definition of Medical Necessity in this Booklet, we may apply our coverage and payment guidelines then in effect. You are free to obtain a Service even if we deny coverage because the Service is not Medically Necessary; however, you will be solely responsible for paying for the Service.

The definition of **Mental and Nervous Disorder** is deleted in its entirety and replaced with the following:

Mental and Nervous Disorder means any disorder listed in the diagnostic categories of the International Classification of Disease (ICD-9 CM or ICD 10 CM), or their equivalents in the most recently published version of the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders, regardless of the underlying cause, or effect, of the disorder.

The definition of **Partial Hospitalization** is deleted in its entirety and replaced with the following:

Partial Hospitalization means treatment in which an individual receives at least 6 clinical hours of institutional care per day (24-hour period) for at least 5 days per week and returns home or is not treated as an inpatient during the remainder of that 24-hour period. A Hospital shall not be considered a "home" for purposes of this definition.

 - b) if the parent with custody has remarried, the plan of the parent with custody is primary; the step-parent's plan is secondary; and the plan of the parent without custody is last;
 - c) regardless of which parent has custody, when a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is always primary.
5. When we cover you as a dependent child and the other plan covers you as a dependent child:
 - a) the plan of the parent who is neither laid off nor retired will be primary;
 - b) if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
6. If you have continuation of coverage under COBRA as a result of the purchase of coverage as provided under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, and also under another group plan, the following order of benefits applies:
 - a) first, the plan covering the person as an employee, or as the employee's Dependent; and
 - b) second, the coverage purchased under the plan covering the person as a former employee, or as the former employee's Dependent provided according to the provisions of COBRA.
7. When rules 1 through 6 above do not establish an order of benefits, the plan which has covered the individual the longest shall be primary, unless you are age 65 or older and covered under Medicare Parts A and B. In that case, this Booklet will be secondary to Medicare.
8. If the other plan does not have rules that establish the same order of benefits as under this Booklet, the benefits under the other plan will be determined primary to the benefits under this Booklet.

We will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare Supplement policy.

SUBROGATION

The **Subrogation** section is deleted in its entirety.

RIGHT OF REIMBURSEMENT

The **Right of Reimbursement** section is deleted in its entirety.

GENERAL PROVISIONS

The following subsection is added:

Subrogation and Right of Reimbursement

As used herein, the term "Third Party," means any party that is, or may be, or is claimed to be responsible for illness or injuries to you. Such illness or injuries are referred to as "Third Party Injuries." "Third Party" includes any party responsible for payment of expenses associated with the care or treatment of Third Party Injuries.

If benefits are paid under this Booklet for expenses incurred due to Third Party Injuries, then we retain the right to repayment of the full cost of all benefits provided under this Booklet on your behalf that are associated with the Third Party Injuries. Our subrogation and reimbursement rights of recovery apply to any claim or potential claim made by you or on your behalf from the following sources, including but not limited to:

- Payments made by a Third Party or any insurance company on behalf of the Third Party;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers' Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises or homeowners' medical payments coverage or premises or homeowners' insurance coverage; and
- Any other payments from a source intended to compensate you for injuries resulting from an accident or alleged negligence.

By accepting benefits under this Booklet, you specifically acknowledge our right of subrogation. In the event you suffer injuries for which a Third Party is responsible (such as someone injuring you in an accident), and we pay benefits under this Booklet as a result of those injuries, we will be subrogated and succeed to the right of recovery against such Third Party to the extent of the benefits we have paid. This means that we have the right, independently of you, to proceed against the Third Party responsible for your injuries to recover the benefits we have paid. In order to secure our recovery rights, you agree to assign to us any benefits or claims or rights of recovery you have under any automobile policy or other coverage, to the full extent of our subrogation and reimbursement claims. This assignment allows us to pursue any claim you may have, whether or not you choose to pursue the claim.

By accepting benefits under this Booklet, you also specifically acknowledge our right of reimbursement. This right of reimbursement attaches when we have paid health care benefits for expenses incurred due to Third Party Injuries and you or your representative has recovered any amounts from a Third Party. By providing any benefit under this Booklet, we are granted an assignment of the proceeds of any

settlement, judgment or other payment received by you to the extent of the full cost of all benefits provided under this Booklet. Our right of reimbursement is cumulative with and not exclusive of our subrogation right and we may choose to exercise either or both rights of recovery.

By accepting benefits under this Booklet, you or your representatives further agree to:

- Notify us promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party Injuries sustained by you;
- Cooperate with us and do whatever is necessary to secure our right of subrogation and reimbursement under this Booklet;
- Give us a first-priority lien on any recovery, settlement, or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with Third Party Injuries provided under this Booklet (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement);
- Pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due to us as reimbursement for the full cost of all benefits associated with Third Party Injuries paid under this Booklet (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by us in writing;
- Do nothing to prejudice our rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits paid under this Booklet; and
- Serve as a constructive trustee for the benefits under this Booklet over any settlement.

We may recover the full cost of all benefits paid by us under this Booklet without regard to any claim of fault on your part, whether by comparative negligence or otherwise. In the event you or your representative fails to cooperate with us, you shall be responsible for all benefits provided by us under this Booklet in addition to costs and attorney's fees incurred by us in obtaining repayment.

This Endorsement is effective at your Group Plan's initial Effective Date occurring on or after **January 1, 2016** or first Anniversary Date occurring on or after **January 1, 2016** whichever occurs first.

