Good to Know

The stuff everyone asks — before you start planning

Catering & activities

Group activity rates require a catering package. Skipping catering? You can still book lanes anytime under "Book a Lane" on our homepage.

Group size

15-guest minimum per package. Groups of 14 or fewer can still book — just add $2 per person to the catering package.

Gratuity

An 18% gratuity is added to your final bill.

Presentations

Basic AV equipment is available for presentations — just ask.

All ages, always

We're all-ages, all the time, and family friendly. Flag any concerns and we'll talk through them.

Outdoor tent & cornhole

Included with 25+ guests; smaller groups can reserve the area for a $500 fee.

Beach bar buyouts

Available on request — pricing varies by date. Just ask.

Private rooms

Can be added to packages for meetings at $50 per room.

How the buffet works: Appetizers & platters will be set up and ready when your guests arrive. Entrées, sides, and salads are served buffet-style for one hour — during the planning process, we'll align on what time you'd like your main buffet brought out, as well as desserts and any extras you've added on.