The Benefit Booklet is amended by deleting the BlueCard (Out-of-State) Program section in its entirety and replacing it with the following:

BLUECARD® PROGRAM

Out-of-Area Services Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access Health Care Services outside Florida, the claim for those Services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of Florida, you will receive it from one of two kinds of Providers. Most Providers ("Participating Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some Providers ("Nonparticipating Providers") don't contract with the Host Blue. We explain below how we pay both kinds of Providers.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

BlueCard Program

Under the BlueCard Program, when you receive Covered Services within the geographic area served by a Host Blue, we will remain responsible for fulfilling our contractual obligations to you. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

When you receive Covered Services outside of Florida and the claim is processed through the BlueCard Program, the amount you pay for Covered Services is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to us.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to your Provider. Sometimes, it is an estimated price that takes into account special arrangements with your Provider or Provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in

expected average savings for similar types of Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we have used for your claim because they will not be applied after a claim has already been paid.

Special Cases: Value-Based Programs

If you receive Covered Services under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to us through average pricing or fee schedule adjustments. Additional information is available upon request.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

Nonparticipating Providers Outside Florida

When Covered Services are provided outside of Florida by Nonparticipating Providers, our payment will be based on the Allowed Amount, as defined in the DEFINITIONS section of the Benefit Booklet.

BCBS Global™ Core Program

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard Service Area"), you may be able to take advantage of the BCBS Global Core Program when accessing Covered Services. The BCBS Global Core Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the BCBS Global Core Program assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard Service Area, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for these Services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard Service Area, you should call the BCBS Global Core Service Center at 1-800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services

In most cases, if you contact the BCBS Global Core Service Center for assistance, hospitals will not require you to pay for inpatient Covered Services, except for your Cost Share amounts. In such cases, the hospital will submit your claims to the BCBS Global Core Service Center to begin claims processing. However, if you paid in full at the time of Service, you must submit a claim to receive reimbursement for Covered Services. **You must notify us of any non-emergency inpatient Services.**

Outpatient Services

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require you to pay in full at the time of Service. You must submit a claim to obtain reimbursement for Covered Services.

Submitting a BCBS Global Core Claim

When you pay for Covered Services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a BCBS Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the BCBS Global Core Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the BCBS Global Core Service Center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the BCBS Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

PHYSICIANS, HOSPITALS AND OTHER PROVIDER OPTIONS

The **Provider Participation Status** subsection is amended by deleting the third paragraph in its entirety and replacing it with the following:

With BlueOptions, you may choose to receive Services from any Provider. However, you will be able to lower the amount you have to pay for Covered Services by receiving care from an In-Network Provider.

Family Physician Program

We encourage you to select and develop a relationship with an In-Network Family Physician. There are several advantages to selecting a Family Physician (Family Practitioners, General Practitioners, Internal Medicine doctors and Pediatricians)

- Family Physicians are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall health care needs.
- Developing and continuing a relationship with a Family Physician allows the Physician to become knowledgeable about you and your family's health history.
- A Family Physician can help you determine when you need to visit a specialist and also help you find one based on their knowledge of you and your specific healthcare needs.
- Care rendered by Family Physicians usually results in lower out-of-pocket expenses for you.

We will check our records periodically to see if you have visited a Family Physician. If not, we may provide your name and contact information to an In-Network Family Physician who will call you and offer to schedule a wellness visit. This program is completely voluntary and although we encourage you to schedule this visit, you are not obligated to do so. The applicable Family Physician Cost Share will apply to this visit.

You are responsible for checking to see if a Provider is In-Network for your plan prior to receiving Services. To find out if a Provider is In-Network, refer to the current Provider directory at www.floridablue.com or call the customer service phone number on your ID Card.

UNDERSTANDING YOUR SHARE OF HEALTH CARE EXPENSES

The following **new** subsection is added:

Calculation of Cost Share

You can get an estimate on our website at www.floridablue.com, of the Cost Share amount you will have to pay for certain Covered Services, as required under section 627.6385 of the Florida Statutes.

BLUECARD® PROGRAM

The **BCBS Global Core Program** subsection is deleted in its entirety and replaced with the following:

Blue Cross Blue Shield Global® Core Program

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard Service Area"), they may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing Covered Services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard Service Area, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for these Services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard Service Area, you should call the Blue Cross Blue Shield Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services

In most cases, if you contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require you to pay for inpatient Covered Services, except for your Cost Share amounts. In such cases, the hospital will submit your claims to the Blue Cross Blue Shield Global Core Service Center to begin claims processing. However, if you paid in full at the time of Service, you must submit a claim to receive reimbursement for Covered Services. **You must notify us of any non-emergency inpatient Services.**

Outpatient Services

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require you to pay in full at the time of Service. You must submit a claim to obtain reimbursement for Covered Services.

Submitting a Blue Cross Blue Shield Global Core Claim

When you pay for Covered Services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider's itemized bill(s) to

the Blue Cross Blue Shield Global Core Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the Blue Cross Blue Shield Global Core Service Center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the Blue Cross Blue Shield Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

ELIGIBILITY FOR COVERAGE

The **Handicapped Children** subsection is deleted in its entirety and replaced with the following:

1. otherwise eligible for coverage under the Group Plan;
2. incapable of self-sustaining employment by reason of intellectual or physical disability; and
3. chiefly dependent upon the Covered Employee for support and maintenance provided that the symptoms or causes of the child's intellectual or physical disability existed prior to the child's 30th birthday.

This eligibility will terminate on the last day of the month in which the dependent child no longer meets these requirements.

TERMINATION OF COVERAGE

The **Covered Dependent** section is amended by deleting the first paragraph after the numbered list in its entirety and replacing it with the following:

If you as the Covered Employee wish to delete a Covered Dependent from coverage, you must complete an Enrollment Form and submit it to the Group prior to the termination date requested.

CLAIMS PROCESSING

The **Standards for Adverse Benefit Determinations** is amended by deleting the **How to Appeal an Adverse Benefit Determination** subsection in its entirety and replacing it with the following:

How to Appeal an Adverse Benefit Determination

Except as described below, you, or a representative designated by you in writing, have the right to appeal an Adverse Benefit Determination. An appeal of an Adverse Benefit Determination will be reviewed using the process described below. Your appeal must be submitted in writing to us for an internal appeal, within 365 days of the original Adverse Benefit Determination, except in the case of Concurrent Care Decisions which may, depending upon the circumstances, require you to file within a shorter period of time from notice of the denial. The following guidelines are applicable to reviews of Adverse Benefit Determinations:

1. You must cooperate fully with us in our effort to promptly review and resolve an appeal. In the event you do not fully cooperate with us, you will be deemed to have waived your right to have the appeal processed within the time frames set forth in this section.
2. You, or a Provider or a person acting on your behalf, must specifically request an expedited review. The expedited appeal process only applies to Pre-Service Claims or requests for extension of concurrent care Services made within 24 hours before the authorization for such Services expires. An expedited appeal will not be accepted for an Adverse Benefit Determination on a Post-Service Claim.
3. We must receive your appeal of an Adverse Benefit Determination in person or in writing.
4. You may review pertinent documents, upon request and free of charge, such as any internal rule, guideline, protocol, or similar criterion relied upon to make the determination, and submit issues or comments in writing.
5. If any new or additional information is received from anyone other than you, a copy must be provided to you free of charge and as soon as possible and sufficiently in advance of the date on which the final adverse notice is to be provided to give you a reasonable opportunity to respond prior to that date.
6. If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational exclusion, you may request an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of the Booklet to your medical circumstances. This information is provided free of charge.
7. During the review process, the Services in question will be reviewed without regard to the decision reached in the initial determination.
8. We may consult with appropriate Physicians in the same or similar specialty as typically manages the Condition, procedure, or treatment under review, as necessary.
9. Any independent medical consultant who reviews your Adverse Benefit Determination on our behalf will be identified upon request.
10. If the claim is a Claim Involving Urgent Care, you may request an expedited review orally or in writing in which case all necessary information on review may be transmitted between you and us by telephone, facsimile or other available expeditious method.
11. If your request for expedited review arises out of a concurrent review determination by us that a continued hospitalization is not Medically Necessary, coverage for the hospitalization will continue until you have been notified of the determination.
12. We will review the appeal and may make a decision based on medical records, additional information and input from health care professionals in the same or similar specialty as typically manages the Condition, procedure or treatment under review.
13. We will advise you of all appeal decisions in writing, as outlined in the Timing of Our Appeal Review on Adverse Benefit Determinations subsection.
14. If you wish to give someone else permission to appeal an Adverse Benefit Determination on your behalf, we must receive a completed Appointment of Representative form signed by you indicating the name of the person who will represent you with respect to the appeal. An Appointment of Representative form is not required if your Physician is appealing an Adverse Benefit Determination relating to a Claim Involving Urgent Care. Appointment of Representative forms are available at www.floridablue.com or by calling the number on your ID card.
15. If you are not satisfied with our decision, you have the right to an independent external review through an external review organization for certain appeals, as described in the How to Request External Review of Our Appeal Decision subsection below.

Appeals must be sent to the address below:

Blue Cross and Blue Shield of Florida
Attention: Member Appeals
P.O. Box 44197
Jacksonville, Florida 32231-4197

Timing of Our Appeal Review on Adverse Benefit Determinations

We will use our best efforts to review your appeal of an Adverse Benefit Determination and communicate the decision in accordance with the following time frames:

1. Pre-Service Claims: within 30 days of the receipt of your appeal;
2. Post-Service Claims: within 60 days of the receipt of your appeal; or
3. Claims Involving Urgent Care (and requests to extend concurrent care Services made within 24 hours prior to the termination of the Services): within 72 hours of receipt of your request. If additional information is necessary we will notify you within 24 hours and we must receive the requested additional information within 48 hours of the request. After we receive the additional information, we will have an additional 48 hours to make a final determination.

Note: The nature of a claim for Services (i.e. whether it is “urgent care” or not) is judged as of the time of the benefit determination on review, not as of the time the Service was initially reviewed or provided.

The following **new** provision is added:

Exhaustion of Internal Appeals Process

Generally, you must complete all appeal processes outlined in this Benefit Booklet before you can obtain independent external review or bring an action in litigation. However, if we do not strictly adhere to all claim determination and appeal requirements under applicable federal law, you are considered to have exhausted our appeal requirements (“Deemed Exhaustion”) and may proceed with independent external review unless a minor exception applies. Minor exceptions are allowed when failure to adhere was non-prejudicial; attributable to good cause or matters beyond our control; in the context of on-going good-faith exchange of information; and not reflective of a pattern or practice of non-compliance.

This Endorsement shall not extend, vary, alter, replace, or waive any of the provisions, benefits, exclusions, limitations, or conditions contained in the Benefit Booklet, other than as specifically stated in the provisions contained in this Endorsement. In the event of any inconsistencies between the provisions contained in this Endorsement and the provisions contained in the Benefit Booklet, the provisions contained in this Endorsement shall control to the extent necessary to effectuate the intent of Blue Cross and Blue Shield of Florida, Inc. as expressed herein.

BLUEPRINT FOR HEALTH PROGRAMS

The **Prior Coverage Authorization/ Pre-Service Notification Programs** subsection is deleted in its entirety and replaced with the following:

Prior Coverage Authorization/ Pre-Service Notification Programs

It is important for you to understand our prior coverage authorization programs and how the Provider you select and the type of Service you receive affects these requirements and ultimately how much you will have to pay under this Booklet.

You or your Physician will be required to obtain prior coverage authorization from us for Covered Services listed below. You are solely responsible for getting any required authorization before Services are rendered regardless of whether the Service is being rendered by an In-Network Provider or Out-of-Network Provider.

For details on how to obtain prior coverage authorization for these Services, please call the customer service phone number on your ID Card.

Services that Require Prior Authorization

Advanced Diagnostic Imaging Services

You must obtain an authorization for advanced diagnostic imaging Services such as CT scans, MRIs, MRA and nuclear imaging, when rendered or referred by a Provider **before** the advanced diagnostic imaging Services are provided. **If you do not obtain prior coverage authorization this plan will deny coverage for the Services and not make any payment for such Services.**

Applied Behavioral Analysis

You must obtain an authorization for Applied Behavioral Analysis for Autism Spectrum Disorder or Down Syndrome, **before** the Services are provided. **If you do not obtain prior coverage authorization this plan will not make any payment for such Services.**

Approved Clinical Trials

You must obtain an authorization for Services rendered in connection with Approved Clinical Trials, when rendered or referred by a Provider **before** you obtain routine patient care provided in connection with an Approved Clinical Trial. **If you do not obtain prior coverage authorization this plan will not make any payment for such Services.**

Prescription Drugs

In the case of Prescription Drugs, it is your sole responsibility to obtain prior coverage authorization **before** the drug is purchased or administered. **If you do not obtain prior coverage authorization, this plan will deny coverage for the Prescription Drug and not make any payment for the drug or any Service related to the drug or its administration.**

All Prescription Drugs covered under the Medical Pharmacy category in the WHAT IS COVERED? section, require prior authorization. For a list of other medications that require prior coverage authorization and details on how to get an authorization, please refer to the Medication Guide.

Transplant Services

You must obtain an authorization for all Transplant Services, including the pre-transplant evaluation **before** the transplant evaluation is scheduled. **If you do not obtain prior coverage authorization this plan will deny coverage for the Services and not make any payment for such Services.**

Other Health Care Services

In the case of other Health Care Services under a prior coverage authorization or pre-service notification program, you must obtain an authorization or comply with any pre-service notification requirements when rendered or referred by a Provider, before the Services are provided.

We will inform you of any Health Care Service that is or will become subject to a prior coverage authorization or pre-service notification program, including how you can obtain prior coverage authorization and/or provide the pre-service notification for such Service. This information will be provided to you upon enrollment, or at least 30 days prior to such Services becoming subject to a prior coverage authorization or pre-service notification program. Such information may be provided to you electronically, if you have elected the delivery of notifications from us in that manner. Changes to the list of other Health Care Services that require prior authorization shall occur no more frequently than twice in a Calendar Year.

Additional Information

Once the necessary medical documentation has been received from you and/or the Provider, Florida Blue or a designated vendor, will review the information and make a prior coverage authorization decision, based on our established criteria then in effect. You will be notified of the prior coverage authorization decision.

If you do not obtain authorization or provide pre-service notification, we may:

1. deny payment of the claim; or
2. apply a benefit penalty when the claim is presented to us for payment consisting of one of the following:
 - a) \$500
 - b) 20% of the total Allowed Amount of the claim; or
 - c) The lesser of \$500 or 20% of the total Amount of the claim.

The decision to apply a penalty or deny the claim will be made uniformly and the applicable denial/penalty will be identified in the notice describing the prior coverage authorization and pre-service notification

programs.

Note:

1. Prior coverage authorization is not required when Emergency Services are rendered for the treatment of an Emergency Medical Condition.
2. Prior coverage authorizations expire on the earlier of, but not to exceed 12 months:
 - a) the termination date of your policy, or
 - b) the period authorized by us, as indicated in the letter you receive from us.

Subject to our review and approval, we may authorize continued coverage of a previously approved Service. To request a continuation we must receive appropriate documentation from your Provider. The fact that we may have previously authorized coverage does not guarantee a continued authorization.

See the CLAIMS PROCESSING section for information on what you can do if prior coverage authorization is denied.

In no event, subject to this Special Payment Rules subsection, will Out-of-Network Providers be paid more than their charges for the Services rendered.

Non-Emergency Services

If you receive Services from an Out-of-Network Provider in an In-Network Health Care Facility (as defined below) and you did not have the ability and opportunity to choose an In-Network Provider that is available to treat you, then payment will be determined in accordance with either: (1) 627.64194(4) of the Florida Statutes or (2) the qualifying payment amount (QPA) rules of the federal No Surprises Act (H.R. 133, P.L. 116-260), as applicable. If we deny the coverage protocol exemption request, we will provide you with a written explanation of the reason for the denial, the clinical rationale that supports the denial, and the procedure for appealing the denial. In some instances, the process for appealing a denied coverage protocol exemption request will be your formal appeal of an Adverse Benefit Determination process as outlined in the CLAIMS PROCESSING section of this Booklet.

UNDERSTANDING YOUR SHARE OF HEALTH CARE EXPENSES

The **Special Payment Rules** subsection is deleted in its entirety and replaced with the following:

Surprise Billing

Sometimes you may receive Covered Services from Out-of-Network Providers who will not accept our payment as payment in full. Out-of-Network Providers in the specific situations described below are prohibited from balance billing you for amounts over what we pay. Should you receive a bill for more than your Cost Share (as described below) from the Out-of-Network Provider in these situations, please send that information to us at the address on your ID card and we will attempt to work with the Out-of-Network Provider to appropriately honor their obligation to not balance bill you, if applicable.

Out-of-Network Services where I should not be balance billed

Please note, in the following specific circumstances federal and/or Florida state law prohibits Out-of-Network Providers from balance billing you for receipt of Covered Services.

- **Emergency Services for an Emergency Medical Condition** provided at an Out-of-Network facility to Stabilize you (which may include part or all of an inpatient admission from the Emergency Room of an Out-of-Network Hospital); and
- **Certain non-Emergency Services or ancillary Services** provided by an Out-of-Network Provider at an In-Network facility including but not limited to:
 - Surgery
 - Pathology
 - Hospital Services
 - Anesthesiology
 - Radiology
 - Laboratory Services

Note: If the Out-of-Network Provider rendering the non-Emergency Services referenced above has given you the following, in advance: (a) the estimated charges for the Covered Services to be rendered; (b) notice that the Provider is an Out-of-Network Provider; and (c) notice for your approval in writing to the treatment to be rendered by the Out-of-Network Provider, then the Provider may be able to balance bill you and this Surprise Billing subsection will not apply.

- **Air Ambulance Services** if the Services are Covered Services under this Benefit Booklet regardless of whether or not the Services are due to an Emergency Medical Condition.

Please note that an authorization is never required for Covered Services for the treatment of an Emergency Medical Condition. Not all Air Ambulance Services are Covered Services under this Benefit Booklet. Please refer to the Ambulance Services category in the What Is Covered? section of this Benefit Booklet.

Facility, as used above means:

- hospital (as defined in section 1861 of the Social Security Act)
- hospital outpatient department
- critical access hospital (as defined in section 1861(mm)(1) of the Social Security Act)
- an ambulatory surgical center (as defined in section 1833(i)(1)(A) of the Social Security Act)
- and for an Emergency Medical Condition only, an independent freestanding emergency medical department

How Much we will Pay Out-of-Network Providers

Generally, Florida state law prohibits Out-of-Network Providers rendering Covered Services subject to this Surprise Billing section from balance billing you. If section 627.64194(4), Florida Statutes applies, then

the Allowed Amount (i.e., the amount we base payment on) will generally be calculated in accordance with the definition within this Benefit Booklet. In certain circumstances, the Allowed Amount will be calculated for Out-of-Network Providers, including all Covered Services rendered by Out-of-Network Air Ambulance Providers, based upon the Median Contracted Rate. The term “Median Contracted Rate” as used here means, generally:

1. The rate that is the median contracted rate for all In-Network Providers for the same or similar item(s) or Service(s) for all plans offered by us:
 - a) in the same insurance market (i.e., individual, small group or large group); and,
 - b) provided in the same geographic region as the Covered Service provided to you.

Important Note: The above definition of “Median Contracted Rate” has been simplified here to make it easier to understand. The term “Median Contracted Rate”, as defined by federal law, is complicated. We will calculate the “Median Contracted Rate” more specifically in accordance with the federal law (and regulations then in effect) known as the federal No Surprises Act (H.R. 133, P.L. 116-260).

Calculating Your Share of the Cost

If you receive Covered Services subject to this Surprise Billing subsection, your Cost Share (e.g., Deductibles and/or Coinsurance) will be calculated based upon the Allowed Amount we initially paid the Out-of-Network Provider as described above. Should we decide to pay more, or if the federal Independent Dispute Resolution Process results in us paying the Out-of-Network Provider more, your Cost Share will not change.

Any Cost Share you paid with respect to Covered Services identified in this subsection will be applied toward your In-Network Deductible and out-of-pocket maximum, if applicable. We will provide notice of payment or denial no later than 30 calendar days after receipt of the bill from the Provider.

Important Note: It is not a surprise bill when you knowingly choose to go to an Out-of-Network Provider for a planned Service or have signed a consent as noted above, in advance for the Covered Services. In such a case, you are responsible for all charges.

PHYSICIANS, HOSPITALS AND OTHER PROVIDER OPTIONS

The **Family Physician Program** is deleted in its entirety and replaced with the following:

Primary Care Provider Program

We encourage you to select and develop a relationship with an In-Network Primary Care Provider (“PCP”). There are several advantages to selecting a PCP (Family Practitioners, General Practitioners, Internal Medicine doctors and Pediatricians)

- PCPs are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall health care needs.
- Developing and continuing a relationship with a PCP allows the Provider to become knowledgeable about you and your family’s health history.
- A PCP can help you determine when you need to visit a specialist and also help you find one based on their knowledge of you and your specific health care needs.
- Care rendered by PCPs usually results in lower out-of-pocket expenses for you.

We will check our records periodically to see if you have visited a PCP. If not, we may provide your name and contact information to an In-Network PCP who will call you and offer to schedule a wellness visit. This program is completely voluntary and although we encourage you to schedule this visit, you are not obligated to do so. The applicable PCP Cost Share will apply to this visit.

You are responsible for checking to see if a Provider is In-Network for your plan prior to receiving Services. To find out if a Provider is In-Network, refer to the current Provider directory at www.floridablue.com or call the customer service phone number on your ID Card.

The **Value Choice Providers** subsection is deleted in its entirety and replaced with the following:

Value Choice Providers

Some Providers, designated by us, may provide Services other than maternity and Medical Pharmacy at a lower Cost Share. The Deductible will be waived for these Services and your Cost Share is lower when they are rendered in the Value Choice Provider's office or Independent Diagnostic Testing Centers designated as Value Choice Providers. The chart below lists the Services included and the Cost Share amounts:

*** After the first 2 visits, the urgent care Cost Share listed on your Schedule of Benefits will apply.

To find a Value Choice Provider, access the most recent provider directory at www.floridablue.com and look for Providers with “Value Choice Providers” under “Programs”.

The following **new subsection** is added before the **Assignment of Benefits to Providers** subsection:

Continuity of Coverage and Care Upon Termination of a Provider Contract Under Federal Law

Federal law (42 U.S. Code § 300gg –113) provides for continuity of Services for enrollees of health plans when there is a change in the plans’ Provider network resulting in a Provider no longer being In-Network for the enrollee’s benefit plan. These protections extend to individuals defined as a “Continuing Care Patient” and include patients who are undergoing a course of treatment for:

1. a serious or complex Condition,
 - a) in the case of an acute illness, a Condition that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm, or
 - b) in the case of a chronic illness or Condition, a Condition that:
 - i. is life-threatening, degenerative, potentially disabling, or congenital; and
 - ii. requires specialized medical care over a prolonged period of time.
2. institutional or inpatient care,
3. a scheduled non-elective surgery including postoperative care.
4. pregnancy; or
5. a terminal illness.

Such patients will have up to 90 days of continued coverage at the In-Network Cost Share to allow for a transition of care to an In-Network Provider.

EXTENSION OF BENEFITS

Extension of Benefits and Continuity of Care

Continuity of Coverage and Care Upon Termination of a Group Policy Under Federal Law

Plans are required to ensure continuing care patients receive timely notification of changes in the network status of Providers and facilities.

Federal law (42 U.S. Code § 300gg–113) provides for continuity of Services for enrollees of health plans when there is a termination of a contract between a group and the group’s insurer. These protections extend to individuals defined as a “Continuing Care Patient” and include patients who are undergoing a course of treatment for:

1. a serious or complex Condition,
 - a) in the case of an acute illness, a Condition that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm, or
 - b) in the case of a chronic illness or Condition, a Condition that:
 - i. is life-threatening, degenerative, potentially disabling, or congenital; and
 - ii. requires specialized medical care over a prolonged period of time.
2. institutional or inpatient care;

3. a scheduled non-elective surgery including postoperative care;
4. pregnancy; or
5. a terminal illness.

Such patients will have up to 90 days of continued coverage at the In-Network Cost Share to allow for a transition of care to an In-Network Provider.

Continuity of Coverage and Care Upon Termination of a Group Policy Under State Law

If the Group Plan is terminated, coverage will end on the termination date. We will not provide coverage or benefits for any Service rendered on or after the termination date, except as listed below. The extension of benefits described below only applies when the Group Plan is terminated, and the benefits provided under an extension of benefits are subject to all other terms included in this Booklet.

Note: You must provide proof that you are entitled to an extension of benefits.

Extension of Benefits

1. If you are pregnant on the termination date of the Group Plan, we will provide a limited extension of the maternity benefits, as long as the pregnancy started while you were covered by us. This extension of benefits is only for Covered Services necessary to treat the pregnancy and will automatically terminate on the date the child is born.
2. If you are totally disabled on the termination date of the Group Plan because of a specific Accident or illness that happened while you were covered under the Group Plan we will provide a limited extension of benefits for you only. This extension of benefits is only for Covered Services necessary to treat the disabling Condition. This extension of benefits will only continue as long as the disability is continuous and uninterrupted, however, in any event, this extension of benefits will automatically terminate at the end of the 12-month period beginning on the termination date of the Group Plan.

Note: For purposes of this subsection, you will be considered totally disabled only if, in our opinion, you are unable to work at a job for which you have the education, training, or experience, and you continue to require regular care from a Physician for the disability. This applies, even if you are not working (e.g., a student, non-working spouse, or children), if you are unable to perform those normal day-to-day activities which you would otherwise perform the normal day-to-day activities which you would otherwise be able to perform.

3. If you are receiving covered dental treatment on the termination date of the Group Plan, we will provide a limited extension of such covered dental treatment as long as the course of dental treatment or dental procedures were recommended in writing and started while you were covered by us. Additionally, the dental procedures must be for Services other than routine examinations, prophylaxis, x-rays, sealants, or orthodontic Services and performed within 90 days after the Group Plan terminated.

Note: This extension of benefits is for Covered Services necessary to complete the dental treatment only. This extension of benefits will automatically terminate at the end of the 90-day period beginning on the termination date of the Group Plan or on the date you become covered under a succeeding insurance, health maintenance organization or self-insured plan providing coverage or Services for similar dental procedures. You are not required to be totally disabled in order to be eligible for this extension of benefits.

Please refer to the Dental Services category of the “What Is Covered?” section for a description of the dental Services covered under this Booklet.

Notice Regarding Prior Authorization (Preapproval) of Medical and Pharmacy Services

MAKE SURE YOUR SERVICES ARE COVERED – CHECK FIRST FOR PREAPPROVAL

For some services or drugs, your doctor needs to get preapproval before your plan will cover them. This does three important things: ensures coverage from your plan, guides you to quality care and helps you save money.

If your doctor doesn't get approval, you may have to pay the entire medical bill.

For an updated list of services that need preapproval, go to **floridablue.com/authorization**. You can also click the link in the "Authorizations" section on the homepage of your member account.

Talk with your doctor to find out if they've gotten preapproval. You can also call us at 800-352-2583.

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY.

This Notice is effective as of September 03, 2013.

We (Blue Cross and Blue Shield of Florida, Inc., d/b/a/ Florida Blue, Health Options, Inc., d/b/a Florida Blue HMO, and BeHealthy Florida, Inc., d/b/a Florida Blue Preferred HMO, collectively referred to as Florida Blue in this Notice) understand the importance of, and are committed to, maintaining the privacy of your protected health information (PHI). PHI is health and nonpublic personal financial information that can reasonably be used to identify you and that we maintain in the normal course of either administering your employer's self-insured group health plan or providing you with insured health care coverage and other services. PHI also includes your personally identifiable information that we may collect from you in connection with the application and enrollment process for health insurance coverage.

We are required by applicable federal and state laws to maintain the privacy of your PHI. We are also required to provide you with this Notice which describes our privacy practices, our legal duties, and your rights concerning your PHI. We are required to follow the privacy practices that are described in this Notice while it is in effect.

We reserve the right to change our privacy practices and the terms of this Notice at any time and to make the terms of our revised Notice effective for all of your PHI that we either currently maintain or that we may maintain in the future. If we make a significant change in our privacy practices, we will post a revised Notice on our web site by the effective date, and provide the revised Notice, or information about the change and how to get the revised Notice, to covered individuals in our next annual mailing.

How we protect your PHI:

- Our employees are trained on our privacy and data protection policies and procedures;
- We use administrative, physical and technical safeguards to help maintain the privacy and security of your PHI;
- We have policies and procedures in place to restrict our employees' use of your PHI to those employees who are authorized to access this information for treatment or payment purposes or to perform certain healthcare operations; and
- Our corporate Business Ethics, Integrity & Compliance division monitors how we follow our privacy policies and procedures.

How we must disclose your PHI:

- **To You:** We will disclose your PHI to you or someone who has the legal right to act on your behalf (your personal representative) in order to administer your 'Individual Rights' under this Notice.
- **To The Secretary of the Department of Health and Human Services (HHS):** We will disclose your PHI to HHS, if necessary, to ensure that your privacy rights are protected.
- **As Required by Law:** We will disclose your PHI when required by law to do so.

How we may use and disclose your PHI without your written authorization:

We may use and disclose your PHI without your written authorization in a number of different ways in connection with your treatment, the payment for your health care, and our health care operations. When using or disclosing your PHI, or requesting your PHI from another entity, we will make reasonable efforts to limit such use, disclosure or request, to the extent practicable, to the minimum necessary to accomplish the intended purpose of such use, disclosure or request. The following are only a few examples of the types of uses and disclosures of your PHI that we may make without your written authorization.

- **For Treatment:** We may use and disclose your PHI as necessary to aid in your treatment or the coordination of your care. For example, we may disclose your PHI to doctors, dentists, hospitals, or other health care providers in order for them to provide treatment to you.
- **For Payment:** We may use and disclose your PHI to administer your health benefits policy or contract. For example, we may use and disclose your PHI to pay claims for services provided to you by doctors, dentists or hospitals. We may disclose your PHI to a health care provider or another health plan so that the provider or plan may obtain payment of a claim or engage in other payment activities.
- **To Family, Friends, and Others for Treatment or Payment:** Our disclosure of your PHI for the treatment and payment purposes described above may include disclosures to others who are involved in your care or the administration of your health benefits policy or contract. For example, we may disclose your PHI to your family members, friends or caregivers if you direct us to do so or if we exercise professional judgment and determine that they are involved in either your care or the administration of your health benefits policy. We may send an explanation of benefits to the policyholder, which may include claims paid and other information. We may determine that persons are involved in your care or the administration of your health benefits policy if you either agree or fail to object to a disclosure of your PHI to such persons when given an opportunity. In an emergency or in situations where you are incapacitated or not otherwise present, we may disclose your PHI to your family members, friends, caregivers or others, when the circumstances indicate that such disclosure is authorized by you and is in your best interests. In these situations we will only disclose your PHI that is relevant to such other person's involvement in your care or the administration of your health benefits policy.

- **For Health Care Operations:** We may use and disclose your PHI to support other business activities. For example, we may use or disclose your PHI to conduct quality assessment and improvement activities, to conduct fraud and abuse investigations, to engage in care coordination or case management, or to communicate with you about health related benefits, products or services or treatment alternatives that may be of interest to you. We may also disclose your PHI to another entity subject to federal privacy laws, as long as the entity has or had a relationship with you and the PHI is disclosed only for certain health care operations of that provider, plan, or other entity. We may use and disclose your PHI as needed to conduct or arrange for legal services, auditing, or other functions. We may also use and disclose your PHI to perform underwriting activities, however, we are prohibited from using or disclosing your genetic information for underwriting purposes.

We may allow our Business Associates to create, receive, maintain, or transmit your PHI on our behalf in order for the Business Associate to provide services to us, or for the proper management and administration of the Business Associate or to fulfill the Business Associate's legal responsibilities. These Business Associates include lawyers, accountants, consultants, claims clearinghouses, and other third parties. Our Business Associates may re-disclose your PHI to subcontractors in order for these subcontractors to provide services to the Business Associates. These subcontractors will be subject to the same restrictions and conditions that apply to the Business Associates. Whenever such arrangement with a Business Associate involves the use or disclosure of your PHI, we will have a written contract with our Business Associate that contains terms designed to protect the privacy of your PHI.
- **For Public Health and Safety:** We may use or disclose your PHI to the extent necessary to avert a serious and imminent threat to the health or safety of you or others. We may also disclose your PHI for public health and government health care oversight activities and to report suspected abuse, neglect or domestic violence to government authorities.
- **As Permitted by Law:** We may use or disclose your PHI when we are permitted to do so by law.
- **For Process and Proceedings:** We may disclose your PHI in response to a court or administrative order, subpoena, discovery request, or other lawful process.
- **Criminal Activity or Law Enforcement:** We may disclose your PHI to a law enforcement official with regard to crime victims and criminal activities. - **Special Government Functions:** When the appropriate conditions apply, we may use or disclose PHI of individuals who are Armed Forces personnel (i) for activities deemed necessary by appropriate military command authorities; (ii) for the purpose of determination by the Department of Veterans Affairs of your eligibility for benefits, or (iii) to foreign military authorities if you are a member of that foreign military service. We may also disclose your PHI to authorized federal officials for conducting national security and intelligence activities, including the provision of protective services to the President or others legally authorized to receive such governmental protection.
- **Inmates:** We may use or disclose your PHI if you are an inmate of a correctional facility and your physician created or received your PHI in the course of providing care to you.
- **To Plan Sponsors, if applicable (including employers who act as Plan Sponsors):** We may disclose enrollment and disenrollment information to the plan sponsor of your group health plan. We may also disclose certain PHI to the plan sponsor to perform plan administration functions. We may disclose summary health information to the plan sponsor so that the plan sponsor may either obtain premium bids or decide whether to amend, modify or terminate your group health plan. Please see your plan documents, where applicable, for a full explanation of the limited uses and disclosures that the plan sponsor may make of your PHI in providing plan administration functions for your group health plan.
- **For Coroners, Funeral Directors, and Organ Donation:** We may disclose your PHI to a coroner or medical examiner for identification purposes, determining cause of death or for the coroner or medical examiner to perform other duties authorized by law. We may also disclose PHI to a funeral director, as authorized by law, in order to permit the funeral director to carry out his or her duties. We may disclose such information in reasonable anticipation of death. PHI may be used and disclosed for cadaveric organ, eye, or tissue donation purposes.

- **For Workers' Compensation:** We may disclose your PHI as permitted by workers' compensation and similar laws.

Uses and disclosures of PHI permitted only after authorization is received:

We will obtain your written authorization, as described below, for: (i) uses and disclosures of your PHI for marketing purposes, including subsidized treatment communications (except for certain activities otherwise permitted by federal privacy law, such as face-to-face communications or promotional gifts of nominal value); (ii) disclosures of your PHI that constitute a sale of PHI under federal privacy law and that requires your authorization; and (iii) other uses and disclosures of your PHI not described in this Notice.

There are also other federal and state laws that may further restrict our disclosure of certain PHI (to the extent we maintain such information) that is deemed highly confidential. Highly confidential PHI may include information pertaining to:

- psychotherapy notes;
- alcohol and drug abuse prevention, treatment and referral;
- HIV/AIDS testing, diagnosis or treatment;
- sexually transmitted diseases; and
- genetic testing.

Our intent is to meet the requirements of these more stringent privacy laws and we will only disclose this type of specially protected PHI with your prior written authorization except when our disclosure of this information is permitted or required by law.

Authorization: You may give us written authorization to use your PHI or disclose it to anyone for any purpose not otherwise permitted or required by law. If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use or disclosure permitted by your authorization while it was in effect. In the event that you are incapacitated or are otherwise unable to respond to our request for an authorization, (for example, if you are or become legally incompetent), we may accept an authorization from any person who is legally authorized to give such authorization on your behalf.

Individual Rights:

To exercise any of these rights, please call the customer service number on your ID card.

- **Access:** With limited exceptions, you have the right to inspect, or obtain copies of, your PHI. We may charge you a reasonable fee as permitted by law. We will provide you a copy of your PHI in the form and format requested, if it is readily producible in such form or format or, if not, in a readable hard copy form or such format as agreed to by you and us. Where your PHI is contained in one or more designated record sets electronically, you have the right to obtain a copy of such information in the electronic form and format requested, if it is readily producible in such form and format; or if not, in a readable electronic form and format as agreed to by us and you. - **Amendment:** With limited exceptions, you have the right to request that we amend your PHI.
- **Disclosure Accounting:** You have the right to request and receive a list of certain disclosures made of your PHI. If you request this list more than once in a 12-month period, we may charge you a reasonable fee as permitted by law to respond to any additional request.
- **Use/Disclosure Restriction:** You have the right to request that we restrict our use or disclosure of your PHI for certain purposes. We are required to agree to a request to restrict the disclosure of your PHI to a health plan if you submit the request to us and: (i) the disclosure is for purposes of carrying out payment or health care operations and is not otherwise required by law; and (ii) the PHI pertains solely to a health care item or service for which you, or a person on your behalf other than the health plan, has paid the covered entity out-of-pocket in full. We may not be required to agree to all other restriction requests and, in certain cases, we may deny your request. We will agree to restrict the use or disclosure of your PHI provided the law allows and we determine the restriction does not impact our ability to administer your benefits. Even when we agree to

a restriction request, we may still disclose your PHI in a medical emergency and use or disclose your PHI for public health and safety and other similar public benefit purposes permitted or required by law.

- **Confidential Communication:** You have the right to request that we communicate with you in confidence about your PHI at an alternative address. When you call the customer service number on your ID card to request confidential communications at an alternative address, please ask for a "PHI address."

- **Privacy Notice:** You have the right to request and receive a copy of this Notice at any time. For more information or if you have questions about this Notice, please contact us using the information listed at the end of this Notice.
- **Breach:** You have the right to receive, and we are required to provide, written notification of a breach where your unsecured PHI has been accessed, used, acquired, or disclosed to an unauthorized person as a result of such breach, and which compromises the security or privacy of your PHI. Unless specified in writing by you to receive the notification by electronic mail, we will provide such written notification by first class mail or, if necessary, by such other substituted forms of communication permitted under the law.
- **Paper Copy:** You have the right to receive a paper copy of this Notice, upon request, even if you have previously agreed to receive the Notice electronically.
